SUBJECT: DHS Historic Death Records –
Aug-Dec 2005

***** CALVOTER ALERT *****

We have just completed processing of death records supplied by the Department of Health Services. These records should cover deaths between August 2005 and December 2005. The files will be transferred to your CalVoter workstation Inbox between April 30 and May 2, 2007.

You will find the files in your CALVOTER Inbox on the CalVoter workstation. In most cases, the filename for this file will end with “_DHS.txt.”

As you may have noticed, these files date back to 2005. This delay was caused by a change in database systems within the Department of Health Services. During their transition they were unable to transmit data to our office. Now up and running, DHS is sending all of the backlogged files to our office for processing. We currently have all of 2005 completed and are now waiting for 2006 up to March of 2007 to be transmitted. Once processing is current, you should only receive one DHS file per month.

If you have any further questions about this matter, please do not hesitate to call the CalVoter Help Desk at 1-888-VOTECAL (1-888-868-3225).

Thank you.
