I. VOTER EDUCATION AND OUTREACH – GENERAL

§4005(a)(10)(I)(i)(VI)

Gregory J. Diaz, Nevada County Clerk-Recorder/Registrar of Voters, has made significant efforts to educate the community at large in Nevada County regarding the California Voter's Choice Act (VCA). See Appendix A for publications and other materials regarding voter education and outreach.

In addition, the Nevada County Elections Office formed a Voter Education and Outreach Committee to establish how to best educate and reach the Nevada County community regarding the VCA. The committee was established on August 29, 2017, and had its second meeting on October 12, 2017. See Appendix B for materials regarding this committee.

Media and Public Service Announcements

§4005(a)(10)(I)(i)(III), §4005(a)(10)(I)(i)(VIII)

The Nevada County Elections Office will use a variety of media and public service announcements in accessible formats to educate the voting-age population in Nevada County and to promote the toll-free voter assistance hotline (1-888-395-1298). Media will include, but not be limited to, newspapers, radio, television, and social media. The following Nevada County media outlets have been chosen with consideration of their target audience, frequency of publication, reach, accessibility, and consultation with the public.

Newspapers: *The Union*, *Sierra Sun*, and *Nevada City Advocate*

Online News Sources: *YubaNet*

Radio: KNCO and KVMR

Television: NCTV

Social Media: Facebook and Twitter

Significant efforts for educating potential voters through the abovementioned media will be implemented in April 2018. The Nevada County Elections Office believes the best approach would be to educate voters nearer to the June 2018 Election rather than several months prior.

Through consultation with the public and the Voter Education and Outreach Committee, it has been decided that *The Union* and *YubaNet* will be the primary media for which voter education and outreach will occur. Radio and secondary newspapers will also be used to reach a wider audience. KNCO and KVMR are the two most popular local radio stations in Nevada County and have a variety of programming that appeals to different demographics. *Sierra Sun* and *Nevada City Advocate*, both free newspapers, will also be used to reach as many potential voters as possible.

See Appendix C for more information regarding the choice of media sources.

Having a Community Presence

§4005(a)(10)(l)(i)(III)

The Nevada County Elections Office will educate the voters in Nevada County by having a community presence. The primary way Nevada County Elections will achieve this is by partnering with established community based organizations to reach their target audiences via newsletters, emailing, social media, websites, and/or events. These organizations will receive official media for purposes of education and outreach from the Nevada County Elections Office.

The Nevada County Elections Office has had meetings with the public and will continue to have meetings with community members. Furthermore, the department will also provide materials for or attend local events that are recommended by our staff and community members.

Directly Contacting Voters

§4005(a)(10)(l)(i)(X)

Nevada County Elections will make two direct contacts with voters for purposes of informing voters of the upcoming election and promoting the toll-free voter assistance hotline. These contacts will be in addition to other required contacts with voters including, but not limited to, sample ballots and the delivery of vote by mail ballots.

One direct contact will be a mailing to all registered voters in Nevada County informing them that a vote by mail ballot will be sent to all registered voters regardless of vote by mail preference. A second contact will be a mailing sent to all voters who did not apply to be vote by mail. This mailing will be sent after ballots have been mailed informing these voters of their voting options at vote centers if they would prefer to vote in person and options for returning their vote by mail ballots.

Using Resources to Ensure Voters are Informed

§4005(a)(10)(l)(i)(VII)

The Nevada County Elections Office will spend the necessary resources on voter education and outreach to ensure that voters are fully informed about the election conducted in accordance with the Voter's Choice Act. See Appendix K for specific information regarding the education and outreach budget for the June 2018 Primary Election as well as a comparison of this budget with the voter education and outreach budget for the June 2014 Primary Election.

II. VOTER EDUCATION AND OUTREACH – VOTERS WITH ACCESSIBILITY NEEDS

The Nevada County Elections Office formed a Voter Accessibility Advisory Committee (VAAC) to establish how to best educate and reach the disability community in Nevada County regarding the VCA. The committee was established on August 29, 2017, and had its second meeting on October 13, 2017. The committee members are well connected to the disability community and will assist in developing plans to best serve the voters with disabilities in Nevada County. Please see Appendix D for materials regarding this committee.

Educating the Disability Community – Voter Education Workshop

§4005(a)(10)(l)(i)(VI)(ib)

The Nevada County Elections Office will be holding one voter education workshop to increase accessibility and participation of eligible voters with disabilities in Spring 2018. The date, time, and location of this workshop will be publicly announced at least 10 days prior to its scheduled time.

Accessible Voting Materials and Ballots

Accessible Website

§4005(a)(10)(l)(i)(IV)

The Nevada County Elections website is an accessible website per standards recommended in §2053(b)(4). The Nevada County Elections Office will work with the Nevada County Information Services staff to ensure that all election information is available in a text-based format on the accessible website.

Accessible Services Available at Vote Centers and Ballot Dropoff Locations

§4005(a)(10)(l)(vi)(X)

Each vote center will have accessible parking available and will be ADA compliant. Vote centers will be surveyed by staff to ensure that each vote center has the equipment and materials needed to be ADA compliant. All vote centers will be equipped with at least three accessible electronic voting machines (HART eSlates) and have paper ballots available if desired. These electronic voting machines will have the option of an audio ballot and a connection for sip-and-puff technology. Our staff will be trained to assist any voter in the best way possible.

All exterior and interior ballot dropoff locations will be accessible and as near to public transportation routes as possible. The 24-hour ballot dropoff location at the Nevada

County Government Building (Rood Center) is accessible and on a public transportation route.

Requesting an Accessible Vote by Mail Ballot

§4005(a)(8)(B)(iii)

All registered voters will receive a vote by mail ballot. A postage-paid postcard for the purpose of requesting an accessible vote by mail ballot will be included in the vote by mail ballot materials sent to each voter. Voters needing an accessible vote by mail ballot will be able to request one by filling out the included postage-paid postcard and returning it to the Nevada County Elections Office or by following instructions posted on the Nevada County Elections website.

Requesting a Replacement Ballot

§4005(a)(10)(I)(ii)

Voters with disabilities can request a replacement ballot two ways: (1) by mail or (2) by visiting any vote center. Voters who would like to request a replacement ballot by mail may do so by following instructions on the Nevada County Elections Office website. The last day replacement vote by mail ballots can be **mailed** is seven days before the election. Voters with disabilities can also visit any vote center to receive a replacement ballot or to vote on accessible voting equipment.

Toll-Free Hotline for Deaf and Hard of Hearing Voters

§4005(a)(10)(I)(vii)

The Nevada County Elections Office has a toll-free hotline for deaf and hard of hearing voters available Monday – Friday: 8:00 am – 5:00 pm and 7:00 am – 8:00 pm on Election Day. The toll-free hotline number will be posted on the Nevada County Elections website and in voting materials sent to voters.

Addressing Disparities in Voter Accessibility and Participation

§4005(a)(10)(I)(iii)

After any election that is conducted in compliance with the Voter's Choice Act, the Nevada County Elections Office will make a reasonable effort to address significant disparities in voter accessibility and participation. The Nevada County Elections Office will meet with the Nevada County VAAC to address and discuss any issues that ensued during the election. Furthermore, the Nevada County Elections Office will survey all vote center staff to evaluate and address any disparities regarding voter accessibility and participation.

III. VOTER EDUCATION AND OUTREACH – LANGUAGE MINORITY COMMUNITIES

The Nevada County Elections Office formed a Language Accessibility Advisory Committee (LAAC) to establish how to best educate and reach the language minority communities in Nevada County regarding the VCA. The committee was established on August 29, 2017, and had its second meeting on October 11, 2017. The LAAC will assist in how to best reach the Spanish speaking population in Nevada County. See Appendix E for materials regarding this committee.

Educating the Language Minority Communities

§4005(a)(10)(l)(i)(VI)(ia)

Media and Public Service Announcements

§4005(a)(10)(l)(i)(l), §4005(a)(10)(l)(i)(IX)

Nevada County does not have any media outlets that are specific to the Spanish speaking population. Therefore, the Nevada County Elections Office has consulted with the public and the Nevada County LAAC to establish a list of community partners that can assist with educating the Spanish speaking communities in Nevada County. Public service announcements for purposes of informing voters and promoting the toll-free voter assistance hotline will be posted in Spanish in *The Union* and *Sierra Sun*.

Bilingual Voter Education Workshop

§4005(a)(10)(l)(i)(VI)(ia)

The Nevada County Elections Office will be holding one bilingual voter education workshop to increase outreach and participation of the Spanish speaking community in Nevada County in Spring 2018. The workshop will be translated into Spanish. The date, time, and location of this workshop will be publicly announced, in English and Spanish, at least 10 days prior to its scheduled time.

Spanish Toll-Free Voter Assistance Hotline

§4005(a)(10)(l)(vii)

The Nevada County Elections Office will provide a toll-free voter assistance hotline for Spanish speakers in Nevada County. This hotline will be operational 29 days before the election through 5:00 pm the day after the election. The number for this hotline will be posted on the Nevada County Elections website and in voting materials sent to voters.

Identifying Language Minority Voters

§4005(a)(10)(l)(i)(V)

The Nevada County Elections Office identifies language minority voters by their language preference indicated on voter registration forms. Minority language voters may also email or call the Nevada County Elections Office to designate their language preference. We collect and store this data in our election management system. Furthermore, we receive information about the language minority communities from the United States Census Bureau.

DRAFT

IV. VOTE CENTERS

There will be a total of seven vote centers available to all voters in Nevada County. Below is a list of all vote centers including their locations and hours of operation.

§4005(a)(10)(I)(vi)(I), §4005(a)(10)(I)(vi)(III), §4005(a)(10)(I)(vi)(VI)

Vote Centers Open 29 Days Before the Election Through Election Day

§4005(a)(4)(A)

Nevada County Elections Office

950 Maidu Avenue, Suite 210

Nevada City, CA 95959

Hours of Operation:

Monday – Friday: 8:00 am – 5:00 pm

The two weekends before election: TBD

Election Day: 7:00 am – 8:00 pm

Vote Centers Open 10 Days Before the Election Through Election Day

§4005(a)(4)(A)

Truckee Location

Address

City, CA Zip

Hours of Operation:

Monday – Friday: TBD

The two weekends before election: TBD

Election Day: 7:00 am – 8:00 pm

Vote Centers Open 3 Days Before the Election Through Election Day

§4005(a)(3)(A)

Grass Valley Location (1)

Address

City, CA Zip

Hours of Operation:

Saturday – Monday: TBD

Election Day: 7:00 am – 8:00 pm

Grass Valley Location (2)

Address

City, CA Zip

Hours of Operation:

Saturday – Monday: TBD

Election Day: 7:00 am – 8:00 pm

Penn Valley Location

Address

City, CA Zip

Hours of Operation:

Saturday – Monday: TBD

Election Day: 7:00 am – 8:00 pm

South County Location

Address

City, CA Zip

Hours of Operation:

Saturday – Monday: TBD

Election Day: 7:00 am – 8:00 pm

Truckee Location (2)

Address

City, CA Zip

Hours of Operation:

Saturday – Monday: TBD

Election Day: 7:00 am – 8:00 pm

Mobile Vote Centers

§4005(a)(10)(B)(xiv)

The Nevada County Elections Office is determining remote locations within the county that would benefit from having a mobile vote center. The locations and hours of operation for these mobile vote centers will be available to the public on the Nevada County Elections website and in voting materials sent to voters. All mobile vote centers will have the same functionality as any established vote center.

Map of Vote Centers

§4005(a)(10)(l)(vi)(V)

See Appendix F for a map of all vote centers in Nevada County. See Appendix G for a description of vote center and ballot dropoff location placements and demographic maps of Nevada County.

Vote Center Details

Staffing Vote Centers

§4005(a)(10)(l)(vi)(IX)

Each vote center will tentatively have at least four paid staff members including a vote center manager. The vote centers located in Truckee will have at least one staff member who is fluent in English and Spanish.

Design and Layout of Vote Centers

§4005(a)(10)(l)(vi)(XI)

Vote centers will be designed in a way to ensure each voter has the right to cast a private and independent ballot. Voting equipment and ballot drop boxes will be placed strategically in the vote center so that they are easily identifiable by voters and can be monitored by vote center staff. See Appendix H for the design and layout of vote centers.

Security and Contingency Plans

§4005(a)(10)(l)(vi)(VIII)

Ensuring the Security of Voting

§4005(a)(10)(l)(iv)

The Nevada County Elections Office will ensure the security of voting conducted at vote centers using the following methods and standards.

- Every vote center staff will be well trained and prepared to assist eligible voters in every way possible.
- Vote center staff will have access to the election management system (DIMS) and will be able to determine if a voter is properly registered, whether the voter has received a ballot, whether the voter has returned a ballot, and what type of ballot to issue the voter to ensure every eligible voter casts the ballot he or she is eligible to vote in each election.

- Furthermore, all laptops connected to the election management system will also be connected to VoteCal, the official statewide voter registration database managed by California Secretary of State. VoteCal will track voters across the state and notify vote center staff if a voter is actively registered in another county and if the voter has received and/or returned a ballot in another county.
- Any and all equipment that will be connected to the election management system's server will be in full compliance with all security measures and regulations (§20158) with the assistance of Nevada County Information and General Services staff.
- Each vote center will have equipment, resources, and signage placed strategically to ensure every voter has the opportunity to cast a private and independent vote.
- The HART Intercivic voting equipment (JBC, eSlate, and eScan) will not be connected to any network. All equipment will be sealed with official election seals and will be shut down and locked when vote centers are not open.
- Any and all recorded votes, including paper ballots, ballots submitted on voting equipment, CVR ballots, provisional ballots, and vote by mail ballots, will be securely transported to the Nevada County Elections Office daily after the vote center closes.

Prevention Measures and Potential Disruptions

§4005(a)(10)(l)(vi)(VIII)(ia), §4005(a)(10)(l)(vi)(VIII)(ib)

All elections and vote center staff will be well trained and prepared for potential disruptions at vote centers. The Nevada County Elections Office will have an experienced warehouse staff on duty to be able to distribute needed replacement materials and equipment. Furthermore, the warehouse staff will be equipped to troubleshoot equipment. All vote centers will have cell phones in order to connect quickly with elections and warehouse staff when necessary. See Appendix I for a list of potential disruptions and responses that will be implemented by elections and vote center staff should a disruption occur.

V. BALLOT DROPOFF LOCATIONS

There will be at least five ballot dropoff locations in Nevada County. All ballot dropoff locations will be open 28 days before the election through Election Day. Please note that each ballot dropoff location has specific days and hours of operation.

§4005(a)(1)(A), §4005(a)(10)(I)(vi)(II)

24 Hour Ballot Dropoff Locations

§4005(a)(1)(B)

Nevada County Government Building, Rood Center

950 Maidu Avenue
Nevada City, CA 95959

Hours of Operation:

Open until 8:00 pm on Election Day
Outside and Accessible

Daytime Ballot Dropoff Locations

§4005(a)(10)(I)(vi)(IV), §4005(a)(10)(I)(vi)(VII)

Location

Address
City, CA Zip

Hours of Operation:

Map of Ballot Dropoff Locations

§4005(a)(10)(I)(vi)(V)

See Appendix J for a map of ballot dropoff locations in Nevada County. See Appendix G for a description of vote center and ballot dropoff location placements and demographic maps of Nevada County.

VI. ESTIMATED SHORT-TERM AND LONG-TERM COSTS AND SAVINGS

§4005(A)(10)(I)(v)

The Nevada County Elections Office has determined that costs will exceed savings with the first implementation of the VCA. However, the Nevada County Elections Office predicts that over time conducting elections in accordance with the VCA will encourage savings based on evidence from Colorado who implemented a similar elections model. According to a report published by *The PEW Charitable Trusts*, election costs declined 40% on average after the implementation of Colorado's Voter Access and Modernized Elections Act of 2013.

Estimated short-term costs include purchasing ballot on demand printers for all vote centers that will enable staff to print all ballot types within the county for that election. Included in short-term costs are the purchasing of laptop computers and monitors for vote center staff to have the ability to process voters directly in the election management system. Additional short-term costs include, but are not limited to, secure internet connections at all vote centers, extensive training for staff, purchasing of ballot drop boxes, and facility rentals.

Anticipated long-term savings include decreased costs for equipment, including the purchasing of new equipment and equipment maintenance, ballot printing, and labor.

See Appendix K for an example of the budget and expected costs and savings for the June 2018 Primary Election as compared to the June 2014 Primary Election.

The following pages include publications, meeting materials, and media regarding the California Voter's Choice Act that will be implemented in Nevada County in June 2018.

Vote Centers: Easier to Vote, and Reducing the Costs of Elections

February 28, 2017

By Gregory J Diaz
Nevada County Clerk-Recorder and
Registrar of Voters

Starting with elections in 2018, Nevada County voters will find it easier to cast a ballot, thanks to the new California Voter's Choice Act, SB450.

Under the act, Nevada County is one of fourteen California counties that will enable voters to take the ballot that will be automatically mailed to all our registered voters and cast that ballot in a very convenient place if they choose not to mail it in.

The new process will doubtless save the County money. According to a 2016 Pew Research Report citing facts from Colorado's law, passed in 2013, election costs decreased on average by 40 percent. Currently, Nevada County has 48 polling stations. Under the new law, we'll have 7 Vote Centers.

The new California law transforms the voting process like this:

- Every registered Nevada County voter will receive a ballot, in the mail, 28 days before the election.
- Registered voters may return their ballots by mail, just like in the recent past.
- Or, if they choose, registered voters can cast their ballots at any Drop-Off location, or at any of the new Vote Centers that will be implemented next year. All will be listed in the ballot material.
- At Vote Centers, a voter may also obtain a replacement ballot or arrange for conditional same-day registration.

Nearly 78 percent of the 68,829 registered Nevada County voters are vote-by-mail. Approximately 80% of the mail ballots cast in the November Election was returned for processing.

The new Vote Centers and Drop-Off Locations will make it simpler for those who don't wish to mail in their ballots. Rather than having to go to a single designated polling place, voters can go to any Vote Center or Drop-Off Location.

Some Vote Centers will open as early as ten days before the election, and beginning on the Saturday before Election Day, Nevada County will have at least seven Vote Centers open through Election Day, and as many as five Drop-Off Locations.

The Vote Centers will also serve as problem-solving hubs for voters with questions.

As Registrar of Voters, my primary goal is to conduct elections that are safe and secure, as well as fair, accurate and accessible. During my nine plus years of service in Nevada County we have made great strides and introduced many changes and innovations. As a result, I can say with confidence that our elections process, from registration to tabulation, is second to none.

But I believe that we can always improve and this new voting process will do just that. We will also seek to assure that no barrier exists to discourage any voter from casting a ballot —a process I believe will assure that more of our fellow citizens participate in our democracy.

For example, security within Vote Centers will be a paramount issue. Each Vote Center will have an electronic mechanism for county staff to immediately access, at a minimum, all relevant voter registration data, such as name, address, date of birth, language preference, party preference and precinct.

The mechanism used to access this registration data will not be connected in any way to the system for verifying and tabulating ballots. Staff will be able to determine instantly whether a voter's ballot has already been cast, making it impossible for anyone to vote more than once.

It is incumbent on me, as Registrar of Voters, to develop a draft plan detailing how I will conduct elections under this new law. The law requires that I consult with the public before sending the plan to the California Secretary of State for approval, which I, of course, will do.

In addition, I will, as required, hold education workshops with community groups, including organizations that assist voters with disabilities and language minority communities.

Personally, I'm very pleased with this new, efficient, cost-effective law. Administration will be lean and efficient, with fewer election workers at fewer locations, enabling us to recruit experienced, qualified workers and utilize fewer supplies and machines. That's what happens when you drop down from 48 voting places to 7.

And there are other positive aspects to this wise law. Accessibility, such as under Americans with Disabilities Act (ADA) or Help America Vote Act (HAVA), will be easier and less expensive. Political parties and candidates will need fewer poll watchers. Provisional voting will be simpler: there will be no "wrong place" to vote.

In short, the new law makes the entire elections process more like it should be: easier for voters, as secure and accurate as possible, and less expensive than the current system.

And here's my pledge: I will implement this new system with full coordination with all County officials and with our primary constituency: you, the citizens of Nevada County.

GREGORY J. DIAZ

June 6, 2017

Dear Community Group Member:

The Nevada County Elections Office would like to invite you to participate in a special forum addressing California's recent voter legislation, California Voter's Choice Act, SB 450.

While SB 450 will not be implemented statewide until 2020, Nevada County has been selected as one of 14 pilot counties to enact the new changes to our voting processes effective for the 2018 Elections. These will include; every registered voter receiving a vote-by-mail ballot, centrally located full-service Vote Centers, conveniently located Drop-Off Locations, same day voter-registration and expedited results on Election Day.

The goal of the SB 450 legislation is to make voting more accessible for everyone by modernizing the voting process. In addition, the more streamlined process will significantly decrease election costs in the future. Achieving a successful implementation of the California Voter's Choice Act will create a smoother voting process and increase voter participation.

Please join us on June 15, 2017 at 10:00 am in the Providence Rooms at the Rood Center, for an informational workshop regarding this new election legislation. We value you your ideas, feedback and participation in the process.

Sincerely,

Gregory J. Diaz

Nevada County Clerk-Recorder/Registrar of Voters

GREGORY J. DIAZ

June 12, 2017

Dear Community Group Member:

Due to scheduling conflicts, the Nevada County Elections Office is rescheduling the California Voter's Choice Act SB 450 Forum for June 22nd, at 1:30. It was originally scheduled for June 15th at 10 am. Please note the forum will still be held in the Providence Rooms at the Rood Center.

We hope to see you there.

Sincerely,

Gregory J. Diaz

**MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT
CALIFORNIA VOTER'S CHOICE ACT/SB 450 FORUM
1:30 P.M., THURSDAY, JUNE 22, 2017**

Providence Mine Rooms
Rood Center
250 Maidu Avenue, Nevada City, California

“Modernizing the Election Process”

June 22, 2017

AGENDA

A. INTRODUCTIONS/ OTHER VOICES

Staff: Greg Diaz, Sandy Sjoberg, Abby Kelly, Teal Caddy and Gwynn Waldsmith
Mike Somers, California SOS; Mary Ann Townsend; Geoff Flynn, KNCO; Ben Avansino, League of Women Voters; Joey Jordan, League of Women Voters; Eddie Garcia;
Itara O’Connell; Kristian Hamilton

Copies of the March 1, 2017 *Other Voices* opinion piece by Greg Diaz, were made available to attendees. Mr. Diaz spoke briefly about the piece and encouraged attendees to read it.

B. CALIFORNIA VOTER’S CHOICE ACT POWERPOINT

Presented by Sandy Sjoberg and Abby Kelly

After the PowerPoint presentation, Sandy Sjoberg answered multiple questions from the attendees. Eddie Garcia asked for clarification on the electronic transmittal of voter information at the vote centers in regard to same-day conditional voter registration. Mrs. Sjoberg explained the security involved with networks and the Elections Department EMS (elections management system), DIMS. She also directed Mr. Garcia to contact the Secretary of State’s Office for more information. Mrs. Sjoberg emphasized that as with any election model, SB 450 will not eliminate voter fraud. Itara O’Connell inquired about how someone would apply to work at a vote center. Mr. Garcia raised concerns in regard to the reduced number of citizens that would be working since polling locations would be reduced to 7 vote centers for the entire county. Mrs. Sjoberg explained that despite the reduced number of staff that would be required, there were still opportunities for the public to participate including working at the Vote Centers. She clarified however, that due to the length of time that Vote Centers will now be open, staff will be required to work multiple 8 hour days as well as attend extensive training classes. Mrs. Sjoberg stressed however, that the public is always welcome to observe the elections process in our office. One of our goals is transparency and education, both of which are accomplished by voters observing first-hand the election process including the post-election canvass.

C. CALIFORNIA VOTER'S CHOICE ACT:

Key elements and the implementation process

a. Public outreach

More public meetings will be scheduled in the coming months to explain SB 450 and its implementation as well as to encourage voter input. Mr. Diaz will have the next date available shortly.

b. Voter Accessibility and Language Assistance

Joey Jordan, representing the League of Women Voters, mentioned that their organization has a structured outreach plan already in place for the Spanish speaking population in Truckee. They would be willing to share that with our department. Ms. Jordan also suggested the following avenues of outreach; social media, print media, radio and Moonshine Ink.

Mrs. Sjoberg has been in contact with the Disability Community Advocate from FREED, Carl Sigmond. The Elections Department and FREED will be working together to promote and improve voter accessibility at our vote center locations.

c. Vote Centers and Drop-Off Locations

There will be 7 vote centers available to Nevada County voters. Two Vote Centers will be available 10 days prior to the election, with 5 more being added 4 days prior to and including Election Day. Vote Centers will serve as problem solving hubs as well as providing in-person voting for those whom wish to not return their ballot by mail.

Drop-Off locations will be available for 28 days prior to the election. These locations will be based on demographics, voter feedback and accessibility. One location will be accessible 24 hours a day, 7 days per week.

d. Adoption of detailed plan approved by California SOS

The Nevada County Elections Department must submit a detailed draft plan regarding all facets of implementing SB 450, including voter outreach, education, language assistance and voter accessibility.

D. MAIL BALLOTS

All registered voters will automatically receive a vote-by-mail ballot beginning 28 days prior to the election. The voter will have 3 options for returning the ballot; by mail, Drop-Off locations or at a Vote Center.

Based on returns from the November 2016 General Election, approximately 77% of Nevada County's voters, vote-by-mail.

The Nevada County Elections Department is looking into instituting a new ballot tracking system that is more advanced than the one we currently use.

E. PUBLIC COMMENT/QUESTIONS AND ANSWERS

Joey Jordan, League of Women Voters, suggested that perhaps other county departments could assist us in picking up ballots on a daily basis. Ms. Jordan also wanted everyone to know that the organization is very focused on educating voters in regard to the SB 450 legislation.

Mr. Garcia asked if the new Vote Center model would change the traditional precincts that are currently in use. Mr. Diaz answered that he must do what the SOS directs him to do, in that regard. As of now, there are no plans to change the precincts.

NOTICE OF PUBLIC MEETING

NOTICE FROM THE NEVADA COUNTY CLERK-RECORDER-REGISTRAR OF VOTERS THAT A PUBLIC MEETING WILL BE HELD FOR WHICH THREE COMMITTEES WILL BE ESTABLISHED FOR VOTER OUTREACH REGARDING THE CALIFORNIA VOTER'S CHOICE ACT/SB 450.

NOTICE IS HEREBY GIVEN by Gregory J. Diaz, Nevada County Clerk-Recorder-Registrar of Voters, in accordance with the provisions of the Elections Laws of the State of California, that on Tuesday, August 29, 2017, there will be three public meetings in Providence Mine Room A at the Nevada County Rood Center.

NOTICE IS FURTHER GIVEN that the three committees to be established will be 1. Voter Education and Outreach (9:30-10:30 am) 2. Language Accessibility (10:30-11:30 am) 3. Voting Accessibility (2:00-3:00 pm).

NOTICE IS FURTHER GIVEN that any interested members of the public may sign-up for one of the committees by contacting the Nevada County Elections Office at 530-265-1298 or email at elections.mail@co.nevada.ca.us . August 18th is the deadline for sign-ups.

Gregory J. Diaz
Nevada County Clerk-Recorder/Registrar of Voters

Voter's Choice Act Sign Up for the Voter Education Workshops

August 11, 2017

By Gregory J. Diaz
Nevada County Clerk-Recorder and
Registrar of Voters

Three workshops to educate Nevada County voters on critical aspects of next year's new voting processes under California's Voter Choice Act take place on August 29th, however signups must be received by August 18th.

Signups can be made with the Nevada County Elections Office by phone at 530-265-1298, or by email at elections.mail@co.nevada.ca.us. If you miss this deadline, do not fret. Give us a call or send an email and we will sign you up.

The workshops are an integral part of the new elections process that begins in 2018. The new process will make it easier to vote, will reduce the costs of elections and make the voting process even more secure than it has been. All workshops take place in the Providence Mine Room at the Nevada County Rood Center.

The first workshop, at 9:30 a.m. on the 29th, will address Voter Education and Outreach. It will include a detailed explanation of how the Elections Office will use a comprehensive outreach program utilizing social media, newspapers, radio and television to inform voters of the new process. This session should be valuable for any voter who wishes to understand the new election process, and it will also be useful to those who may wish to participate in the elections process itself.

At 10:30 a.m. a workshop on Language Accessibility takes place, with emphasis on how the new voting process can be utilized effectively by voters for whom English is a second language.

Then, at 2 p.m., a workshop on Voting Accessibility begins, providing detailed information on how our office will work to provide increased accessibility and participation of eligible voters with disabilities under the new laws.

Our goal is to do everything in our power to make it possible —and easy — for every one of our nearly 70,000 registered voters to cast a ballot. We also want to make sure that every vote that is cast is counted correctly. And we are certain that we have done all that is necessary to assure that the only votes counted in Nevada County elections are those cast by lawfully registered voters. How we will continue to accomplish all this under the Voter Choice Act is what the workshops will explore.

Under the new election system, it will be impossible for anyone to vote more than once.

