# UTOPIA MANIFESTO POLITICAL PARTY

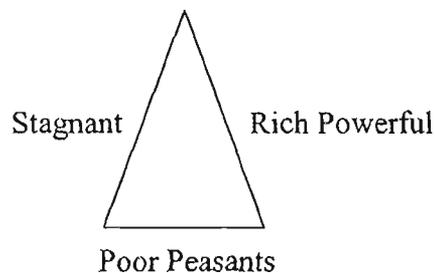

---

Founder and President:

**Crystal Diane Teresa Adams**

## UTOPIA MANIFESTO POLITICAL PARTY

This Political Party is different from the rest of the world, because it calls for us to have an Utopian Society. The shape of this Society is a wagon wheel unlike the old system of a triangle which only works for very few and is very stagnant and has not worked for everyone. This is a political system and country that teaches people to live to do God's Will and peace and harmony. The flag is red for love and white for purity in the center is a heart inside a heart meaning (our heart inside the Sacred Heart of Jesus) in red and white with Infinite Love Waves. This is a bartering Society giving and helping with Love to all people in the Utopian Country. We strive for Love, brotherhood and sisterhood with kindness not greed as most capitalist (might makes right).

God is in the center of the Wheel.

The Wheel rotates to last forever with God's Infinite Love until Infinite Love.

Spokes are channel from the center which is GOD to the rim which is the People.

The spokes are the Government helpers working as God's will.

This is a bartering society giving and helping with love all people in the Utopian society with Love and Kindness. The wheel rotates to last forever with God's Love until Infinite Love .
