RE: Website: Updated Federal Voter Registration Form

We have enhanced the online voter registration form available on the Secretary of State's website and want you to feel free to link to it from your website. People wanting to register can complete the form using a fillable process that automatically adds the appropriate county elections official's address to the form based on the voting address the applicant enters on the form.

To give people access to voter registration forms that will be mailed straight to your office, simply link to <https://www.sos.ca.gov/nvrc/fedform/>.