This new voting system, adopted by Nevada County and thirteen other California counties, came about through the California Voter's Choice Act (SB450), which was signed into law in September 2016. It transforms voting in several ways:

- Elections are all mail, that is, every registered voter will receive a ballot in the mail 28 days before the election.
- Voters can return their ballots by mail, as in the past.
- Or, voters can drop off their ballots at one of the designated Drop-Off Locations or seven Vote Centers strategically located to make it easy for voters to reach. All of these locations will be listed in the ballot material sent to voters.
- Vote Centers will also serve as problem solving hubs for voters; for instance if a ballot was mismarked, or a ballot not received, voters can go to any of the Vote Centers to get a replacement ballot or have any other issues addressed quickly.
- Same-day registration will also be available at these Vote Centers.

I urge anyone who wants to know all they can about elections to sign up by next Friday, and attend any or all workshop sessions on August 29.

It is my firm belief that California's elections are more efficient, honest and secure than any other state's. I am equally sure that Nevada County's new election process will be as good as it can possibly be. Come to a workshop and find out why I feel this way.

NOTICE OF PUBLIC MEETING

NOTICE FROM THE NEVADA COUNTY CLERK-RECORDER-REGISTRAR OF VOTERS THAT A PUBLIC MEETING WILL BE HELD FOR WHICH THREE COMMITTEES WILL HAVE A SUBSEQUENT MEETING FOR VOTER OUTREACH REGARDING THE CALIFORNIA VOTER'S CHOICE ACT/SB 450.

NOTICE IS HEREBY GIVEN by Gregory J. Diaz, Nevada County Clerk-Recorder-Registrar of Voters, in accordance with the provisions of the Elections Laws of the State of California, that between, October 11th through October 13th, 2017, there will be three public meetings held in Nevada County.

NOTICE IS FURTHER GIVEN that the Language Accessibility Committee meeting will be held October 11th (1:30pm-2:30pm) at the Family Resource Center of Truckee, 11695 Donner Pass Road, Truckee California 96161.

NOTICE IS FURTHER GIVEN that the Voter Education and Outreach Committee will be held October 12th (5:30pm-6:30pm) in the Gene Albaugh Community Room, 980 Helling Way, Nevada City, Ca 95959.

NOTICE IS FURTHER GIVEN that the Voting Accessibility Committee meeting will be held October 13th (1:30pm-2:30pm) at FREED Center for Independent Living, 2059 Nevada City Highway #102, Grass Valley, Ca 95945.

NOTICE IS FURTHER GIVEN that any interested members of the public may sign-up for any of the committee meetings by contacting the Nevada County Elections Office at 530-265-1298 or email elections.mail@co.nevada.ca.us.

Nevada County Clerk-Recorder/Registrar of Voters

Nevada County Elections Department seeks community input on new Voter's Choice Act

Submitted to The Union

October 11, 2017

The Nevada County Elections Department will be holding Voter's Choice Act committee meetings to gain community input regarding the new law set to start in Nevada County January 1, 2018. Committee meetings will take place from 5:30 to 7 p.m. on October 12 at the Gene Albaugh Community Room, 980 Helling Way in Nevada City for education and outreach. Additionally a Voter Accessibility committee meeting will take place from 1:30 to 2:30 p.m. October 13 at FREED, 2059 Nevada City Highway, Suite 102 in Grass Valley. Everyone is welcome to attend, and it provides community members the opportunity to meet with the staff of the Nevada County Elections Department. For more information, contact the Nevada County Elections Department at 530-265-1298.

VCA

Voter's Choice Act: Modernizing the Voting Experience

Current

BALLOT BY REQUEST

1 DAY

1 LOCATION

1 DEVICE

Future

ALL MAILED BALLOT

UP TO 10 DAYS

7 LOCATIONS

ALL DEVICES

Voters can only vote at **one** location on **one** day between 7am and 8pm

Voters can vote at **any** vote center, equipped with fully accessible equipment, county-wide

Limited voting to early voting at **one** location in the County

Full service early voting available at **any open** vote center

Paper rosters are printed in advance and often require supplemental printing

Electronic rosters accessing data in **real time**, and same day registration

Vote by Mail ballots can be difficult to use for many with no dropoff locations available

Vote by Mail ballots are accessible and easier to use with many dropoff locations

California's voting system is in need of modernization. Voters should be able to vote when, where and how they want. VCA is important in accomplishing these goals.

Nevada County Elections

August 29, 2017, 9:30-10:30 am

Agenda

- I. Staff introductions
- II. Attendee introductions
- III. Overview of Voter's Choice Act (VCA)
 - a. Vote by mail and vote center model
 - b. Conditional Voter Registration
- IV. Voter Education and Outreach
 - a. Nevada County's objectives for voter education and outreach.
 - i. To establish that the Voter's Choice Act is a modernization of the voting process. It will make voting and its administration more efficient.
 - ii. To establish that every registered voter will be receiving a vote by mail ballot regardless of having signed up for one.
 - iii. To establish that at any vote center you can: vote in person, drop off your ballot, or receive a replacement ballot.
 - iv. To establish that you can vote at any vote center you want 10 days before the election through Election Day. You are no longer limited to a single polling place.
 - v. To establish that ballots can be returned by mail, at a vote center, or at any official dropoff location.
 - b. Requirements per Elections Code 4005 (a)(10)(I)(i) regarding voter education and outreach
 - i. Use of media and public service announcements to educate voters about VCA
 - ii. How elections office will have a community presence
 - iii. How we will provide accessible ballots and reach the disability community
 - iv. Communicate how we will spend extra resources for increased voter education and outreach for this election
 - v. Two additional direct contacts to voters
- V. Closing
 - a. Feedback appreciated
 - b. Follow up meeting to be held in 1-2 months
 - c. Q&A

Feedback

Your feedback is much appreciated! Please answer the following questions and send your response to **Kristian Hamilton** (see email below). These responses will be published in a public Google Doc located at <https://tinyurl.com/VCAoutreach>. Please let us know if you would prefer your responses to be anonymous.

1. How can the elections department have a community presence in Nevada County? Who should we partner with? Where should we be?
2. What media outlets do you think reach most people in Nevada County?
3. What events would be most effective and appropriate for educating voters about the Voter's Choice Act and vote center model for elections?
4. Do you foresee any conflicts or confusion arising regarding this change in election procedure in specific areas or communities in Nevada County?
5. Please state any other ideas, comments, or concerns about voter education and outreach regarding the Voter's Choice Act.

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT Voter Education and Outreach Committee Meeting

9:30 A.M. Tuesday, August 29, 2017
Providence Mine Rooms
Rood Center
950 Maidu Avenue, Nevada City, California

Voter Education and Outreach

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Greg Diaz, Kristin Kopec, Kristian Hamilton, Teal Caddy, and Janice Gosalvez

Claudia Taylor, Helen Hall, David Briggs, Doug Bianchi, Judy Price, Carroll Kuczora, Bob Branstrom, Hilary Hodge, Camille Hald, Pau Spencer, Janice Bedayn, Fran Freedle, Mary Ann Townsend, Carl Sigmond, Chris Casey, Dora Rose, Bill Wasil, Jo Ann Rebane

Copies of SB 450/VCA flyers and agendas were provided to attendees.

Due to the circumstances of the meeting we were not able to identify all of the attendees who spoke at the meeting; therefore, all speakers will be identified as "attendee" hereinafter.

B. VOTER'S CHOICE ACT OVERVIEW

Presented by Kristin Kopec

Kristin explains what Nevada County Elections (hereinafter referred to as "we") has done in the past and what we will be doing going forward

1. The VCA will make it so every registered voter will be receiving a vote by mail ballot.
2. We will have a much smaller amount of vote centers than we did poll centers. We will have two open ten days before the election. Any voter from any county can vote their ballot or receive a paper ballot. Starting three days before the election we will have five additional locations open during normal business hours and those will be strategically placed in the county. We are trying to figure locations out right now, strategically placed based on elections code.

There will be drop off boxes starting 28 days before the election in our county we are required 5 drop off boxes, and have to be open 8 hours a day, one of them will be 24 hours. We have criteria to strategically place them.

3. Wanted to touch on Conditional Voter Registration. Previously, to be eligible you have to be registered or receive the registration 15 days before the election. Now people will be able to register and be able to receive a conditional voter registration envelope. People will be able to submit their registration and a ballot that will be processed later on.
4. We are required to do an Election Administration Plan to submit to the Secretary of State (“SOS”). It explains how we are going to do this, where our drop off locations are going to be, where our vote centers are going to be, and what we are going to do for education and outreach.
5. We will be having meetings to get input from our committees and community in the future.

C. GOALS FOR VOTER EDUCATION AND OUTREACH

Presented by Kristian Hamilton

Kristian explains goals for voter education and outreach

1. It’s important that we are able to distill this bill into a few easily digestible points. So we’ve come up with list of goals for education and outreach.
2. It’s important to frame these points so people can have an easier time understanding the VCA. Thinking of the VCA as a modernization of the voting process is a good starting point.
3. We wanted to establish that every registered voter will be receiving a vote by mail ballot regardless of having signed up for one.
4. Some people are going to get hung up because they want to vote in person but think because they get a VBM ballot they can’t.
5. Another point is to establish that at any vote center you can: vote in person, drop off your ballot, or receive a replacement ballot. A concern might be that some people are afraid of receiving a VBM ballot too early and then losing it, and thinking that they won’t be able to vote anymore.
6. We want to establish that you can vote at any vote center you want 10 days before the election through Election Day.
7. Our next point is to establish that ballots can be returned by mail, at a vote center, or at any official drop-off location.

D. REQUIREMENTS FOR EDUCATION AND OUTREACH BY THE VCA

Presented by Kristian Hamilton

Kristian explains the requirements in the VCA for education and outreach for the purposes of the committee

1. We need to use media to reach the community. These include social media, radio, and periodicals.
2. We are required to have a community presence, that part of what we are doing at this meeting.

3. We are required to provide accessible ballots and reach the disability community. We are required to give at least one workshop to increase accessibility and participation of eligible voters with disabilities. The media outreach we need to do has to be accessible.
4. We are required to have two additional direct contacts to voters via mailings.

E. PUBLIC COMMENT / QUESTIONS AND ANSWERS

An attendee had a concern that vote center hours of operations would not be convenient for people who work. Kristin Kopec responded that it is required in code to have those normal business hours of operation, but again they will be open Saturday and Sunday to cover people who work during the work week. There is also early voting in the Nevada County Election's office.

The same attendee was concerned about vote integrity and that the changes increase the margin for error. Kristin explains that we've been using the same processes in our office, and that we know how to ensure that one person votes one ballot.

The same attendee's last question was about the connectivity of counties within California. Greg Diaz explained that in 2016 California instituted VoteCal. VoteCal is a statewide registration database. With the advent of VoteCal, instead of only being able to look at a single county's registered voter we can look at them all. Each vote center will have connectivity to VoteCal. We will know what you did in other counties in near real time.

An attendee asked if the data that is going to the state is transferred immediately and how are we doing that. Greg Diaz explained that it is in near-real-time, it's very quick from VoteCal.

An attendee asked if the vote centers will be accessible from public transportation. Kristin explained that that is one of our criteria and we are taking it into consideration. We are looking at 14 different factors required by code.

An attendee had a concern that when laws are made in Sacramento they do not translate well to our county. Many parts of Nevada County do not have access to public transportation, and was concerned Elections will center everything on public transportation and disenfranchise our most rural community members. They stated how we really need to be concerned about rural community members. Greg Diaz responded we have a pretty good idea of the lay of the land here, we understand the demographics. The EAP is going to take into account Nevada County's unique challenges; everything is going to be presented to the public for feedback.

GREGORY J. DIAZ

**You are invited to the second
Voter Education and Outreach Committee Meeting
Thursday, October 12, 2017
5:30 pm – 7:00 pm
Gene Albaugh Community Room
980 Helling Way
Nevada City, CA 95959**

Good Morning,

The Nevada County Elections Department would like you to join us for our second Education and Outreach Committee meeting!

The meeting is taking place Thursday, October 12, 2017 in the Madelyn Helling Library's Gene Albaugh Community Room. The library is located on 980 Helling Way in Nevada City. We will begin at 5:30 pm and expect to go until 7:00 pm.

At the meeting we will be consulting the public about Voter's Choice Act education and outreach. We will also be looking at demographic maps and taking feedback on vote center and drop-off locations. We'll have a very rough draft of our Election Administration Plan that we put together with your input for review.

At the start we'll be reviewing some of the feedback we've received since our last meeting. You can look at that feedback here:

<https://tinyurl.com/VCAoutreach>

If you haven't yet emailed any feedback, or have anything else to add, you can still do so by sending it to Kristian at Kristian.Hamilton@co.nevada.ca.us or by replying to this email.

We hope to see you there!

Sincerely,

Kristian Hamilton
Nevada County Elections
(530) 265-1354

Kristian Hamilton | kristian.hamilton@co.nevada.ca.us | (530) 265-1354**

*Nevada County Elections
October 12, 2017, 5:30-7:00 pm*

Agenda

- I. Staff Introductions
- II. Attendee Introductions
- III. Feedback Review
- IV. Voter Education and Outreach
 - a. Media Outlet Advertising Plan
 - b. Community Presence
- V. Election Administration Plan
 - a. EAP Progress
 - b. Map Overview
 - c. Determining Vote Centers and Dropoff Locations
- VI. Closing

Feedback

Your feedback is much appreciated! Please answer the following questions and send your response to **Kristian Hamilton** (see email below). These responses will be published in a public Google Doc located at <https://tinyurl.com/VCAoutreach>. Please let us know if you would prefer your responses to be anonymous.

1. What events would be an effective venue for voter education and outreach, not necessarily for Nevada County itself to attend, but for community partners as well?
2. What are some organizations that the Elections Department can reach out to that have audiences we can reach?
3. Are there media outlets you think we should work more with over others? Do you feel there is a media source people in Nevada County pay more attention to over everything else?
4. Please state any other ideas, comments, or concerns about voter education and outreach regarding the Voter's Choice Act.

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT Voter Education and Outreach Committee Meeting

5:30 P.M. Thursday, October 12th, 2017
Gene Albaugh Community Room
Madelyn Helling Library
980 Helling Way, Nevada City, California

Voter Education and Outreach

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Gregory Diaz, Sandy Sjoberg, Abby Kelly, Teal Caddy, Janice Gosalvez, Kristin Kopec, Kristian Hamilton

Chris Casey, Ben Avansino, Bob Branstrom, James Schwab, Paul Spencer

Copies of the agenda, list of local media outlets, media plan survey, and a list of local organizations were given to attendees.

B. FEEDBACK REVIEW

Presented by Sandy Sjoberg

Sandy reviews every point of feedback the Elections Department received since the last Voter Education and Outreach Committee meeting.

Sandy addresses someone's emailed concern about the reliability of the electronic registration database. An attendee then asks if this is a common concern, and then if information about the strength of the voting system should be wrapped into the education and outreach for the Voter's Choice Act. Another attendee pointed out that these kinds of concerns kept coming up in the last meeting. They think there should be way to refer people to information about VoteCal through our education and outreach. A third attendee then says that including this information with VCA education and outreach would be valuable; it could potentially stop unnecessary phone calls and people coming into the office.

