RE: Statewide Direct Primary: Election Night Vote Reporting Survey

– ATTENTION ELECTION NIGHT REPORTING STAFF –

We're setting up our election reporting system and need to know how you plan to report your vote results to us for the Statewide Direct Primary, on June 8, 2010.

The attached survey form contains a brief description of each of the three reporting methods. Please complete it and return by FAX or email, as directed on the form.

As you are aware, each county's CalVoter Workstation has received a new router and T1 connection. This has drastically improved connection speed making reporting via KDE and Electronic File Transmission much faster. Please consider this new connection speed as a factor when choosing your reporting method.

DUE DATE: MONDAY, MARCH 22, 2010 (E-78)

If you have questions about this survey or other election night reporting matters, please contact one of the SOS Election Night Reporting Team:
