County Clerk/Registrar of Voters (CC/ROV) Memorandum # 09090

TO: All County Clerks/Registrars of Voters

FROM:   
Mark Harlan  
VoteCal Project, Communications Lead

RE: VoteCal Project: County Representative Contact Information

The VoteCal Project is seeking a representative from each county to be the person of contact for VoteCal Project communications. Primarily, we are seeking someone who will be the point of contact for receiving VoteCal Project communications and disseminating these communications to the other staff members. In addition, there may be times when the VoteCal Project requests information from the county, and we would look to the representative to gather that information and respond in a timely manner.

Please provide your VoteCal representative's contact information on the attached form and submit the form via fax to (916) 653-3214 by June 19, 2009.

Thank you for your patience and dedication to our common goal of a statewide voter registration database. The success of the VoteCal Project depends on your collaboration and commitment. Please visit our website for more information and project updates: [VoteCal Project Website](#).