It is brought up that the Secretary of State should be coordinating information about vote security and integrity and be working to educate the public about it. James said that they have put out a lot of statements in the past that they could potentially pull those together into a succinct message.

With regards to the VCA, Mr. Diaz says that he doesn't want to emphasize change, he wants to emphasize convenience.

C. MEDIA OUTLET ADVERTISING PLAN

Kristian reviews Nevada County's local media outlets:

1. The Union
2. Sierra Sun
3. Nevada City Advocate
4. KNCO
5. KVMR
6. YubaNet

An attendee points out that it may be helpful to have The Union's readership numbers in the Truckee area.

Kristian asks the attendees to fill out a survey to help in formulating an advertising plan for the VCA. Some questions asked are: what should the total budget be, who should the Elections Department advertise more with in Nevada county, and what size should Elections' advertising in print media be? Mr. Diaz points out that Elections will also need to determine how often to publish an ad.

James thinks that the most important thing to make people aware of in the ads is locations. Teal thinks the most important thing is that everyone is going to receive a ballot. An attendee says that the people who haven't been vote-by-mail in the past are going to be very confused when they get a ballot in the mail.

An attendee suggests that Elections could start with thirty second ads and then ramp up to sixty second ones as the election gets closer. An attendee says they don't think advertising should start until two weeks before ballots get sent out, before that Elections can just use free Public Service Announcements.

An attendee says that Elections should try using Facebook's advertising platform. James said last year Facebook put together voter guides that show up on your timeline for the county you are in. Teal suggests making Nevada County's Facebook page friendlier by changing the name to Nevada County Elections. James says that people generally don't know what registrar is.

Kristian asks how the attendees feel about click-bait advertising. "10 things you need to know" is suggested as a good way to get people's attention.

An attendee brings up NevadaCountyTV; they've set up a new green screen studio and have a new director. The attendee thinks they'd be welcome to working with us and possibly for free.

An attendee says that a lot of people don't know what a vote center is and that Elections needs to be sure to tell people what it is; the advertising really needs to hit those basics.

D. COMMUNITY PRESENCE

Kristian briefly goes over a list of community organizations that the Nevada County Elections Department put together and asks for more suggestions for the list.

Kristin says that one of the Starbucks in Grass Valley is the most attended in Northern California. James said Elections could work something out by putting posters up and that they can do ads on the heat-stoppers that go around the cup of coffee. The Secretary of State may be able to set up a regional thing with chains of Starbucks in counties that are going forward with the VCA.

An attendee suggests adding some more information to the organization list like a tag for organizations to give a little more information about them. They give the example that Elections may have a church on the list where half of the members speak another language and that information would be helpful at a glance.

An attendee suggests that to draw people into an event it helps to have someone there going over the contests on the ballot in a nonpartisan way.

An attendee suggests adding Wolf Creek Lodge Cohousing, The Gazebos, and Carriage House to the community organization list.

E. ELECTION ADMINISTRATION PLAN

Kristin starts by passing around drafts of the Election Administration Plan. She says the Elections Department is looking to publish a draft by the end of the month and then having a public hearing on it two weeks after that.

Kristin pulls up the maps for everyone to see on the projector screen. She starts by looking at a population density map of Nevada County. The Elections Department has an idea based on the maps of where the best areas are for vote centers but they are still determining specific locations.

The Elections Department is looking at doing a mobile vote center in addition to the ones required in code. The mobile vote center would potentially serve the geographically isolated population of North San Juan. It could also be set up to service assisted living facilities for a few hours at a time throughout the day.

APPENDIX C

The Nevada County Elections Office seeks to educate and reach out to as many potential voters as possible about the California Voter's Choice Act and to promote the toll-free voter assistance hotline. To accomplish this goal, the elections office, in consultation with the public, has created a list of many types of media that have a variety of audiences. However, Nevada County's local media choices are limited by its population. As of 2016, the United States Census Bureau estimated Nevada County's total population to be 99,107.

Below are descriptions of the local media that explain why these specific media were chosen.

- *The Union*: *The Union* is the only daily newspaper in Nevada County. It is a paid paper that is published every Monday through Saturday. It has an average daily print readership of 23,000.
- *Sierra Sun*: *Sierra Sun* is a prominent publication in the Truckee area (eastern Nevada County). It is a free newspaper that is published twice weekly and has over 250 distribution points. It reaches about 10,500 readers on Wednesdays and 30,000 on Fridays.
- *Nevada City Advocate*: *Nevada City Advocate* is a free, local monthly print publication that has distribution points throughout western Nevada County.
- *YubaNet*: *YubaNet* is a popular news website serving the Nevada County area that reaches a substantial percentage of the local population.
- KNCO: KNCO is a local AM radio station that primarily reaches adults ages 23 and older in the Nevada County area.
- KVMR: KVMR is a local FM radio station that reaches 40,000 unique individuals each week.

APPENDIX D

The Nevada County Voter Accessibility Advisory Committee was established on August 29, 2017, and had its second meeting on October 13, 2017. The following pages include documents related to this committee.

Invitation

Voter Accessibility Committee Introductory Meeting

August 29th, 2017, Eric Rood Administration Center

950 Maidu Ave, Nevada City, California

Providence Mine Rooms A, 2:00pm – 3:00pm

On behalf of the County of Nevada Elections Department, we would like to invite you to attend our Voter Accessibility Committee August 29th from 2:00pm to 3:00pm. Our committee will include representatives from the disability community and community organizations and individuals that advocate on behalf of, or provide services to, individuals with disabilities. This initial meeting will introduce the Voter Choice Act, SB450. This new voting model will allow for voters to have more choices, opportunities and flexibility to engage in the election process.

Our agenda will include introductions from staff and attendees, specific information from the bill, how the elections office plans to implement the bill's specific requirements, and a Q&A from attendees regarding personal concerns, suggestions, or additional information.

Please RSVP # 530-470-2783, or by email teal.caddy@co.nevada.ca.us to confirm your space or spaces at the meeting. Additionally, there will be an audio file available after the meeting on the Elections website. If you are unable to attend, but have information that you would like to pass along, please feel free to pass along that information.

Best Regards,

Teal Caddy
Clerk-Recorder Assistant II
Nevada County Elections Department
950 Maidu Ave., Ste 210
Nevada City, CA 95959
Phone: (530) 470-2783

VAC Agenda

August 29, 2017

- Introductions by attendees

- Overview of Voter's Choice Act

- Requirements of Voter's Choice Act
 - Vote Centers & Dropoff Locations
 - Accessible Voting for All Registered Voters
 - Voter participation with the VAC committee Meeting & Workshop

- How the Elections Office is prepared to meet requirements

- Closing
 - Questions and Answer
 - Follow Up Meeting

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT

Voter Accessibility Committee

2:00 P.M. Tuesday, August 29, 2017
Providence Mine Rooms
Rood Center
950 Maidu Avenue, Nevada City, California

Voter Accessibility

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Greg Diaz, Teal Caddy, Janice Gosalvez, Kristin Kopec, Kristian Hamilton

James Schwab, David Briggs, Carl Sigmond, Dora Rose, Mary Ann Townsend, Jana Lean, Jo Ann Rebane, Camille Hald, Bob Branstrom

Copies of SB450/VCA flyer and agendas were provided to attendees.

Due to the circumstances of the meeting we were not able to identify all of the attendees who spoke at the meeting; therefore, all speakers will be identified as "attendee" hereinafter.

B. VOTER'S CHOICE ACT OVERVIEW

Presented by Teal Caddy

Teal goes over what the Voter's Choice Act (VCA) is:

1. The California Voter's Choice Act, SB450, is designed to help people vote more easily and is dependent upon public input.
2. Every voter receives a vote-by-mail ballot
 - a. The ballot can be mailed
 - b. The ballot can be put in drop boxes around Nevada County
 - c. The ballot can be exchanged for a ballot than be voted at a vote center
 - d. Voters can sign up for a facsimile ballot that they can fill out via their computer at home, through Democracy Live and mail or fax to the Elections Office.
3. Two committees are to be developed with participation from the public. The Voter Accessibility Committee (VAC) and the Language Accessibility Committee (LAC). The voices

that will be heard in the committee will help the Elections Department create a plan that allows the VCA to reach all eligible voters with voters who have accessibility issues, need voter information, or voter information in another language.

C. REQUIREMENTS OF THE VCA REGARDING THE VAC

Presented by Teal Caddy

Teal goes over the accessibility requirements of the VCA in Elections Code 4005.

In addition:

1. A Voter Education and Outreach plan submitted to the Secretary of State will include direction from the VAC.
2. The administration plan will be posted on the internet in a format that is accessible to persons with disabilities.

D. HOW THE ELECTIONS DEPARTMENT IT PREPARED TO MEET THE VCA REQUIREMENTS

Presented by Teal Caddy

Vote Centers

1. If a voter is unable to vote the vote by mail ballot that will arrive in the mail, the voter has the ability to vote at a vote center (any voter may vote in person at a vote center) during the vote center's open hours.
2. Each vote center will have 3 voter accessible machines (Hart Intercivic eSlate) that are equipped with audio and can take input from jelly switches or a sip-and-puff device.

Voting Accessibility

1. If a voter has a disability preventing them from filling out a paper ballot, or using an accessible voting machine at a vote center, the voter has the ability to complete a ballot using Democracy Live.
2. The ballot is put into the envelope that was sent with their vote by mail ballot or can even be faxed or emailed into the Elections Office.

Drop Box

1. Vote centers and ballot dropoff locations will be placed using a map (that will be created by the County of Nevada General and Information Services Department).
2. The map will be specifically created to touch on the 14 requirements of the VCA.

Mobile vote center

1. Mobile vote centers allow Election Staff to reach more voters by having a voting location close by.

2. The voting equipment will be brought to various locations to reach voters, who might not have been able to vote.
3. Possible locations: accessibility organizations, senior centers, college campuses, or geographically isolated areas.

E. PUBLIC COMMENT / QUESTIONS AND ANSWERS

An attendee asked if the county will have a truck that goes around as a mobile vote center. Teal said the Nevada County Elections Department (hereinafter referred to as “we”) doesn’t know exactly what it will look like but it will function the same way. It may just be a truck full of voting equipment that we set up briefly in a room at the destination. Teal wanted it to be accessible, and if it’s in a truck it might not be accessible. Greg Diaz said that we have done them in the past, and it was a good thing they did, so he wants to segue on that experience.

An attendee was asked to test it the Democracy Live software. It worked well but his biggest concern was that it was clear that it was designed for the ballot to be printed and mailed. Teal said that it can also be faxed. Their feedback is that it would be good to develop a digital way of submitting it. James Schwab, Secretary of State’s office, said that it is an ongoing debate and that a lot of the people in the cybersecurity world are afraid of the dangers of sending a voted ballot (digitally), even absent of nefarious intent, that something may get lost in transmission. In the case of states where you can send it your ballot by email, like Alaska, you have sign away on it saying you know that your ballot may be lost in transmission. There are people working on the best way to do it though, because email is the most convenient way.

An attendee commented on how great looking and functional Nevada County’s website is. It would be really helpful though if there was a dedicated voters with disabilities page, just to promote general accessibility accommodations we make that other people may not know about.

The same attendee said that the people in the room are really going to come into play for siting voting locations and drop off locations because we don’t necessarily have great data on where voters with disabilities are.

The same attendee said in relation to public transportation, that yes we can find out where public transportation routes are, but we should ask people what their experience is using it. For example, someone can get a ride to a vote center but there is a two hour lag time before they can get picked up again. So in that case it would be very inconvenient but not immediately obvious.

GREGORY J. DIAZ

Dear Voter Accessibility Committee Member,

The Nevada county Elections Department would like you to join us for our second Voter Accessibility Meeting!

The meeting is taking place Friday, October 13, 2017 1:30pm-2:30pm at FREED, located at 2059 Nevada City Highway #102, Grass Valley, CA.

At the meeting we will be consulting with the public regarding Voter's Choice Act-Voter Accessibility. We will also be looking at demographic maps and taking feedback on vote center and drop-off locations. We'll have a very rough draft of our Election Administration Plan that we put together with your input for review.

Please fill out the questionnaire that is attached, this will help us get important information that will be imperative in implementing the Voter's Choice Act.

If you have anything else to add, you can still do so by sending it to Teal at Teal.caddy@co.nevada.ca.us.

We hope to see you there!

Sincerely,

Teal Caddy
Clerk-Recorder Assistant II
Nevada County Elections Department
950 Maidu Ave, Ste 210
Nevada City, CA 95959
PH: (530) 470-2783

VAC Agenda

October 13, 2017

- Introductions

- Voter Choice Act Brief Review

- Consultation with the public regarding the Elections Administration Plan (EAP)

- Review the data from the maps and discuss possible Vote Center locations

- Discuss questions that have been presented in the first VAC meeting (See questions on next page)

- Questions and Answers

Questions to Consider

- What media outlets would reach the senior and accessibility population?
- Do you feel there will be confusion with the VCA?
 - How would it be best to combat that confusion?
- How could the Elections Department reach the most voters?
- Do you see areas where the Elections Office could improve in regards to accessibility issues?
- Do you know of a great location for a Vote Center?
- Please feel free to contact me regarding any questions, comments or concerns you may have.

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT

Voter Accessibility Advisory Committee Meeting

1:30 P.M. Friday, October 13th, 2017
Freed Center for Independent Living
2059 Nevada City Hwy #102, Grass Valley, California

Voter Accessibility

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Sandy Sjoberg, Teal Caddy, Janice Gosalvez, Kristin Kopec, Kristian Hamilton

Carl Sigmond, Janice Bedayn, Sandy Jacobson, Niki Davis, Joe Glick, Paul Spencer, Mindy Romero

Copies of the agenda, Voter's Choice California's flyer, and Election Administration Plan calendar were given to all of the attendees.

B. VOTER'S CHOICE ACT OVERVIEW

Teal starts the meeting with an overview of the VCA for the new attendees. Everyone will be receiving a vote-by-mail ballot, and Nevada County will be moving to the vote center model. Instead of having over 50 polling locations on one day, Nevada County will have 7 vote center locations. 2 of the vote centers will be open for eleven days and 5 of the vote centers will be open for four days.

Teal says that they are looking to set up a partnership with a paratransit to possibly provide free rides on Election Day.

Sandy says that the law requires us to make available an accessible ballot. She says they will send a link directly to the person's email that needs it and from it they can get a digital copy of the ballot which they can then mail back.

Kristin says each voter will be receiving a postage-paid postcard that they can send in, for requesting a remote-accessible, vote-by-mail ballot.

C. ELECTION ADMINISTRATION PLAN AND MAPS

Kristin says that they are going to have 7 vote centers. Vote centers will not be limited to precincts like polling places are. You can update registration and register the same day as you vote at vote centers.

Kristin refers everyone to the EAP calendar. The Elections Department is looking to have the draft EAP published by October 31st and holding a public meeting for it on November 14th. As of right now Elections is looking to submit the plan to the Secretary of State on December 4th.

