RE: Voting Modernization Board: Second Funding Round Survey

At the request of the Chair of the Voting Modernization Board, we are sending out the attached survey regarding the possibility of a second funding round.

To determine the amount of bond funds available for a possible second round of funding, the Board will need to know if your county will be using funds not yet expended from your initial VMB formula allocation. Attached for your review is a chart listing your county's initial VMB formula allocation and the status of any remaining funding.

In anticipation of these topics being discussed at the upcoming May 18, 2012, Voting Modernization Board meeting and their potential impacts on county efforts for future voting system modernization plans, we would like you to provide us with input to be considered in reaching a decision.

Please complete the attached survey and email it back to us as soon as possible, but no later than **May 9, 2012**.

Responses to this survey will be provided to the VMB members prior to the upcoming meeting. If you have any questions, please contact me directly at (916) 657-2423. Thank you for your assistance.
