\* Under the Top Two Candidates Open Primary Act, the Secretary of State is required to provide the political party preference history for the preceding 10 years for candidates for voter-nominated offices. The information above was provided by candidates on their Declaration of Candidacy forms. If a candidate provided more than 10 years of political party preference history, that information is not included on this page. If a candidate provided voter registration information outside of California, that information is not included on this page. As of January 2011, candidates who were previously identified as Decline-To-State or DTS are now identified as No Party Preference. If candidates identified themselves as Decline-To-State, DTS, DS, Non-Partisan, or Independent on their Declaration of Candidacy forms, those designations have been changed to "No Party Preference" on this page.
