RE: Statewide Direct Primary: Verification Mailing Files

The Verification Mailing process is a service the Secretary of State offers to counties. This service involves our office working in conjunction with the Office of State Publishing (OSP) to mail a Voter Registration Card (VRC) to registrants who have requested a change of address through a motorist transaction at the Department of Motor Vehicles (DMV). A batch file is sent to OSP at the beginning of each month that includes an aggregate of data from all Verification Mailing Request files (M files) received from the counties for the prior month.

A batch file will be sent to OSP on May 3, 2010, that will include an aggregate of all M files received through April 30, 2010. In order to ensure that affected voters will receive a VRC in time to update their registration information for the June 8, 2010, Statewide Direct Primary Election, we are asking that each county mail a VRC to any voter identified in their daily DMV-Change of Address files between May 1, 2010, and May 24, 2010.

Should you have any questions about this or any CalVoter issue, please contact the CalVoter Help Desk at (888) 868-3225.

Thank you.
