SUBJECT: February 10, 2007 Odd-Numbered Year Report of Registration Forms

Elections Code section 2187(d)(6) requires each county to send a summary statement of the number of persons registered in their county as of February 10th each odd-numbered year. Please send your registration numbers as of February 10, 2007 to us as soon as possible, but no later than March 1, 2007.

You may send us your county summary counts of registered voters via:

- Calvoter electronic transmission – please indicate the file name
- Keying data directly onto the Calvoter system
- The enclosed set of County Specific Input Forms
- Your own computer produced summary sheets (*in our format please*)

Regardless of which method your county uses, we ask that you **FAX a copy** of the data you are submitting. This will allow us time to ensure the accuracy of the data and to proof the report.

Please ensure that your county's Assembly, Senate, Congressional, Board of Equalization, and Supervisorial District(s) registration totals agree with the reported countywide registration totals. Please also confirm that the cities along with the unincorporated area registration totals agree with the reported county registration totals. You will also need to report the registration totals for the *Non-Qualified Political Bodies* attempting to qualify for the June 2008 Primary Election. These numbers should be reflected in the appropriate districts and cities in your "Miscellaneous" column.

Enclosed for your use is a Statement of Registration Certification form, which **must** accompany your registration data regardless of your transmittal method.

If you need to make any changes to your data after its submittal, you must notify us of your change in order for the information to be corrected in time for the final printing of the report. If you make any changes to your data, you will need to complete another county Statement of Registration Certification form. The county specific input form(s) and the checklist will be mailed to each county.

If you have any questions, I can be reached at (916) 653-5144. For questions directly related to Calvoter data transmission, please contact Stephanie Golka at (916) 657-2189. Thank you for your assistance.
