

State VAAC Working Group: Outreach to Voters with Disabilities

July 17, 2024

The work group is asking the committee to approve sending the following questions to the Secretary of State.

From: State VAAC Working Group: Outreach to voters with disabilities

Purpose of working group:

- To reach the unreachable.
- To Provide counties with ideas and resources on how to reach voters with disabilities who may not affiliate with an organization.

Questions for SOS

1. What statewide PSA's, social media posts or other platforms does the SOS use for voter outreach?
2. What communication strategies (PSA's, social media, etc.) are planned for voter outreach for the upcoming election?
3. Can the SOS assist the committee by asking all counties the following questions about how they conduct outreach to voters with disabilities
 - A. How do you conduct outreach to voters with disabilities not affiliated with an organization?
 - B. What resources would help you reach voters with disabilities who are not affiliated with an organization?

Note: Information gathered will help create a comprehensive list of best-practices, ideas and resources that can be shared with all counties.