Kristin displays maps on the projector. The first one is a population density map of Nevada County. Kristin says that they are planning on having the eleven day vote centers in Nevada City and Truckee. They are looking at having 2 of the four day vote centers in Grass Valley, 1 in Penn Valley, 1 in South County, and 1 in Truckee. They've determined these based on criteria like, population density and transit routes. Their goal is to place these vote centers within half a mile of a transit stop. They are also looking at criteria like areas with high population of people with disabilities. They are looking at serving the geographically isolated population of North San Juan with a mobile vote center.

An attendee suggests that Old Tunnel Road would be a good location for a mobile vote center because it has three senior apartment complexes: Nevada Commons, Nevada Roads, and Grass Valley Senior Apartments.

Kristin says that Colorado received around 80% of their ballots in dropoff boxes.

An attendee suggests that the Elections office looks at sites near assisted living homes. An attendee suggests that it is important to get in touch with the receptionists at these homes because the people who live at them are familiar with the receptionists and could be useful in disseminating information.

Sandy says it's great to get out into the community and get feedback because there are lots of things that are hard to account for without community feedback. An attendee says there are a lot of people in our community who just have an iPad and no printing device.

Teal asks the attendees for any media sources that they can use to reach people in the community.

Sandy says that meals on wheels might be a good way to get people their ballots. An attendee says that they did a survey recently with their clients and it showed they trusted their meals on wheels drivers the most. Kristin suggests passing out a flyer with the meal.

An attendee thinks that the VCA is a courageous undertaking and they think it will fly, but Elections really needs to get the word out about it to do so.

Teal asks how they can combat confusion at vote centers and attendee responds with lots of display boards and signs. An attendee suggests that Elections needs to make sure that vote centers have a polling place feel.

An attendee points out that it will be a challenge training everyone because voting procedures are strict. Sandy says that training over 300 poll workers will be a challenge. The attendee points out that a

systemic problem with the training is that they don't focus enough time on helping voters with disabilities and accessible equipment.

An attendee asks if there is a way Nevada County can make Sacramento County aware that Nevada County is doing the VCA as well. Sandy explains that they have been working with the counties, including Sacramento, that are going forward with the VCA.

Sandy says the county is getting ready to do website accessibility training. She asks if the attendees are able to test out the website and give feedback on how to make it more accessible.

An attendee suggests creating a voter with disabilities webpage, something that says how the Elections Department is going to make things accessible and what tools will be available. Inyo and Madera have really good ones.

An attendee from the California Civic Engagement Project from UC Davis wanted to make people aware of a vote center and dropoff siting tool they are working on. The tool can show geographic information based on required considerations in code. This is a way of aiding counties that don't have access to a lot of resources. They also go a step further by modeling and doing analysis on the data.

APPENDIX E

The Nevada County Language Accessibility Advisory Committee was established on August 29, 2017, and had its second meeting on October 11, 2017. The following pages include documents related to this committee.

Voter Language Accessibility Committee Meeting

Committee Chair: Janice Gosalvez
Janice.gosalvez@co.nevada.ca.us
Nevada County Elections
August 29, 2017 10:30-11:30 am

Agenda

1. Staff Introductions
2. Attendee introductions
3. Voter's Choice Act:
 Voter's Choice Act Prezi
4. Objective of the Voter Language Accessibility Committee
 To ensure that the new voting process can be utilized effectively by voters for whom English is a second language.
5. Language accessibility requirements under the Voter's Choice Act
 - a. Identify language minority communities
 - b. Media plans for language minority communities
 - c. Assist in planning voter education for language minority communities
 - d. Assist in planning the required public meeting for language minority communities
 - e. Establish a community presence in language minority communities
6. Are there any other groups or people that would be valuable assets to the Voter Language Accessibility Advisory Committee?
7. Feedback and Q&A
8. Follow up meeting to be scheduled in 1-2 months

Feedback

Your feedback is much appreciated! Please answer the following questions and send your response to Janice Gosalvez at Janice.gosalvez@co.nevada.ca.us. These responses will be published in a public Google Doc located at <https://tinyurl.com/languageoutreach>. Please let us know if you would prefer your responses to be anonymous.

1. What media outlets would be best to reach and educate voters in language minority communities?
2. How do we best implement the new voting process for voters for whom English is a second language?
3. Where are the minority language communities located in Nevada County that would benefit from a public voter language accessibility workshop regarding the Voter's Choice Act?
4. What are some ideas for recruiting potential bilingual staff members for vote centers?
5. Where would be the best locations for vote centers in regards to language minority community access?
6. Please state any other ideas, comments, or concerns about voter language accessibility regarding the Voter's Choice Act.

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT

Language Accessibility Advisory Committee Meeting

10:30 A.M. Tuesday, August 29, 2017
Providence Mine Rooms
Rood Center
950 Maidu Avenue, Nevada City, California

Language Accessibility

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Greg Diaz, Janice Gosalvez, Teal Caddy, Kristin Kopec, Kristian Hamilton

Teresa Crimmens, Yami Gutierrez, Caroline Fragoso, Alex Keeble-Toll, Kelsey Westfall, David Briggs, Christie Gillison, Judy Price, Bob Branstrom, James Schwab, Jo Ann Rebane, Joey Jordan, Dora Rose, Camille Hald, Mary Ann Townsend, Janice Bedayn

Copies of SB450/VCA flyer and agendas were provided to attendees.

Due to the circumstances of the meeting we were not able to identify all of the attendees who spoke at the meeting; therefore, all speakers will be identified as "attendee" herein after.

B. VOTER'S CHOICE ACT (VCA) OVERVIEW

Presented by Janice Gosalvez

Janice introduced the VCA with a slideshow presentation

1. The VCA is all about modernizing the voting experience. It's going to be all VBM ballots. You are no longer limited to your specific polling place, now you can go to any vote center that is open in the county. SB 450 was sponsored by Alex Padilla and was modeled after Colorado's 2013 Voter Access and Modernized Elections Act.
2. Nevada County will be a pilot county to implement this bill. Every voter is mailed a ballot. There will be drop off locations, vote centers, increased accessibility and public involvement. There will be expedited results on election night. There will be a staggered opening of vote centers starting 10 days before the election. Vote centers will be a problem solving hub for

voters. Voters can vote in person at any of those locations. The VCs will be staffed by employees not by volunteers.

3. There will be a minimum of 5 drop off locations for ballots determined by demographics and community feedback. The drop off boxes will be secure and the ballots will be collected from them daily. One location will be accessible 24 hours a day 7 days a week here at the Rood Center.
4. Every voter is mailed a ballot. They can return a ballot by mail, vote center, or drop off location. It won't be a huge change for Nevada County because 77-78% of its voters are already signed up to receive VBM ballots as of the last General Election in 2016.

C. REQUIREMENTS FOR THE LANGUAGE ACCESSIBILITY ADVISORY COMMITTEE

Presented by Janice Gosalvez

1. The objective for the LAC is to ensure that the new voting process can be used effectively by voters for whom English is a second language.
2. One requirement is to identify language minority communities. The Nevada County Election's Office (herein referenced as "we") needs the community to help us with this. We need to find good drop off locations.
3. We will be asking for the committee to get together to brainstorm and think of the answers to our questions.
4. In Nevada County, 3% or more of the voting age residents are members of the Spanish language minority and lack sufficient skills in English to vote without assistance. Nevada County is required to translate and post a facsimile ballot and related instructions in Spanish in a conspicuous location at the polling place. We do not yet fall into that category with any other language communities. We need to make a good faith effort to recruit bilingual poll workers for any precinct in which we meet that 3%. In the past that has been difficult to find bilingual poll workers, with the committees help, Janice thinks we will have a better time doing it. An attendee asked for clarification on how the location is defined for which the language accommodations must be made. Kristin Kopec explained that the county is split up into different precincts.
5. We also need to identify our media plans for the VCA in relation to language minority communities.

D. PUBLIC COMMENT / QUESTIONS AND ANSWERS

An attendee asked if the voter information packet will be available in Spanish. Greg Diaz said we are looking at expanding our VIP packets so that some segments are in Spanish. Candidates are able to provide their statements in another language as an option. State propositions are always done in different languages; you can access those via the Secretary of State's website.

And attendee would like to advocate for the burden of translations to not fall on the candidates because they often do not have the money to pay for them. She said that in non-primary English speaking communities there may be less computer access to be able to access websites to do research and that it behooves us to make that easier by providing some sort of print for this. She says there's not a large number of Spanish speakers here so it wouldn't take a lot of effort to do this, it's only one other language.

An attendee had advice on how to translate complex information in a way that speaks to people who may not have a grasp of the English language. At first, she was operating under the assumption that it was enough to just translate something and provide it online in the same format and mediums that one would offer it to English speakers. However, it was pointed out to her that you can't necessarily assume that all speakers of a language have the same grasp of their own language that maybe a college-educated English speaking person would. It's not enough to translate directly into Spanish; you really have to think about the capacity of the person speaking that language, and what level of information you're providing. Sometimes the appropriate thing to do is to simplify the message so that it is actually useable.

An attendee suggested providing a simplified translation and one with the original, more complex message. Another attendee said that they would provide the simplified message and provide links so that people who were savvy enough to navigate a webpage could have access to the more complex information. They also said that there is a balancing act between oversimplifying information and providing a useful message. You don't want to simplify to the point that you are doing a disservice.

GREGORY J. DIAZ

You are invited to the
Voter Language Accessibility Committee Meeting
Wednesday, October 11, 2017
1:30pm – 2:30pm
Family Resource Center of Truckee
11695 Donner Pass Rd, Truckee, CA

The Language Accessibility Committee, in consultation with the public, has been formed to ensure that the new voting process, through the Voter's Choice Act, can be utilized effectively by voters for whom English is a second language. The Committee includes representatives from the language access community and community organizations and individuals that advocate on behalf of, or provide services to individuals with language barriers.

Our agenda will include introductions from staff and attendees, specific information from the bill, and a roundtable discussion on how to best meet the language accessibility requirements of the Voter's Choice Act most effectively. We appreciate all of the feedback that we've received so far and look forward to hearing more!

We have posted all of the meeting materials on our website, www.mynevadacounty.com, which includes audio of the last meeting. The following information is attached for your review:

1. Published articles by Gregory J. Diaz, Nevada County Clerk-Recorder/Registrar of Voters
2. Voter's Choice Act Presentation and Flier
3. Agenda, minutes, and feedback pages from the language committee meeting held on August 29, 2017
4. Language Accessibility feedback questions

Click [here](#) for the link to the Voter's Choice Act legislation (aka SB 450). If you're interested in researching Elections Code you can do so [here](#). The bulk the Voter's Choice Act requirements are in Elections Code §4005.

Please RSVP by phone 530-265-1771, or by email janice.gosalvez@co.nevada.ca.us to confirm your space at the meeting. If you are unable to attend, but have information that you would like to pass along, please feel free to email that information. The meeting agenda will be emailed in the near future.

Best Regards,
Janice Gosalvez

Voter Language Accessibility Committee Meeting Agenda

Committee Chair: Janice Gosalvez
Family Resource Center of Truckee
October 11, 2017 1:30-2:30 pm

Agenda

1. Staff Introductions
2. Attendee introductions
3. Voter's Choice Act Overview
4. Object of the Voter Language Accessibility Committee
The Language Accessibility committee, in consultation with the public, has been formed to ensure that the new voting process, under the requirements of the Voter's Choice Act, can be utilized effectively by voters for whom English is a second language.
5. Overview of Language Accessibility requirements under the Voter's Choice Act
 - a. Identify language minority communities
 - b. Media plans for language minority communities
 - c. Assist in planning voter education for language minority communities
 - d. Assist in planning the required public meeting for language minority communities
 - e. Establish a community presence in language minority communities
6. Review Feedback from LAAC questions:
7. Roundtable Discussion:
The goal of the roundtable discussion is to generate *specific* ideas on vote center locations, drop box locations, bilingual workshop plan, best ways to recruit bilingual Spanish/English speaking poll workers for the vote center and workshop, *specific* Spanish radio & TV stations that are popular in the community as well as other media that we could use to reach the most people.
8. Q&A
9. Voter's Choice Act Bilingual Workshop to be scheduled Spring of 2018

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT

Language Accessibility Advisory Committee Meeting

1:30 P.M. Wednesday, October 11th, 2017
Family Resource Center of Truckee
11695 Donner Pass Road, Truckee, California

Language Accessibility

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Gregory Diaz, Abby Kelly, Janice Gosalvez, Kristian Hamilton

Alex Keeble-Toll, Kelsey Westfall, Barbara Kane, Yami Gutierrez, Sarah Schrichte, Joanna Oseman, Kim Bateman, Teresa Crimmens, Dora Rose, Mike Somers, James Schwab, Milena Paez

Copies of the meeting agenda, a print out of feedback received since the last meeting, maps of the Truckee area, and Voter's Choice California's informational flyer were given to attendees.

B. VOTER'S CHOICE ACT (VCA) OVERVIEW

Presented by Janice Gosalvez

Janice explains that everyone will be getting a vote by mail ballot and voters will have three ways of voting:

1. You can vote by mail.
2. You can drop off your ballot at a dropoff location in the county.
3. You can vote in person at a vote center.

There will be seven vote centers. Two will be open starting 10 days before the election and five will be open starting 3 days before the election. The vote centers will be accessible and near public transit routes.

An attendee says that they live in a rural area and that its residents don't have a lot of confidence in their mail system. Mr. Diaz says that's why we will have dropoff locations, and that he wants more of them than the law requires, and that we will put them where people go. Abby says that getting potential locations from locals is very helpful.

C. ROUND TABLE DISCUSSION

Janice first asks the room to give suggestions of Spanish media outlets. An attendee suggests Radio Lazer, Tricolor, Univision and that there is another one that is in Reno that reaches Truckee as well.

It is brought up that flyers can get a lot of traction at schools. Outreach at schools can be done through “robocalls.”

It is important to have VCA materials translated into Spanish to be distributed by Promatora de Salud program at the Family Resource Center of Truckee. Tahoe Truckee Unified School District has a new adult school with English Second Language classes constantly happening in Truckee with high attendance so that’s another avenue where information can be disseminated.

Janice says that we are looking to hire bilingual workers to work in vote centers so it would be great if these organizations could also help us get the word out about that.

Mr. Diaz asks if all of these different counties coming up with their own translated materials might make things confusing. An attendee says that a glossary can be adopted to keep translations more consistent. James says that a lot of counties are just lifting language from the Voter’s Choice California flyer. James said that they are working on a VCA video based on the flyer.

An attendee asks what metrics are used to determine how successful the pilot counties are. It is brought up that the Secretary of State has a taskforce for reviewing VCA implementation. Things like voter turnout will be looked at.

It is brought up that the material should be marked very clearly “Nevada County” especially in Truckee so that people in Placer County are not confused.

Janice wants to move the discussion towards the voter education workshops. An attendee suggests that having the presenter at the workshop actually speaking Spanish will have the most impact instead of having an interpreter. The person thinks it would also be good to hold this workshop at the Truckee Family Resource Center because most Spanish speaking people in Truckee probably know the location. As far as the outreach goes it is important to make personal contact, make some phone calls. A suggestion was made to provide food and babysitting during the workshop.

Because high school students are required to do community service hours now, the Elections Department could potentially go to counselors and tell them we have an event we need help with. These students could potentially help with babysitting.

It is recommended that we do a workshop in Grass Valley in addition to the one in Truckee. In Truckee we should consider the timing of the events we do in order to avoid ice and snow.

James said that Alex Padilla, the California Secretary of State, would be willing to come up to Truckee for an event and present in Spanish.

Truckee’s average wages are more competitive than what the county would be able to pay poll workers.

Janice asks for feedback on locations for dropoffs and vote centers. An attendee suggests that the firehouse would be a good place for a dropoff.

Some attendees said that they would be willing to include education and outreach materials for the VCA with other materials they pass out or in an email.

An attendee states that they think Sacramento County has ruled out using schools as vote centers just because it is hard to get them for multiple days.

The bilingual hotline was discussed. Sacramento County has a phone service they use for interpreting. Three way interpreter services are available; for example when a Spanish speaker calls, you can dial up and add the interpreter to the call. The Elections Department should talk to the Nevada County Social Services Department to see how they do it.

APPENDIX F

Map of vote center locations with their days and hours of operation will be available when vote center locations are established.

APPENDIX G

Vote centers and ballot dropoff locations were determined based on criteria listed in Elections Code §4005(a)(10)(B). The data used to consider the criteria for siting vote centers and ballot dropoff locations was gathered from the Nevada County Elections Office's election management system and the United States Census Bureau. The most relevant criteria for placement of vote centers and ballot dropoff locations in Nevada County are the following: proximity to public transportation, proximity to communities with historically low vote by mail usage, proximity to population centers, proximity to language minority communities, proximity to voters with disabilities, proximity to communities with low rates of household vehicle ownership, and proximity to low-income communities. All vote centers and ballot dropoff locations will have accessible and free parking available.

It has been determined that isolated communities, senior living communities, disability facilities, and mobile home parks would greatly benefit from having a mobile vote center. Mobile vote center locations and hours of operation will be available closer to the election on the Nevada County Elections website and in the voter information pamphlet sent out to all voters.

The following pages include maps of some of the criteria for which vote centers and ballot dropoff locations were determined.

VOTE CENTER LAYOUT

APPENDIX I

POTENTIAL DISRUPTIONS AT VOTE CENTERS

Potential Disruption	Response
Election Management System goes down	Vote center manager will notify elections office. If disruption is only at a specific vote center and lasts longer than 30 minutes, or any significant amount of time depending on amount of voters present, voters will be directed to another vote center or given the option to vote provisionally. If disruption is county-wide, vote center staff can issue provisional ballots via electronic voting equipment OR sample ballots OR paper ballots (if possible) in provisional envelopes if staff is able to determine correct ballot type or precinct for voter. Keep paper record of all voters and information to enter into DIMS once system is back up and running. Elections central will contact vendor right away and resolve the issue as soon as possible.
Power outage	Vote center manager will notify elections office. If power outage lasts longer than 15 minutes, direct voters to another vote center. Public will be notified via website, phone message, news, radio, social media, etc.
Weather	Vote center manager will notify elections office. If a vote center is unreachable or unsafe due to weather, a back-up vote center will be contacted and will be set up immediately for use. Public will be notified via website, phone message, news, radio, social media, etc.
Fire or Other Disaster	All staff and voters must first be evacuated safely. Vote center manager will notify elections office. If time allows, vote center staff will do the following in order: (1) securely remove all voted ballots from the facility (VBM, memory cards from equipment, paper ballots from black ballot box, CVR ballots), (2) secure/shut down all computers accessing election management system (3) secure/shut down all voting equipment, and (4) remove any computers/equipment if possible. Elections office will notify public via website, phone recording, news, radio, social media, etc., and inform public of alternate vote centers. A replacement vote center will be set up as soon as possible.

Potential Disruption	Response
Voting equipment stops working	While vote center manager resolves the issue, paper ballots can be issued to voters. Vote center manager will follow troubleshooting instructions provided in vote center manual for staff. If unable to resolve, vote center manager will contact elections office. If still unable to resolve, vote center manager will contact warehouse staff for replacement equipment.
Ballot on demand stops working	While vote center manager resolves the issue, electronic ballots can be issued to voters. Vote center manager will follow troubleshooting instructions provided in vote center manual for staff. If unable to resolve, vote center manager will contact elections office. If still unable to resolve, elections office or vote center manager will contact vendor for customer support.
Internet connection goes down	Vote center manager will follow troubleshooting instructions provided in vote center manual for staff. If unable to resolve, vote center manager will contact elections office. If still unable to resolve, elections office or vote center manager will contact county information services or internet provider for customer support. If internet outage lasts longer than 15 minutes, vote center staff can issue provisional ballots via electronic voting equipment or sample ballots or paper ballots (if possible) in provisional envelopes. Vote center staff will keep paper record of all voters and information for elections staff to enter into DIMS at elections office. If internet outage lasts longer than one hour, or any significant amount of time depending on amount of voters present, voters will be directed to another vote center. Public will be notified via website, phone message, news, radio, social media, etc.
Suspicious person or object	Vote center manager will contact security authorities depending on the situation.
Vote center employees don't show up	Vote center manager will contact elections office to find a replacement staff for the vote center. A list of trained backup staff will be maintained by the elections office.
Vote center is unusable	If the vote center is unusable for any reason, vote center manager will notify the elections office. A list of backup vote centers will be maintained by the elections office. Warehouse staff will assist vote center staff in moving and setting up the new vote center. Public will be notified of a change of location via website, phone message, news, radio, social media, etc.

APPENDIX J

Map of ballot dropoff locations with their days and hours of operation will be available when ballot dropoff locations are established.

I. DIFUSIÓN Y EDUCACIÓN DEL ELECTOR: GENERAL

§4005(a)(10)(I)(i)(VI)

Gregory J. Diaz, Secretario registrador del Condado de Nevada/Secretario de registro de electores, ha realizado esfuerzos importantes para educar a la comunidad en general del Condado de Nevada sobre la Ley de elección del elector (Voter's Choice Act, VCA) de California. Consulte el Apéndice A para obtener información sobre las publicaciones y material sobre la difusión y educación del elector.

Además, la Oficina Electoral del Condado de Nevada formó un Comité de Difusión y Educación del Elector para establecer cómo llegar y educar de mejor manera a la comunidad del Condado de Nevada sobre la VCA. El Comité se estableció el 29 de agosto de 2017 y llevó a cabo su segunda reunión el 12 de octubre de 2017. Consulte el Apéndice B para obtener los materiales sobre este comité.

Anuncios de servicios públicos y de medios de comunicación

§4005(a)(10)(I)(i)(III), §4005(a)(10)(I)(i)(VIII)

La Oficina Electoral del Condado de Nevada utilizará una variedad de anuncios de servicios públicos y de medios de comunicación en formatos accesibles para educar a la población en edad para votar del Condado de Nevada y para promover la línea gratuita de asistencia al elector (1-888-395-1298). Los medios de comunicación incluirán, entre otros, periódicos, radio, televisión y redes sociales. Se eligieron los siguientes medios de comunicación del Condado de Nevada tomando en cuenta su público meta, la frecuencia de publicación, el alcance, la accesibilidad y las consultas con el público.

Periódicos: *The Union*, *Sierra Sun* y *Nevada City Advocate*

Fuentes de noticias en línea: *YubaNet*

Radio: KNCO y KVMR

Televisión: NCTV

Redes sociales: Facebook y Twitter

En abril 2018, se implementarán esfuerzos significativos para educar a los posibles electores a través de los medios de comunicación mencionados anteriormente. La Oficina Electoral del Condado de Nevada considera que el mejor enfoque es educar a los electores sobre de la elección del mes de junio de 2018 y no varios meses antes.

Por medio de consultas con el público y el Comité de difusión y educación del elector, se decidió que *The Union* y *YubaNet* serán los principales medios en donde se realizará la difusión y educación del elector. También se utilizarán la radio y periódicos secundarios para llegar a una audiencia más amplia. KNCO y KVMR son las dos estaciones de radio local más

populares en el Condado de Nevada y cuentan con una programación variada que atrae a diferentes públicos. *Sierra Sun* y *Nevada City Advocate*, ambos periódicos gratuitos, también se utilizarán para llegar a tantos electores potenciales como sea posible.

Consulte el Apéndice C para obtener más información sobre la elección de las fuentes de medios de comunicación.

Presencia en la comunidad

§4005(a)(10)(l)(i)(III)

La Oficina Electoral del Condado de Nevada educará a los electores del Condado de Nevada mediante la presencia en la comunidad. La forma principal en la que las elecciones del Condado de Nevada lograrán esto será asociándose con organizaciones comunitarias para llegar a sus audiencias meta a través de boletines, correos electrónicos, redes sociales, sitios web y eventos. Estas organizaciones recibirán los medios oficiales con el propósito de difundir y educar desde la Oficina Electoral del Condado de Nevada.

La Oficina Electoral del Condado de Nevada ha tenido reuniones con el público y continuará reuniéndose con los miembros de la comunidad. Además, el departamento también asistirá o proveerá los materiales para los eventos locales que nuestro personal y los miembros de la comunidad recomienden.

Contacto directo con los electores

§4005(a)(10)(l)(i)(X)

Durante las elecciones del Condado de Nevada, habrá dos contactos directos con los electores con el objetivo de informar a los electores sobre las próximas elecciones y de promover la línea gratuita de asistencia para el elector. Estos contactos serán adicionales a otros contactos requeridos con los electores como boletas de muestra y el envío del voto a través de las boletas electorales por correo, entre otros.

Uno de los contactos directos será correspondencia para todos los electores registrados en el Condado de Nevada para informarles que se les enviará a todos los electores registrados un voto mediante la boleta electoral por correo, independientemente de su preferencia de voto por correo. El segundo contacto será correspondencia que se enviará a todos los electores que no solicitaron votar por correo. La correspondencia se enviará después que se envíen las boletas por correo para informar a estos electores de sus opciones para votar en los centros de votación en caso de que prefieran votar en persona y las opciones para enviar sus votos con las boletas electorales por correo.

Uso de recursos para garantizar que los electores estén informados

§4005(a)(10)(I)(i)(VII)

La Oficina Electoral del Condado de Nevada utilizará los recursos necesarios en la difusión y educación de los electores para garantizar que los electores estén completamente informados sobre la realización de la elección según la Ley de elección del elector. Consulte el Apéndice K para obtener información específica sobre el presupuesto de difusión y educación para la elección primaria de junio de 2018, así como una comparación de este presupuesto con el presupuesto de difusión y educación del elector para la elección primaria de junio de 2014.

DRAFT

II. DIFUSIÓN Y EDUCACIÓN DEL ELECTOR: ELECTORES CON NECESIDADES DE ACCESIBILIDAD

La Oficina Electoral del Condado de Nevada formó un Comité Asesor de Accesibilidad (Voter Accessibility Advisory Committee, VAAC) para establecer cómo llegar y educar a la comunidad con discapacidad del Condado de Nevada sobre la VCA de la mejor manera. El Comité se estableció el 29 de agosto de 2017 y llevó a cabo su segunda reunión el 13 de octubre de 2017. Los miembros del comité están bien conectados con la comunidad con discapacidad y los ayudarán a desarrollar planes para servir a los electores con discapacidades en el Condado de Nevada de la mejor manera. Consulte el Apéndice D para obtener los materiales sobre este comité.

Educación para la comunidad con discapacidad: taller de educación para el elector §4005(a)(10)(l)(i)(VI)(ib)

En la primavera de 2018, la Oficina Electoral del Condado de Nevada realizará un taller educativo para el elector para aumentar la accesibilidad y la participación de los electores con discapacidad elegibles. La fecha, el horario y el lugar de este taller se anunciarán públicamente con al menos 10 días de anticipación.

Materiales y boletas electorales accesibles

Sitio web accesible

§4005(a)(10)(l)(i)(IV)

El sitio web de las elecciones del Condado de Nevada es un sitio web accesible según las normas recomendadas en §2053(b)(4). La Oficina Electoral del Condado de Nevada trabajará en conjunto con el personal de Servicios informativos del Condado de Nevada para garantizar que toda la información sobre las elecciones esté disponible en un formato de texto en el sitio web accesible.

Servicios accesibles disponibles en los centros de votación y los lugares para entregar la boleta electoral

§4005(a)(10)(l)(vi)(X)

Cada centro de votación tendrá estacionamiento accesible y cumplirá con la Ley de Estadounidenses con Discapacidades (Americans with Disabilities Act, ADA). Los centros de votación serán encuestados por el personal para garantizar que cada centro de votación tenga el equipo y materiales necesarios para cumplir con la ADA. Todos los centros de votación estarán equipados con al menos tres máquinas de votación electrónicas accesibles (HART eSlates) y tendrán boletas electorales de papel

disponibles, si se desean. Estas máquinas de votación electrónicas tendrán la opción de una boleta electoral con audio y tendrán una conexión a la tecnología de inhalar y soplar. Nuestro personal estará capacitado para ayudar a todos los electores de la mejor manera posible.

Todos los lugares de entrega de la boleta, interiores y exteriores, serán accesibles y estarán lo más cerca posible a las rutas del transporte público. El lugar para la entrega de boleta electoral abierto las 24 horas en el edificio gubernamental del Condado de Nevada (Rood Center) es accesible y se encuentra en una ruta de transporte público.

Solicitud de voto accesible mediante boleta electoral por correo

§4005(a)(8)(B)(iii)

Todos los electores registrados recibirán un voto mediante boleta electoral por correo. Se incluirá en el material de voto que se le envíe a cada elector una postal con franqueo pagado a fin de solicitar el voto accesible mediante la boleta electoral por correo. Los electores que necesiten el voto accesible mediante la boleta electoral por correo podrán solicitarlo al llenar la postal con franqueo pagado que se incluye y enviándola a la Oficina Electoral del Condado de Nevada o siguiendo las instrucciones publicadas en el sitio web de elecciones del Condado de Nevada.

Solicitud de un reemplazo de la boleta electoral

§4005(a)(10)(I)(ii)

Los electores con discapacidades pueden solicitar un reemplazo de la boleta electoral de dos formas: (1) por correo o (2) visitando cualquier centro de votación. Los electores que deseen solicitar el reemplazo de una boleta por correo podrán hacerlo siguiendo las instrucciones en el sitio web de la Oficina Electoral de Condado de Nevada. El último día que se puede **enviar por correo** el reemplazo de una boleta electoral por correo es siete días antes de la elección. Los electores con discapacidades también pueden acudir a cualquier centro de votación para obtener el reemplazo de una boleta electoral o para votar en un equipo de votación accesible.

