Elections Information Program Manager

RE: May Statewide Special: Survey - Free Access & Vote-By-Mail Status Systems

We are updating our records for the upcoming May 19, 2009, Statewide Special Election, and in an effort to reduce the number of surveys from the Secretary of State's office, we have combined two surveys into one request.

Please confirm the attached information regarding your county's Help America Vote Act of 2002 (HAVA) Provisional Voting Free Access System (as required by Title III, Section 302(a)) and let us know on the attached survey whether you will continue to use your existing system or will be implementing a new system.

As you are aware, Elections Code section 3017(c) requires county elections officials to establish procedures to track and confirm the receipt of voted vote-by-mail ballots and to make this information available by means of an online access system using the county's elections division Internet Web site or via a toll-free telephone number. Please complete the attached survey with the type of system your county will be using for this election.

After the May 19, 2009, Statewide Special Election, we will be contacting each county to determine how many provisional voters and vote-by-mail voters used each county's systems.

Please complete and return this survey via fax to (916) 653-3214 or e-mail to jana.lean@sos.ca.gov as soon as possible, but no later than **April 24, 2009**. If you have any questions, please contact me at (916) 653-5144. Thank you for your assistance.
