RE: Statewide Direct Primary Election: Free Access & Vote-By-Mail
Status Systems

After each election the Secretary of State's Office requests information on each county's provisional voting "free access system" as required by Title III, Section 302(a) of the Help America Vote Act of 2002 (HAVA), and vote-by-mail statistics as required by California Elections Code section 3017(c). HAVA requires each state or local elections official to establish a "free access system," such as a toll-free telephone number for voters to call or an Internet website that voters can access free of charge, to confirm if they voted a provisional ballot at the polls, whether or not their vote was counted, and, if it was not counted, the reason why it was not counted. In addition, California Elections Code sections 3017(c) and 3019.5 requires county elections officials to establish procedures to track and confirm the receipt of voted vote-by-mail ballots, provide a voter an ability to check why his or her ballot was not counted, and if not counted, the reason why, and to make this information available online or via a toll-free telephone number.

In order to reduce the number of surveys you receive, we have combined questions regarding the use of your free access and vote-by-mail ballot tracking systems into one request for the June 3, 2014, Statewide Direct Primary Election. When reporting vote-by-mail totals, please be sure to include all-mail ballot precincts in the totals.

Please complete and return the attached survey via fax to (916) 653-3214 or email to angela.beane@sos.ca.gov no later than **Wednesday, July 23, 2014**. If you have any questions, please contact me directly at (916) 653-2744 or at angela.beane@sos.ca.gov. Thank you for your assistance.
