Register to Vote

To register to vote in California, you must be:

A United States citizen;

A resident of California;

18 years of age or older on Election Day;

Not currently imprisoned or on parole for the conviction of a felony; and

Not found by a court to be mentally incompetent.

You can apply online at RegisterToVote.ca.gov or find an application at post offices, libraries and some government offices. In most cases you must register at least 15 days before Election Day to be eligible to vote in that election.

You must re-register to vote if you move, or change your name or political party preference.

Ballot Information

Registered voters receive the Secretary of State's Official Voter Information Guide in the mail a few weeks before Election Day. County elections offices mail a sample ballot booklet to voters. These nonpartisan guides include information about ballot measures, candidates, voting rights, and more.

Vote by Mail

Any registered voter can vote by mail in California. Fill out the vote-by-mail ballot application in your sample ballot booklet, find one at sos.ca.gov, or contact your county elections office. Your completed application must arrive at your county elections office at least seven days before Election Day.

To ensure your voted ballot is delivered by the deadline, your voted ballot must be postmarked on or before Election Day and received by your county elections office no later than three days after Election Day.

Provisional Voting

Even if your name is not on the voter list at the polling place, you have the right to vote with a provisional ballot in the county where you are registered to vote. Your provisional ballot will be counted only after the elections official has confirmed you are a registered voter and you did not vote anywhere else in that election. The poll worker can give you information about how to check if your provisional ballot was counted and, if it was not counted, the reason why.

Find Your Polling Place

Your polling place location may change between elections. Check the back of your county sample ballot booklet for the location of your polling place. You can also find your polling place by calling your county elections office or the Secretary of State's Voter Hotline at (800) 345-8683, or visit sos.ca.gov.
