Voting Systems Analyst

RE: Presidential Primary Election: EOPP, Voting Systems Used by Counties, and  
Computer Vote Count Program

In an effort to minimize the number of surveys and CC/ROVs you receive for the upcoming June 5, 2012, Presidential Primary Election, the Office of Voting Systems Technology Assessment (OVSTA) has combined what were previously three separate CC/ROVs into one. Please note the specified dates and submit your county's information accordingly.

- 1) This is a reminder to submit your Election Observer Panel Plan (EOPP) to the Secretary of State prior to the June 5, 2012, Presidential Primary Election.

Attached is a suggested template for an EOPP. Feel free to use it in preparing your plans for the June 5, 2012, Presidential Primary Election.

The Secretary would like to begin posting the EOPPs on the [www.sos.ca.gov](http://www.sos.ca.gov) website as soon as possible. Please submit your responses to the Secretary of State by Friday, May 25<sup>th</sup>.

- 2) Attached is a copy of the Voting Systems Used by Counties spreadsheet that OVSTA created for the November 2, 2010, Statewide General Election. Please review the document to verify that the spreadsheet correctly lists the implementation of your county's voting system. If any edits are needed, please provide them by Friday, May 25<sup>th</sup>. No response is required if the spreadsheet information is accurate.
- 3) This is a reminder that Elections Code section 15001 requires that our office receive by 5:00 p.m. May 29, 2012, a copy of your election computer vote count program, containing the ballot definition, for the June 5, 2012, Presidential Primary Election.

For item 1 and 2 above, please email the documentation to Ryan Macias at [Ryan.Macias@sos.ca.gov](mailto:Ryan.Macias@sos.ca.gov). Due to the proprietary nature of the Computer Vote Count Program, detailed in item 3 above, it cannot be emailed, so please compress all your data into a single zip file, preserving file and directory names within the zip file. This single file can then be placed in the normal CalVoter outbox on the CalVoter workstation. Once you have done this, please notify Ryan Macias, so we can manually transfer the file over to our office. If you or a third party vendor are

going to mail the Computer Vote Count Program, instead of placing it in the CalVoter outbox, please mail it to the attention of Ryan Macias, OVSTA.

If you are relying on your data processing staff, vendor, or other third party to deposit your vote count program with our office, please remind them that we must receive the program by May 29th.

If the program is modified or altered after a copy is submitted to our office, we must receive a copy of the modified or altered program no later than noon on Election Day.

Please contact OVSTA at (916) 653-7244 if you have any questions regarding these documents.
