County Clerk/Registrar of Voters (CC/ROV) Memorandum #16109

TO: All County Clerks/Registrars of Voters

FROM: /s/ Katherine Montgomery
Initiative and Report of Registration Program Manager

RE: Presidential Primary: Reporting Form for April 8, 2016, 60-Day Report

Elections Code section 2187(d)(2) requires each county to send a summary statement of the number of persons registered in their county as of the 60th day before the primary election. As such, please send us your registration numbers as of the **close of business** on April 8, 2016, as soon after the close of registration as possible, but **no later than April 18, 2016**.

Age and Language Data

We are asking for two additional pieces of demographic information when reporting the 60-Day ROR. Each county will be asked to provide totals for all registrants that will be eligible to vote in the June 7, 2016, Presidential Primary Election by age range (17.5-25, 26-35, 36-45, 46-55, 56-65, 66+), and by language preference.

Political Body Data

Please ensure that **all** political bodies attempting to qualify have been mapped to the codes provided in CCROV #16013 so that they are accurately tracked and reported. These numbers should be reflected in the appropriate districts and cities in your "Miscellaneous" column.

Be advised that although Americans Elect has lost its status as a qualified political party, Americans Elect does need to be included in the "Miscellaneous" category when reporting registration totals.

You may send us your county summary counts of registered voters via:

- ❑ Electronic CalVoter report file named – RORDATA.TXT
(send a new load file and precinct file with your ROR report)
- ❑ Keying data directly onto the CalVoter system

- County Specific Input Forms (*will be emailed separately to each county contact*)
- Your own computer-produced summary sheets (*in our format please*)

Regardless of which method your county uses, we ask that you **EMAIL or FAX a copy** of the data you are submitting to either ror@sos.ca.gov or (916) 653-3214. This will allow us time to ensure the accuracy of the data and to proof the report.

Please ensure that your county's Assembly, Senate, Congressional, Board of Equalization, and Supervisorial district registration totals agree with the reported county-wide registration totals. Please also confirm that the cities, along with the unincorporated area registration totals, agree with the reported county registration totals. You will also need to report the registration totals for the *Selected Political Bodies Attempting to Qualify*.

Attached for your use is a Statement of Registration Certification form which **must** accompany your registration data regardless of your transmittal method.

If you need to make any changes to your data after its submittal, you must notify us of your change in order for the information to be corrected in time for the final printing of the report. You will also need to complete another county Statement of Registration Certification form. The county specific input form(s) and the checklist will be mailed to each county.

If you have any questions, I can be reached at (916) 695-1572 or by email at ror@sos.ca.gov. For questions directly related to CalVoter data transmission, please contact the CalVoter Help Desk at (888) VOTECAL – (888) 868-3225. Thank you for your assistance.
