RE: General Election: Change of Election Night Reporting FTP  
Password

**\*\*\*ATTENTION VOTE RESULTS REPORTING STAFF\*\*\***

As part of our election security procedures, we have changed the election night reporting FTP password for each county. This is the password that is used to electronically transfer the election night template file to the CalVoter workstation.

**This password has been changed, effective immediately.**

The password will be provided to the County Contact that was listed on the recent Vote Reporting Survey received from each county.

If you have any questions regarding these changes, please contact any team member listed below or call the CalVoter Help Desk at (888) 868-3225.
