County Clerk/Registrar of Voters (CC/ROV) Memorandum #17140

TO: All County Clerks/Registrar of Voters

FROM: /s/ Katherine Montgomery
Initiative Program Manager

RE: Initiative: Full Check of #1798, Related to the Legislature

Based on the random sample verification results from the 57 counties that have reported, the above-named initiative will not qualify for the ballot by random sample. Although there are 127 signatures remaining to be verified, verification of those signatures will not result in qualification by random sample. However, it is clear that the number of signatures falls between 95% and 110% of the number of signatures required.

Therefore, pursuant to Elections Code Section 9031, you are required to verify all of the signatures by February 5, 2018 (30 working days from the date of this notice). This notice does not apply to those counties that received 500 or less signatures and verified all of the signatures during the random sample verification.

If you have any questions, please do not hesitate to contact me at (916) 695-1572. Thank you.

1798. Increases Size of Legislature and Changes Legislative Process. Initiative Constitutional Amendment.
