Training for NVRA Agency Staff

# National Voter Registration Act (NVRA)

---

- ◉ Signed into law in 1993
- ◉ Established that the right to vote is a fundamental right
- ◉ States that it is the duty of federal, state and local governments to promote voting
- ◉ Requires governmental agencies to offer voter registration
  - Known as “Motor Voter”- voter registration offered at all DMV offices
  - Also reaches people who may not visit DMV
  - Must offer voter registration at any public assistance agency
  - Must offer voter registration at any agency primarily serving people with disabilities

# NVRA Goals

---

- ⦿ Make it easy for U.S. citizens to register to vote
- ⦿ Remedy past discrimination
  - In voting and in voter registration
  - Safeguards against “purging” voter rolls
- ⦿ Increase voter registration in underserved and disabled communities
- ⦿ Offices like yours can empower individuals who are left out of our democracy

# What's Going on in California (Senate Bill 35)

---

## ◎ California Law (SB 35)

- Effective January 2013
- Codifies the NVRA into California law and adds new requirements
- Election Code sections 2400-2408
- Creates a 3-part team – places requirements on County Elections Officials, NVRA agencies, and the Secretary of State (SOS) Office.

## ◎ Puts into place voter registration accountability

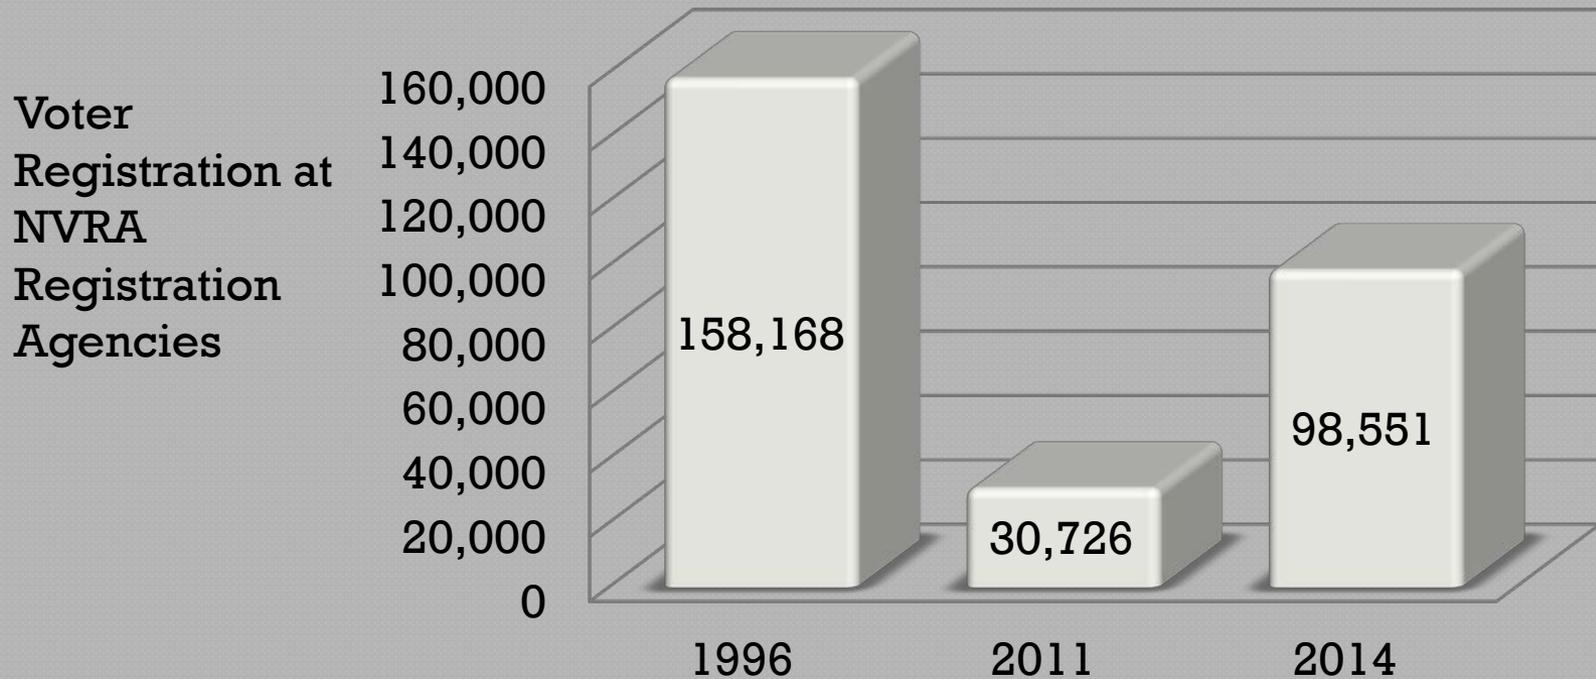

- You and the NVRA agencies play a big role in this

# Why Voter Registration Matters

---

- ◎ California has 6.8 million unregistered eligible voters
  - In 2014, California ranked 28<sup>th</sup> in the nation for voter registration
- ◎ People can't vote unless they are registered
  - In 2014, California ranked 43<sup>rd</sup> in the nation for voter participation
- ◎ Californians with disabilities and those who are low-income are more likely to be unregistered

## Voter Registrations at NVRA Agencies

Thanks to the hard work of people like you, SB 35 is proving to help increase voter registration in California. Since 2013, voter registration at non-DMV voter registration agencies has increased dramatically.

