INITIATIVE MEASURE TO BE SUBMITTED TO VOTERS

SECTION 1. STATEMENT OF FINDINGS

- (a) Voters desire better and more readily accessible information regarding ballot measures presented to them for their approval or rejection.
- (b) Voters are provided a useful "Voter Information Guide" by mail, however the 21st Century dictates that more information should be provided on the internet. Creating a central source of information, including information about the financial supporters and opponents of a ballot measure and a place to view campaign materials would give voters a single source for complete information about ballot measures.
- (c) Presently, the description of ballot measures in the Voter Information Guide and on ballots is often overly complicated, poorly worded, and misleading of the true purpose and intent of a proposed measure. Indeed, in recent years, some ballot materials have been drafted by the Legislature in an apparent attempt to influence the outcome of the election.

SECTION 2. STATEMENT OF PURPOSE

- (a) In order to provide better and more readily accessible information regarding ballot measures, the People of the state of California hereby enact the "21st Century Ballot Reform Act" to provide a single source of information on the internet for ballot measures and to require a fair and impartial statement of the purpose and intent of proposed ballot measures in language that is understandable to the average voter.

SECTION 3. 21ST CENTURY BALLOT REFORM

Section 9082.7 of the Elections Code is amended to read:

§ 9082.7(a) The Secretary of State shall disseminate the complete state ballot pamphlet over the internet. In addition to the elements required to be included within the ballot pamphlet pursuant to section 9084, the Secretary of State shall also include the following for each state measure for the internet version of the state ballot pamphlet:

- (1) A link to the most recent campaign finance report for any committee primarily formed to support or oppose the state measure;
- (2) A link to a campaign website at the request of the authors of the ballot arguments for or against the state measure as selected pursuant to section 9067;
- (3) A link to video or audio content at the request of the authors of the ballot arguments for or against the state measure as selected pursuant to section 9067;
- (4) A link to video or audio of the joint public hearing held pursuant to section 9034.

(b) The Secretary of State may refuse to link to content that is deemed to be obscene, defamatory or unrelated to the subject matter and content of the state measure, subject to judicial review pursuant to section 13314.

(c) Notwithstanding the public examination period, any elector may seek a writ of mandate pursuant to section 9092 to amend or delete materials included in internet version of the state ballot pamphlet pursuant to this section.
