

PREFACE

The Supplement to the Statement of Vote explains how votes were cast at a very detailed level within each county for statewide offices and measures.

This document is produced pursuant to Elections Code section 15502 which requires the Secretary of State to compile a Supplement based upon the information provided by the counties, within 120 days of the filing of the Statement of Vote. This document shows the number of votes cast in each county, city, Assembly district, Senate district, Congressional district and Supervisorial district for each candidate for the offices of, Governor, and United States Senator, depending on the offices to be filled, and on each statewide ballot proposition.

In accordance with this requirement, this particular Supplement to the Statement of Vote contains the official vote count results by county for the six partisan and six write-in candidates for Governor, the six partisan and four write-in candidates for United States Senator, and the thirteen ballot measures that appeared on the November 7, 2006 General Election ballot.

The first report for each contest presents a summary of the vote totals by county. The second report contains the totals by political subdivision within each county, followed by the results from each Congressional, State Senate, State Assembly, and Board of Equalization district. The district results indicate the votes cast district-wide and within each county that comprises the district.

Questions concerning these certified election results should be referred to:
