SUBJECT: CASSETTE RECORDING OF STATE VOTER INFORMATION GUIDE

Enclosed please find a copy of the cassette-recorded version of the Official California Voter Information Guide for the June 3, 2008, Statewide Direct Primary Election.

A "set" consists of one cassette. The cassette includes information about Propositions 98 and 99.

The following information is provided for each of the measures: what a "yes" and "no" vote means, as prepared by the Legislative Analyst; the official title and summary prepared by the Attorney General; the impartial analysis prepared by the Legislative Analyst; and the arguments for and against the measure, rebuttal arguments, and contact information, as provided by the argument authors.

Finally, we have provided a brief message from the Secretary of State, the Voter Bill of Rights, and information about decline-to-state voters, finding your polling place, provisional ballots, legislative candidate statements, and voting-by-mail.

The cassette is beep-tone indexed and playable on any commercially available cassette recorder, as well as on Talking Book Recorders.
