RE: Political Party: More Money for Women Party Attempts Qualification

Enclosed is a copy of the "More Money for Women Party" notice to the Secretary of State of their attempt to qualify as a political party for the June 8, 2010, Statewide Direct Primary Election. I have included a sheet listing the qualified and non-qualified political parties and the codes to use when sending this information to the CalVoter Database.

The number of persons necessary to qualify a political party by voter registration is 88,991 or 889,906 by petition.

Please track all registrations and let us know the number of voters registered with the More Money for Women Party for all future reports of registration until otherwise notified.

If you have any questions, please give me a call at (916) 657-2166.