Línea gratuita para sordos y electores con dificultades auditivas

§4005(a)(10)(I)(vii)

La Oficina Electoral del Condado de Nevada tiene una línea gratuita para electores sordos y con dificultades auditivas disponible de lunes a viernes, de 8:00 a. m. a 5:00 p. m. y de 7:00 a. m. a 8:00 p. m., el día de la elección. El número de la línea gratuita se

publicará en el sitio web de las Elecciones del Condado de Nevada y en los materiales de votación enviados a los electores.

Abordar las desigualdades de accesibilidad y participación de los electores

§4005(a)(10)(I)(iii)

Después de cualquier elección conducida según la Ley de elección del elector, la Oficina Electoral del Condado de Nevada hará un esfuerzo razonable para tratar las disparidades significantes en la accesibilidad y participación del elector. La Oficina Electoral del Condado de Nevada se reunirá con el VAAC del Condado de Nevada para tratar y discutir todos los problemas surgidos durante la elección. Además, la Oficina Electoral del Condado de Nevada encuestará al personal de todos los centros de votación para evaluar y abordar todas las disparidades con respecto a la participación y accesibilidad del elector.

DRAFT

III. DIFUSIÓN Y EDUCACIÓN DEL ELECTOR: COMUNIDADES DE LENGUAS MINORITARIAS

La Oficina Electoral del Condado de Nevada formó un Comité Asesor de Accesibilidad para el Idioma (Language Accessibility Advisory Committee, LAAC) para establecer cómo llegar y educar de mejor manera a las comunidades de lenguas minoritarias del Condado de Nevada sobre la VCA. El Comité se estableció el 29 de agosto de 2017 y llevó a cabo su segunda reunión el 11 de octubre de 2017. El LAAC asistirá para llegar a la población de habla hispana del Condado de Nevada de la mejor manera. Consulte el Apéndice E para obtener los materiales sobre este comité.

Educar a las comunidades con idiomas minoritarios

§4005(a)(10)(l)(i)(VI)(ia)

Anuncios de servicios públicos y de medios de comunicación

§4005(a)(10)(l)(i)(l), §4005(a)(10)(l)(i)(IX)

El Condado de Nevada no tiene ningún canal de medios de comunicación específico para la población de habla hispana. Por lo tanto, la Oficina Electoral del Condado de Nevada consultó con el público y el LAAC del Condado de Nevada para establecer una lista de socios comunitarios que pueden asistir al educar a las comunidades de habla hispana del Condado de Nevada. Los anuncios de servicios públicos con el objetivo de informar a los electores y de promover la línea gratuita de asistencia al elector se publicarán en español en *The Union* y *Sierra Sun*.

Taller educativo para el elector bilingüe

§4005(a)(10)(l)(i)(VI)(ia)

En la primavera de 2018, la Oficina Electoral del Condado de Nevada realizará un taller educativo para electores bilingües para aumentar el alcance y la participación de la comunidad de habla hispana en el Condado de Nevada. El taller se traducirá al español. La fecha, el horario y el lugar de este taller se anunciarán públicamente, en inglés y español, con al menos 10 días de anticipación.

Línea gratuita de asistencia al elector en español

§4005(a)(10)(l)(vii)

La Oficina Electoral del Condado de Nevada proveerá una línea gratuita de asistencia al elector de habla hispana en el Condado de Nevada. Esta línea operará 29 días antes de la elección hasta las 5:00 p. m. del día posterior a la elección. El número de

esta línea se publicará en el sitio web de Elecciones del Condado de Nevada y en los materiales de votación enviados a los electores.

Identificación de los electores con idiomas minoritarios

§4005(a)(10)(l)(i)(V)

La Oficina Electoral del Condado de Nevada identifica a los electores de lenguas minoritarias según la preferencia de idioma indicada en el formulario de registro del elector. Los electores de lenguas minoritarias también podrán enviar un correo electrónico o llamar a la Oficina Electoral del Condado de Nevada para designar su preferencia de idioma. Nosotros recopilamos y almacenamos esta información en nuestro sistema de gestión electoral. Además, recibimos información sobre las comunidades con idiomas minoritarios de la Oficina del Censo de los Estados Unidos.

DRAFT

IV. CENTROS DE VOTACIÓN

Habrá un total de siete centros de votación disponibles en el Condado de Nevada. A continuación, se incluye una lista de todos los centros de votación con su ubicación y horario de operaciones.

Centros de votación móviles

§4005(a)(10)(B)(xiv)

La Oficina Electoral del Condado de Nevada está determinando los lugares remotos dentro del condado que tendrán el beneficio de un centro de votación móvil. Los lugares y horarios de operación de estos centros de votación móviles estarán disponibles en el sitio web de las elecciones del Condado de Nevada y en el material de votación que se envíe a los electores. Todos los centros de votación móviles tendrán la misma funcionalidad que cualquier centro de votación establecido.

Mapa de los centros de votación

§4005(a)(10)(l)(vi)(V)

Consulte el Apéndice F para obtener un mapa de todos los centros de votación del Condado de Nevada. Consulte el Apéndice G para obtener una descripción del centro de votación y de los mapas y ubicación de los lugares para entregar la boleta electoral en el Condado de Nevada.

Información sobre los centros de votación

Dotación de personal a los centros de votación

§4005(a)(10)(l)(vi)(IX)

Tentativamente, cada centro de votación tendrá al menos cuatro miembros del personal pagado, incluido el director del centro de votación. Los centros de votación ubicados en Truckee tendrán al menos un miembro del personal que domine el inglés y el español.

Diseño y plano de los centros de votación

§4005(a)(10)(l)(vi)(XI)

Los centros de votación se diseñarán de forma que garanticen el derecho de cada elector de emitir un voto independiente y privado. El equipo y las urnas para el depósito de las boletas electorales se ubicarán estratégicamente en el centro de votación para que los electores las identifiquen fácilmente y que el personal del centro de votación pueda supervisarlas. Consulte el Apéndice H para obtener información sobre el diseño y el plano de los centros de votación.

Planes de contingencia y seguridad

§4005(a)(10)(l)(vi)(VIII)

Garantizar la seguridad del voto

§4005(a)(10)(l)(iv)

La Oficina Electoral del Condado de Nevada garantizará la seguridad del voto que se emita en los centros de votación utilizando métodos y normas de seguimiento.

- Todo el personal del centro de votación estará bien capacitado y preparado para ayudar a los electores de todas las maneras posibles.

- El personal del centro de votación tendrá acceso al sistema de gestión electoral (Data Integrated Management System, DIMS) y podrá determinar si el elector está correctamente registrado, si el elector recibió una boleta, si el elector devolvió una boleta y qué tipo de boleta se le debe facilitar al elector para garantizar que todos los electores obtengan la boleta electoral que eligieron para emitir su voto en cada elección.
- Además, todas las computadoras portátiles conectadas al sistema de gestión electoral también se conectarán a VoteCal, la base de datos oficial de registro de electores a nivel estatal del Secretario del Estado de California. VoteCal registrará a los electores en todo el estado y notificará al personal del centro de votación si un elector está registrado como activo en otro condado y si el elector recibió o devolvió una boleta electoral en otro condado.
- Todo el equipo que se conectará con el servidor del sistema de gestión electoral cumplirá todas las medidas y normas de seguridad (§20158) con la ayuda del personal de los Servicios Generales e Informáticos del Condado de Nevada.
- Todos los centros de votación tendrán el equipo, los recursos y la señalización ubicada estratégicamente para garantizar que todos los electores tengan la oportunidad de emitir un voto independiente y privado.
- El equipo de votación HART Intercivic (JBC, eSlate y eScan) no se conectará a ninguna red. Todo el equipo se sellará con los sellos de elección oficial y se apagarán y asegurarán cuando los centros de votación se cierren.
- Todos los votos registrados, incluidas las boletas electorales en papel, las boletas electorales emitidas en equipos de votación, las boletas CRV, las boletas electorales provisionales y los votos con boletas electorales por correo se transportarán diariamente de manera segura a la Oficina Electoral del Condado de Nevada después del cierre de los centros de votación.

Medidas de prevención y posibles alteraciones

§4005(a)(10)(I)(vi)(VIII)(ia), §4005(a)(10)(I)(vi)(VIII)(ib)

Todo el personal del centro de votación y elecciones estará bien capacitado para enfrentar posibles alteraciones en los centros de votación. La Oficina Electoral del Condado de Nevada contará con personal de depósito experimentado para poder distribuir los materiales de reemplazo y el equipamiento necesario. Además, el personal del almacén estará capacitado para resolver problemas con el equipo. Todos los centros de votación tendrán teléfonos celulares para conectarse de manera rápida con el personal de

elecciones y del almacén cuando sea necesario. Consulte el Apéndice I para obtener una lista de las posibles alteraciones y respuestas que el personal del centro de votación y elecciones implementarán en caso de una alteración.

Mapa de los lugares para entregar la boleta electoral

§4005(a)(10)(I)(vi)(V)

Consulte el Apéndice J para conocer un mapa de los lugares para entregar la boleta electoral en el Condado de Nevada. Consulte el Apéndice G para obtener una descripción del centro de votación y de los mapas y ubicación de los lugares para entregar la boleta electoral en el Condado de Nevada.

VI. COSTOS Y AHORROS ESTIMADOS A CORTO Y LARGO PLAZO

§4005(A)(10)(I)(v)

La Oficina Electoral del Condado de Nevada determinó que los costos excederán los ahorros con la primera implementación de la VCA. Sin embargo, con base en la evidencia de Colorado en donde se implementó un modelo electoral similar, la Oficina Electoral del Condado de Nevada predijo que al celebrar las elecciones conforme a la VCA se fomentarán ahorros. Según un informe publicado por *The PEW Charitable Trusts*, los costos electorales de Colorado se redujeron en un promedio del 40 % después de que se implementó la Ley de Acceso al Elector y de Modernización de las Elecciones de Colorado de 2013.

Los costos estimados a corto plazo incluyen la compra impresoras de boletas electorales bajo pedido para todos los centros de votación que permitirán al personal imprimir todos los tipos de boletas electorales para esa elección dentro del condado. Entre los costos a corto plazo se incluye la compra de computadoras portátiles y de monitores para que el personal del centro de votación tenga la posibilidad de procesar a los electores directamente en el sistema de gestión electoral. Otros costos a corto plazo adicionales incluyen, pero no se limitan a, conexiones a Internet seguras en todos los centros de votación, entrenamiento exhaustivo para el personal, la compra de las urnas para depositar las boletas electorales y el alquiler de las instalaciones.

Los ahorros a largo plazo que se anticipan incluyen la reducción de los costos por equipamiento, incluida la compra del nuevo equipo y el mantenimiento del equipo, la impresión de las boletas electorales y la mano de obra.

Consulte el Apéndice K para obtener un ejemplo del presupuesto y de los costos y ahorros esperados para la elección primaria de junio de 2018 en comparación con la elección primaria de junio de 2014.

The following pages include publications, meeting materials, and media regarding the California Voter's Choice Act that will be implemented in Nevada County in June 2018.

Vote Centers: Easier to Vote, and Reducing the Costs of Elections

February 28, 2017

By Gregory J Diaz
Nevada County Clerk-Recorder and
Registrar of Voters

Starting with elections in 2018, Nevada County voters will find it easier to cast a ballot, thanks to the new California Voter's Choice Act, SB450.

Under the act, Nevada County is one of fourteen California counties that will enable voters to take the ballot that will be automatically mailed to all our registered voters and cast that ballot in a very convenient place if they choose not to mail it in.

The new process will doubtless save the County money. According to a 2016 Pew Research Report citing facts from Colorado's law, passed in 2013, election costs decreased on average by 40 percent. Currently, Nevada County has 48 polling stations. Under the new law, we'll have 7 Vote Centers.

The new California law transforms the voting process like this:

- Every registered Nevada County voter will receive a ballot, in the mail, 28 days before the election.
- Registered voters may return their ballots by mail, just like in the recent past.
- Or, if they choose, registered voters can cast their ballots at any Drop-Off location, or at any of the new Vote Centers that will be implemented next year. All will be listed in the ballot material.
- At Vote Centers, a voter may also obtain a replacement ballot or arrange for conditional same-day registration.

Nearly 78 percent of the 68,829 registered Nevada County voters are vote-by-mail. Approximately 80% of the mail ballots cast in the November Election was returned for processing.

The new Vote Centers and Drop-Off Locations will make it simpler for those who don't wish to mail in their ballots. Rather than having to go to a single designated polling place, voters can go to any Vote Center or Drop-Off Location.

Some Vote Centers will open as early as ten days before the election, and beginning on the Saturday before Election Day, Nevada County will have at least seven Vote Centers open through Election Day, and as many as five Drop-Off Locations.

The Vote Centers will also serve as problem-solving hubs for voters with questions.

As Registrar of Voters, my primary goal is to conduct elections that are safe and secure, as well as fair, accurate and accessible. During my nine plus years of service in Nevada County we have made great strides and introduced many changes and innovations. As a result, I can say with confidence that our elections process, from registration to tabulation, is second to none.

But I believe that we can always improve and this new voting process will do just that. We will also seek to assure that no barrier exists to discourage any voter from casting a ballot —a process I believe will assure that more of our fellow citizens participate in our democracy.

For example, security within Vote Centers will be a paramount issue. Each Vote Center will have an electronic mechanism for county staff to immediately access, at a minimum, all relevant voter registration data, such as name, address, date of birth, language preference, party preference and precinct.

The mechanism used to access this registration data will not be connected in any way to the system for verifying and tabulating ballots. Staff will be able to determine instantly whether a voter's ballot has already been cast, making it impossible for anyone to vote more than once.

It is incumbent on me, as Registrar of Voters, to develop a draft plan detailing how I will conduct elections under this new law. The law requires that I consult with the public before sending the plan to the California Secretary of State for approval, which I, of course, will do.

In addition, I will, as required, hold education workshops with community groups, including organizations that assist voters with disabilities and language minority communities.

Personally, I'm very pleased with this new, efficient, cost-effective law. Administration will be lean and efficient, with fewer election workers at fewer locations, enabling us to recruit experienced, qualified workers and utilize fewer supplies and machines. That's what happens when you drop down from 48 voting places to 7.

And there are other positive aspects to this wise law. Accessibility, such as under Americans with Disabilities Act (ADA) or Help America Vote Act (HAVA), will be easier and less expensive. Political parties and candidates will need fewer poll watchers. Provisional voting will be simpler: there will be no "wrong place" to vote.

In short, the new law makes the entire elections process more like it should be: easier for voters, as secure and accurate as possible, and less expensive than the current system.

And here's my pledge: I will implement this new system with full coordination with all County officials and with our primary constituency: you, the citizens of Nevada County.

