SUBJECT: Recall: Governor Arnold Schwarzenegger; Calendar of Events

Today, we certified the petition for the recall of Governor Arnold Schwarzenegger. This memo is a calendar of events relating to that recall. The proponents may now begin circulating the petitions. Please find attached a copy of the petition. The following are some key points with regard to the recall process.

1. The petitions may be submitted to your office at any time. Unlike initiative petitions that must be turned in simultaneously, recall petitions may be turned in on multiple occasions in each county. In other words, the petitions can be submitted to the counties throughout the 160-day circulation period that ends Thursday, October 22, 2009.
2. Elections Code section 11104¹ requires each county that has received petitions to report all of the following to the Secretary of State every 30 days: 1) the number of signatures submitted during that 30 day period ending five days previously, excluding Saturdays, Sundays, and holidays; 2) the cumulative total of all signatures received since the initiation of the

recall through the end of the current reporting period; 3) the number of valid signatures that have been verified during that period; and 4) the cumulative total of all valid signatures that have been verified since the initiation of the recall and ending five days previously, excluding Saturdays, Sundays, and holidays. These submissions should be directed to Ms. Katherine Montgomery ((916) 657-2423) of the Elections Division of the Secretary of State's office.

3. In accordance with section 11104(d), county elections officials are not required to verify any signatures until we notify you that the proponents have submitted at least 104,153 signatures, which is 10 percent of the total signatures required to qualify the recall for the ballot.
4. Section 11043 requires each signer to personally affix his or her signature, printed name, and address to the petition section in order for the signature to be valid.
5. Section 11102 requires each section of a recall petition to be filed with the elections official of the county for which it was circulated.
6. Section 11103 requires a proponent or a person authorized in writing by a proponent to file petition sections.
7. Section 11303 permits any voter who signed the petition to remove his or her name by filing a written request with the county elections official prior to the filing of the petition section that contains his or her name.
8. Sections of a recall petition are not public records, and as a result, only staff of the county elections official may have access to the petition sections. If the petition is found to be insufficient, the proponents listed on the notice of intention may examine the petition sections. (Gov. Code § 6253.5)

Circulating and Filing Schedule

1. The minimum number of valid signatures required to qualify the recall – 12% of 8,679,416 votes. Valid signatures must be obtained from at least five counties, and in each of those counties the number of signatures must equal at least 1% of the last vote for Governor in that particular county. (Cal. Const., art. II, § 14(b)).....1,041,530
2. Date proponent may begin circulating petitions. (§ 11042(d)).....Friday, May 15, 2009

3. Last date for proponent to circulate petition and file with county elections officials. (160 days) (Cal. Const., art. II, § 14(a)).....Thursday, October 22, 2009
4. Last date for elections officials to report the "raw count." Within eight (8) working days after last day for filing the petition, elections officials shall report to the Secretary of State the total number of "raw count" signatures on the petition. (§§ 11106, 9030(b)).....Tuesday, November 3, 2009
5. Each county elections official must determine the number of valid signatures 30 days after a recall has been initiated and every 30 days thereafter. After each examination, the county elections official is required to certify the results and submit a blank copy of the petition to the Secretary of State. (§ 11104)
The reporting dates are as follows:
 1. Monday, June 15, 2009²
 2. Tuesday, July 14, 2009
 3. Thursday, August 13, 2009
 4. Monday, September 14, 2009³
 5. Tuesday, October 13, 2009⁴
6. The Secretary of State must maintain a continuous count of the signatures certified to that office. (Cal. Const., art. II, § 14(c))
7. Last possible day that county elections officials may certify the results of their examination to the Secretary of State. (§§ 11106, 11107).....Wednesday, February 3, 2010⁵
8. Once the Secretary of State determines from the certified petitions that there are sufficient signatures on the petition, she must notify each county elections official within 10 days of that determination. (§ 11108).....Tuesday, February 16, 2010⁶

2 This date would fall on Sunday, June 14, 2009. Therefore, in accordance with Government Code section 6707, the reporting date falls upon the next business day.

3 This date would fall on Saturday, September 12, 2009. Therefore, in accordance with Government Code section 6707, the reporting date falls upon the next business day.

4 This date would fall on Monday, October 12, 2009. However, that day is a state holiday. Therefore, in accordance with Government Code section 6707, the reporting date falls upon the next business day.

5 This date varies with receipt of certification from counties and is based on the possibility that the petition requires elections officials in counties in which a random sample verification process was used to verify signatures by full count procedures. The process allows 30 working days to complete a random sample verification process and 30 working days to complete full count verification, if needed.

6 This date would fall on Saturday, February 13, 2010. In accordance with Government Code section 6707, this date falls upon the next business day. However, Monday, February 15, 2010, is a state holiday.

9. Once the Secretary of State determines that the proponents have collected sufficient signatures, she shall certify that fact to the Lieutenant Governor. (§ 11109, Cal. Const., art II, § 17)

10. The Lieutenant Governor is required to call a recall election to be held not less than 60 days nor more than 80 days from the date of certification of sufficient signatures. A recall election may be conducted within 180 days from the date of certification of sufficient signatures in order that the election may be consolidated with the next regularly scheduled election occurring wholly or partially within the same jurisdiction in which the recall election is held, if the number of voters eligible to vote at that next regularly scheduled election equals at least 50 percent of all the voters eligible to vote at the recall election. (Cal. Const., art. II § 15, § 17; § 11110)

Election

1. Last date candidate may file nomination papers with the county elections official. (§ 11381(a)).....E-59

2. Last date for the Secretary of State to certify names of candidates to county elections officials. (§ 11381(a)).....E-55

3. If the majority vote on the question is to recall, the Governor is removed from office and the candidate who receives a plurality is the successor. The Governor may not be a candidate. (Cal. Const., art. II, § 15)

Miscellaneous

1. California law prohibits the use of signatures, names, and addresses gathered on recall petitions for any purpose other than to qualify the recall for the ballot. This means that the petitions cannot be used to create or add to mailing lists or similar lists for any purpose, including fund raising or requests for support. Any such misuse constitutes a crime under California law. (§ 18650; *Bilofsky v. Deukmejian* (1981) 124 Cal.App.3d 825; 63 Ops.Cal.Atty.Gen. 37 (1980))

2. Any registered voter qualified to vote for the officer to be recalled may circulate or sign a recall petition. (§ 11045)

3. A registered voter who signs a recall petition must personally affix his or her residence address and printed name along with his or her signature. If the voter is unable to personally affix his or her residence address and printed name, the voter may request another person to print that information on the appropriate spaces on the petition paper. However, the voter shall personally affix his or her mark or signature on the appropriate space on the petition

paper, which shall be witnessed by one person by subscribing his or her name thereon. (§§ 100, 100.5, 11043)

4. Proponents must file each section of the petition with the elections official of the county for which it was circulated. (§ 11102) Petition sections may be filed continuously and at any time during the 160-day circulating period.

PETITION FOR RECALL

TO THE HONORABLE California Secretary of State.

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the State of California, respectfully state that we seek the recall and removal of Arnold Schwarzenegger, holding the office of Governor, in California.

We demand an election of a successor to that office, Governor of California.

The following Notice of Intention to Circulate Recall Petition was served on 4/15/2009 to Arnold Schwarzenegger:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION TO THE HONORABLE ARNOLD SCHWARZENEGGER:

Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of the governor, state of California, and to demand election of a successor in that office. The grounds for the recall are as follows: Governor Arnold Schwarzenegger has destroyed California jobs and opportunity, worsened state finances, and raised taxes on struggling Californians. **THE GOVERNOR WORSENEDED STATE FINANCES BY MASSIVELY INCREASING STATE SPENDING.** The governor promised to reduce state spending and reform state government. Instead, he increased spending by over 40 percent, benefiting public sector unions and special interests, at the expense of taxpayers. **THE GOVERNOR RAISED TAXES ON STRUGGLING CALIFORNIANS.** Californians are struggling in the face of job cuts, pay cuts, and retirement losses. State workers enjoy job security, pay increases, and generous pensions. In order to pay these special interests, the governor passed the largest state tax increase in U.S. history – on struggling Californians who already pay the highest income and sales taxes in the nation. **THE GOVERNOR DESTROYED CALIFORNIA JOBS AND OPPORTUNITY.** Middle class Californians are fleeing the state because costly and burdensome state laws are driving jobs to other states. The governor promised to help encourage job creation by reducing costly regulation. Instead, he passed more job-killing mandates that are destroying California jobs and opportunity. Governor Arnold Schwarzenegger must be held accountable for worsening the lives of California taxpayers, voters, and families.

The printed names, signatures, and residence addresses of the proponents are as follows: John D. Fusek; Colin Gomes; Mary Lubliner; Janice Kroupa; Jerold Gash; Erika Brasov; Dorothy M. Vallejos; Nathan Steiner; Kelly Gash; Stephen Eric Porvaznik.

To contact proponents: John D. Fusek at Taxpayers United to Recall Governor Schwarzenegger: 562-665-8615.

The officer sought to be recalled did not answer the Notice of Intention to Circulate Recall Petition.

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the County of _____, California.
