November 6, 2012, General Election
Supplement to the Statement of Vote

Explanatory Notes

This Supplement to the Statement of Vote contains the official vote results for the November 6, 2012, General Election as provided to the Secretary of State's Office by California's 58 county elections officials.

Calaveras

Calaveras County changed its Final Official Canvass, which is why the numbers for President, United States Senator, and state ballot measures in the December 14, 2012, Statement of Vote do not match the numbers in this Supplement to the Statement of Vote. The changes did not affect any election outcomes.

El Dorado

El Dorado County created a ballot type for Overseas Federal Only voters. These votes for President and United States Senator are not included in the county vote totals by Supervisorial Districts, Senate Districts, Assembly Districts, and Board of Equalization Districts. Instead, the votes are referenced as having no matching districts.

Monterey

Monterey County received write-in votes for Barack Obama, Mitt Romney, and Gary Johnson that were counted separately and added to the county vote totals. These votes for President are consolidated into a line item called Multiple Districts in the sections for Supervisorial Districts, Senate Districts, Assembly Districts, and Political Districts within Counties.

Placer

Placer County used a ballot type for Senate Districts that crossed district lines. These ballot types are consolidated into a line item called Multiple Districts.

Sacramento

Sacramento County discovered 407 uncounted vote-by-mail ballots from 92 precincts in February 2013, after the county certified its Final Official Canvass. The uncounted votes were not included in the December 14, 2012, Statement of Vote and are not included in this Supplement to the Statement of Vote.

San Luis Obispo

San Luis Obispo County used ballot types that crossed district lines. In the sections for Supervisorial Districts, these ballot types are consolidated into a line item called Multiple Districts.
