

## Preface

The Supplement to the Statement of Vote provides detailed information on how votes were cast within each county.

This document is produced pursuant to Elections Code section 15502 which requires the Secretary of State to compile a Supplement within 120 days of the filing of the Statement of Vote. Based upon the information provided by counties, it shows the number of votes cast in each county, city, Assembly district, Senate district, Congressional district, and Supervisorial district for each presidential candidate and each state ballot measure.

This Supplement to the Statement of Vote contains the official vote count results by county for the six partisan and four write-in candidates for United States President and the twelve state ballot measures that appeared on the November 4, 2008, General Election ballot.

Questions concerning these certified election results should be referred to:
