RE: Voter Education and Outreach: Poll Worker Volunteer Resource

Secretary Bowen is again partnering with CaliforniaVolunteers to make poll worker volunteer recruitment resources available to all county elections officials. This will allow you to put your openings directly in front of Californians who are looking to volunteer.

The California Volunteer Matching Network (CVMN) connects Californians to meaningful, high-impact volunteer opportunities in their communities and helps nonprofits and public agencies find the people they need through an online statewide matching system. With over 50,000 opportunities currently in the system, Californians can search for volunteer opportunities in their communities by zip code or county.

Several thousand searches are done every month by people looking for quality volunteer opportunities in their communities. To post your poll worker and other volunteer opportunities into this database, contact the local volunteer center(s) that serve(s) your county (see attached list). These local volunteer centers will be able to guide you through the posting process, craft volunteer position descriptions, and answer any additional questions you may have on how the system works.

Counties with more than one volunteer center should contact each of your volunteer centers to ensure that you have full county coverage.

If you have any questions, please contact me at (916) 654-6423, or via email at tess.mason-elder@sos.ca.gov.

Nonprofits and public agencies across the State of California are encouraged to post their volunteer opportunities with their local "Hub" (volunteer connector agency). Volunteer opportunities will be available via both the local Hub website and CaliforniaVolunteers.org. To learn more about the California Volunteer Matching Network, email CVMN@CaliforniaVolunteers.ca.gov or call 916-323-7646.
