RE: Statewide Direct Primary Election: Verification Mailing Files

The Verification Mailing process is a service the Secretary of State offers to counties. This service involves our office working in conjunction with the Office of State Publishing (OSP) to mail a Voter Registration Card (VRC) to registrants who have requested a change of address through a motorist transaction at the Department of Motor Vehicles (DMV). A batch file is sent to OSP bi-monthly that includes an aggregate of data from all Verification Mailing Request files (M files) received from the counties from the prior two week period.

A batch file will be sent to OSP on April 25, 2014, that will include an aggregate of all M files received through April 24, 2014.

In order to ensure that affected voters will receive a VRC in time to update their registration information for the June 3, 2014, Statewide Direct Primary Election, we are asking that each county mail a VRC to any voter identified in their daily DMV-Change of Address files between April 24, 2014, and May 19, 2014. In order to prevent duplicate mailings once you have processed the daily DMV-Change of Address files, please do not create and send M files during this time.

Should you have any questions about this or any CalVoter issue, please contact the CalVoter Help Desk at (888) 868-3225.

Thank you.