# NVRA Agencies: Tracking

---

## ◎ Tracking

- Puts into place voter registration accountability
- Ordering VRCs – When NVRA agencies request VRCs from County Elections Offices, the serial numbers are tracked by the county
- The tracking of serial numbers is a vital step in the disbursement and tracking process.
- This ensures the agency is credited for complying with the NVRA when VRCs are returned by agency participants
- The tracking must be done by agency and by each of their offices and sites

# NVRA Agencies: Tracking (Step-By-Step Instructions)

---

- ◎ Establish a relationship with their county elections official's NVRA Coordinator
  - This person handles bulk VRC distribution to outside agencies and organizations and will ensure the serial numbers are recorded by the county
  - Confirm the agency's site is listed on the county election official's roster of NVRA agencies
  - Confirm that the county elections official tracks voter registrations from each of the agency's offices and sites

# NVRA Agencies: Tracking (Step-By-Step Instructions) (cont'd)

---

- ◎ Inventory existing supply of VRCs at each of the agency's sites
  - Inventory Sheet – Record the serial number ranges on each supply – e.g. English VRCs 37 EN 15000-15999; Spanish VRCs 37 SP 20000-20999; etc.
  - More than one site? Create a separate Inventory Sheet listing the serial numbers at each site
- ◎ Send their Inventory Sheet(s) to the county's NVRA Coordinator
  - County Elections Offices can be located on the SOS website at [www.sos.ca.gov/elections/voting-resources/new-voters/county-elections-offices](http://www.sos.ca.gov/elections/voting-resources/new-voters/county-elections-offices)

# NVRA Agencies: Tracking (Step-By-Step Instructions) (cont'd)

---

- ◎ Need to order more VRCs?
  - Contact the county elections official's NVRA Coordinator
  - Order new supplies of VRCs from the county elections official's NVRA Coordinator as needed
  - Agencies should always identify themselves as an NVRA agency when placing an order

# NVRA Agencies: Accountability

---

## ◎ Accountability

- County elections officials report NVRA agency's voter registration numbers to the SOS once a month
- Check SOS website for the NVRA monthly spreadsheet report to ensure your agency's sites and registration numbers are correctly listed
- The SOS NVRA monthly spreadsheet reports can be found at [www.sos.ca.gov/elections/voter-registration/nvra/reports/](http://www.sos.ca.gov/elections/voter-registration/nvra/reports/)

## NVRA Reports

### Secretary of State NVRA Reports by County and Category

Under the National Voter Registration Act, every two years the Secretary of State compiles reports to the Election Assistance Commission (EAC) containing overall data for California. The reports are based on monthly county reports that counties submit to the Secretary of State's office and can be viewed below.

### California Biennial Reports to the Election Assistance Commission

Under the National Voter Registration Act of 1993 (NVRA), the Election Assistance Commission reports to the United States Congress on the NVRA's impact on voter registration. In order to prepare the report, the Secretary of State provides information on the number of voter registration applications received and processed and where those applications were processed (for example, at a Driver Vehicle (DMV) offices, public assistance agencies, agencies providing services to people with disabilities, and armed forces agencies).

The California Secretary of State's office is responsible for responding to the EAC's survey by gathering this voter registration data from the 58 counties. In the past, county reports to the Secretary of State have sometimes been incomplete due to an inability to properly track the number of new voter registrations coming from agencies designated as voter registration agencies under the NVRA. Tracking has recently improved, because the Secretary of State and all counties now require NVRA voter registration agencies to order voter registration cards (VRCs) directly from the county where the local agency office is located. This allows counties to distribute sets of VRCs by serial number, so that as completed VRCs are returned, the county will know based on the VRC serial number from which state or federal agency the voter

- ◎ Voter registration **must** be offered to all of your applicants/clients

# Disability Etiquette

---

## ◎ Basic Guidelines

- Make reference to the person first, then the disability: Say “a person with a disability” rather than “a disabled person.”
- Do not use the term “handicapped” when referring to a person with a disability
- Offer assistance, but wait until your offer is accepted before you help
- Listen to any instructions the person may give

# Disability Etiquette (cont'd)

---

## ◎ Common Courtesies

- Share the same social courtesies. If you shake hands with people you meet, offer your hand to everyone you meet, regardless of their disability.
- When offering assistance to a person with a visual impairment, allow that person to take your arm. Guide, rather than propel or lead the person. Use specific directions when directing a person with a visual impairment.

## ◎ Conversation

- Speak directly to the person with a disability, not to the person accompanying them. The same principle applies for people who communicate through sign language.
- When greeting a person with a severe loss of vision, always identify yourself and others. For example say, "On my right is John Smith."
- Speak in a normal tone of voice and indicate when the conversation is over. Let them know when you move from one place to another.