GREGORY J. DIAZ

June 6, 2017

Dear Community Group Member:

The Nevada County Elections Office would like to invite you to participate in a special forum addressing California's recent voter legislation, California Voter's Choice Act, SB 450.

While SB 450 will not be implemented statewide until 2020, Nevada County has been selected as one of 14 pilot counties to enact the new changes to our voting processes effective for the 2018 Elections. These will include; every registered voter receiving a vote-by-mail ballot, centrally located full-service Vote Centers, conveniently located Drop-Off Locations, same day voter-registration and expedited results on Election Day.

The goal of the SB 450 legislation is to make voting more accessible for everyone by modernizing the voting process. In addition, the more streamlined process will significantly decrease election costs in the future. Achieving a successful implementation of the California Voter's Choice Act will create a smoother voting process and increase voter participation.

Please join us on June 15, 2017 at 10:00 am in the Providence Rooms at the Rood Center, for an informational workshop regarding this new election legislation. We value you your ideas, feedback and participation in the process.

Sincerely,

Gregory J. Diaz

Nevada County Clerk-Recorder/Registrar of Voters

GREGORY J. DIAZ

June 12, 2017

Dear Community Group Member:

Due to scheduling conflicts, the Nevada County Elections Office is rescheduling the California Voter's Choice Act SB 450 Forum for June 22nd, at 1:30. It was originally scheduled for June 15th at 10 am. Please note the forum will still be held in the Providence Rooms at the Rood Center.

We hope to see you there.

Sincerely,

Gregory J. Diaz

**MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT

1:30 P.M., THURSDAY, JUNE 22, 2017**

Providence Mine Rooms
Rood Center
250 Maidu Avenue, Nevada City, California

“Modernizing the Election Process”

June 22, 2017

AGENDA

A. INTRODUCTIONS/ OTHER VOICES

Staff: Greg Diaz, Sandy Sjoberg, Abby Kelly, Teal Caddy and Gwynn Waldsmith
Mike Somers, California SOS; Mary Ann Townsend; Geoff Flynn, KNCO; Ben Avansino, League of Women Voters; Joey Jordan, League of Women Voters; Eddie Garcia;
Itara O’Connell; Kristian Hamilton

Copies of the March 1, 2017 *Other Voices* opinion piece by Greg Diaz, were made available to attendees. Mr. Diaz spoke briefly about the piece and encouraged attendees to read it.

B. CALIFORNIA VOTER’S CHOICE ACT POWERPOINT

Presented by Sandy Sjoberg and Abby Kelly

After the PowerPoint presentation, Sandy Sjoberg answered multiple questions from the attendees. Eddie Garcia asked for clarification on the electronic transmittal of voter information at the vote centers in regard to same-day conditional voter registration. Mrs. Sjoberg explained the security involved with networks and the Elections Department EMS (elections management system), DIMS. She also directed Mr. Garcia to contact the Secretary of State’s Office for more information. Mrs. Sjoberg emphasized that as with any election model, SB 450 will not eliminate voter fraud. Itara O’Connell inquired about how someone would apply to work at a vote center. Mr. Garcia raised concerns in regard to the reduced number of citizens that would be working since polling locations would be reduced to 7 vote centers for the entire county. Mrs. Sjoberg explained that despite the reduced number of staff that would be required, there were still opportunities for the public to participate including working at the Vote Centers. She clarified however, that due to the length of time that Vote Centers will now be open, staff will be required to work multiple 8 hour days as well as attend extensive training classes. Mrs. Sjoberg stressed however, that the public is always welcome to observe the elections process in our office. One of our goals is transparency and education, both of which are accomplished by voters observing first-hand the election process including the post-election canvass.

C. CALIFORNIA VOTER'S CHOICE ACT:

Key elements and the implementation process

a. Public outreach

More public meetings will be scheduled in the coming months to explain SB 450 and its implementation as well as to encourage voter input. Mr. Diaz will have the next date available shortly.

b. Voter Accessibility and Language Assistance

Joey Jordan, representing the League of Women Voters, mentioned that their organization has a structured outreach plan already in place for the Spanish speaking population in Truckee. They would be willing to share that with our department. Ms. Jordan also suggested the following avenues of outreach; social media, print media, radio and Moonshine Ink.

Mrs. Sjoberg has been in contact with the Disability Community Advocate from FREED, Carl Sigmond. The Elections Department and FREED will be working together to promote and improve voter accessibility at our vote center locations.

c. Vote Centers and Drop-Off Locations

There will be 7 vote centers available to Nevada County voters. Two Vote Centers will be available 10 days prior to the election, with 5 more being added 4 days prior to and including Election Day. Vote Centers will serve as problem solving hubs as well as providing in-person voting for those whom wish to not return their ballot by mail.

Drop-Off locations will be available for 28 days prior to the election. These locations will be based on demographics, voter feedback and accessibility. One location will be accessible 24 hours a day, 7 days per week.

d. Adoption of detailed plan approved by California SOS

The Nevada County Elections Department must submit a detailed draft plan regarding all facets of implementing SB 450, including voter outreach, education, language assistance and voter accessibility.

D. MAIL BALLOTS

All registered voters will automatically receive a vote-by-mail ballot beginning 28 days prior to the election. The voter will have 3 options for returning the ballot; by mail, Drop-Off locations or at a Vote Center.

Based on returns from the November 2016 General Election, approximately 77% of Nevada County's voters, vote-by-mail.

The Nevada County Elections Department is looking into instituting a new ballot tracking system that is more advanced than the one we currently use.

E. PUBLIC COMMENT/QUESTIONS AND ANSWERS

Joey Jordan, League of Women Voters, suggested that perhaps other county departments could assist us in picking up ballots on a daily basis. Ms. Jordan also wanted everyone to know that the organization is very focused on educating voters in regard to the SB 450 legislation.

Mr. Garcia asked if the new Vote Center model would change the traditional precincts that are currently in use. Mr. Diaz answered that he must do what the SOS directs him to do, in that regard. As of now, there are no plans to change the precincts.

NOTICE OF PUBLIC MEETING

NOTICE FROM THE NEVADA COUNTY CLERK-RECORDER-REGISTRAR OF VOTERS THAT A PUBLIC MEETING WILL BE HELD FOR WHICH THREE COMMITTEES WILL BE ESTABLISHED FOR VOTER OUTREACH REGARDING THE CALIFORNIA VOTER'S CHOICE ACT/SB 450.

NOTICE IS HEREBY GIVEN by Gregory J. Diaz, Nevada County Clerk-Recorder-Registrar of Voters, in accordance with the provisions of the Elections Laws of the State of California, that on Tuesday, August 29, 2017, there will be three public meetings in Providence Mine Room A at the Nevada County Rood Center.

NOTICE IS FURTHER GIVEN that the three committees to be established will be 1. Voter Education and Outreach (9:30-10:30 am) 2. Language Accessibility (10:30-11:30 am) 3. Voting Accessibility (2:00-3:00 pm).

NOTICE IS FURTHER GIVEN that any interested members of the public may sign-up for one of the committees by contacting the Nevada County Elections Office at 530-265-1298 or email at elections.mail@co.nevada.ca.us . August 18th is the deadline for sign-ups.

Gregory J. Diaz
Nevada County Clerk-Recorder/Registrar of Voters

Voter's Choice Act Sign Up for the Voter Education Workshops

August 11, 2017

By Gregory J. Diaz
Nevada County Clerk-Recorder and
Registrar of Voters

Three workshops to educate Nevada County voters on critical aspects of next year's new voting processes under California's Voter Choice Act take place on August 29th, however signups must be received by August 18th.

Signups can be made with the Nevada County Elections Office by phone at 530-265-1298, or by email at elections.mail@co.nevada.ca.us. If you miss this deadline, do not fret. Give us a call or send an email and we will sign you up.

The workshops are an integral part of the new elections process that begins in 2018. The new process will make it easier to vote, will reduce the costs of elections and make the voting process even more secure than it has been. All workshops take place in the Providence Mine Room at the Nevada County Rood Center.

The first workshop, at 9:30 a.m. on the 29th, will address Voter Education and Outreach. It will include a detailed explanation of how the Elections Office will use a comprehensive outreach program utilizing social media, newspapers, radio and television to inform voters of the new process. This session should be valuable for any voter who wishes to understand the new election process, and it will also be useful to those who may wish to participate in the elections process itself.

At 10:30 a.m. a workshop on Language Accessibility takes place, with emphasis on how the new voting process can be utilized effectively by voters for whom English is a second language.

Then, at 2 p.m., a workshop on Voting Accessibility begins, providing detailed information on how our office will work to provide increased accessibility and participation of eligible voters with disabilities under the new laws.

Our goal is to do everything in our power to make it possible —and easy — for every one of our nearly 70,000 registered voters to cast a ballot. We also want to make sure that every vote that is cast is counted correctly. And we are certain that we have done all that is necessary to assure that the only votes counted in Nevada County elections are those cast by lawfully registered voters. How we will continue to accomplish all this under the Voter Choice Act is what the workshops will explore.

Under the new election system, it will be impossible for anyone to vote more than once.

This new voting system, adopted by Nevada County and thirteen other California counties, came about through the California Voter's Choice Act (SB450), which was signed into law in September 2016. It transforms voting in several ways:

- Elections are all mail, that is, every registered voter will receive a ballot in the mail 28 days before the election.
- Voters can return their ballots by mail, as in the past.
- Or, voters can drop off their ballots at one of the designated Drop-Off Locations or seven Vote Centers strategically located to make it easy for voters to reach. All of these locations will be listed in the ballot material sent to voters.
- Vote Centers will also serve as problem solving hubs for voters; for instance if a ballot was mismarked, or a ballot not received, voters can go to any of the Vote Centers to get a replacement ballot or have any other issues addressed quickly.
- Same-day registration will also be available at these Vote Centers.

I urge anyone who wants to know all they can about elections to sign up by next Friday, and attend any or all workshop sessions on August 29.

It is my firm belief that California's elections are more efficient, honest and secure than any other state's. I am equally sure that Nevada County's new election process will be as good as it can possibly be. Come to a workshop and find out why I feel this way.

NOTICE OF PUBLIC MEETING

NOTICE FROM THE NEVADA COUNTY CLERK-RECORDER-REGISTRAR OF VOTERS THAT A PUBLIC MEETING WILL BE HELD FOR WHICH THREE COMMITTEES WILL HAVE A SUBSEQUENT MEETING FOR VOTER OUTREACH REGARDING THE CALIFORNIA VOTER'S CHOICE ACT/SB 450.

NOTICE IS HEREBY GIVEN by Gregory J. Diaz, Nevada County Clerk-Recorder-Registrar of Voters, in accordance with the provisions of the Elections Laws of the State of California, that between, October 11th through October 13th, 2017, there will be three public meetings held in Nevada County.

NOTICE IS FURTHER GIVEN that the Language Accessibility Committee meeting will be held October 11th (1:30pm-2:30pm) at the Family Resource Center of Truckee, 11695 Donner Pass Road, Truckee California 96161.

NOTICE IS FURTHER GIVEN that the Voter Education and Outreach Committee will be held October 12th (5:30pm-6:30pm) in the Gene Albaugh Community Room, 980 Helling Way, Nevada City, Ca 95959.

NOTICE IS FURTHER GIVEN that the Voting Accessibility Committee meeting will be held October 13th (1:30pm-2:30pm) at FREED Center for Independent Living, 2059 Nevada City Highway #102, Grass Valley, Ca 95945.

NOTICE IS FURTHER GIVEN that any interested members of the public may sign-up for any of the committee meetings by contacting the Nevada County Elections Office at 530-265-1298 or email elections.mail@co.nevada.ca.us.

Gregory J. Diaz
Nevada County Clerk-Recorder/Registrar of Voters

Nevada County Elections Department seeks community input on new Voter's Choice Act

Submitted to The Union

October 11, 2017

The Nevada County Elections Department will be holding Voter's Choice Act committee meetings to gain community input regarding the new law set to start in Nevada County January 1, 2018. Committee meetings will take place from 5:30 to 7 p.m. on October 12 at the Gene Albaugh Community Room, 980 Helling Way in Nevada City for education and outreach. Additionally a Voter Accessibility committee meeting will take place from 1:30 to 2:30 p.m. October 13 at FREED, 2059 Nevada City Highway, Suite 102 in Grass Valley. Everyone is welcome to attend, and it provides community members the opportunity to meet with the staff of the Nevada County Elections Department. For more information, contact the Nevada County Elections Department at 530-265-1298.

Nevada County Elections

August 29, 2017, 9:30-10:30 am

Agenda

- I. Staff introductions
- II. Attendee introductions
- III. Overview of Voter's Choice Act (VCA)
 - a. Vote by mail and vote center model
 - b. Conditional Voter Registration
- IV. Voter Education and Outreach
 - a. Nevada County's objectives for voter education and outreach.
 - i. To establish that the Voter's Choice Act is a modernization of the voting process. It will make voting and its administration more efficient.
 - ii. To establish that every registered voter will be receiving a vote by mail ballot regardless of having signed up for one.
 - iii. To establish that at any vote center you can: vote in person, drop off your ballot, or receive a replacement ballot.
 - iv. To establish that you can vote at any vote center you want 10 days before the election through Election Day. You are no longer limited to a single polling place.
 - v. To establish that ballots can be returned by mail, at a vote center, or at any official dropoff location.
 - b. Requirements per Elections Code 4005 (a)(10)(l)(i) regarding voter education and outreach
 - i. Use of media and public service announcements to educate voters about VCA
 - ii. How elections office will have a community presence
 - iii. How we will provide accessible ballots and reach the disability community
 - iv. Communicate how we will spend extra resources for increased voter education and outreach for this election
 - v. Two additional direct contacts to voters
- V. Closing
 - a. Feedback appreciated
 - b. Follow up meeting to be held in 1-2 months
 - c. Q&A

Feedback

Your feedback is much appreciated! Please answer the following questions and send your response to **Kristian Hamilton** (see email below). These responses will be published in a public Google Doc located at <https://tinyurl.com/VCAoutreach>. Please let us know if you would prefer your responses to be anonymous.

1. How can the elections department have a community presence in Nevada County? Who should we partner with? Where should we be?
2. What media outlets do you think reach most people in Nevada County?
3. What events would be most effective and appropriate for educating voters about the Voter's Choice Act and vote center model for elections?
4. Do you foresee any conflicts or confusion arising regarding this change in election procedure in specific areas or communities in Nevada County?
5. Please state any other ideas, comments, or concerns about voter education and outreach regarding the Voter's Choice Act.

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT Voter Education and Outreach Committee Meeting

9:30 A.M. Tuesday, August 29, 2017
Providence Mine Rooms
Rood Center
950 Maidu Avenue, Nevada City, California

Voter Education and Outreach

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Greg Diaz, Kristin Kopec, Kristian Hamilton, Teal Caddy, and Janice Gosalvez

Claudia Taylor, Helen Hall, David Briggs, Doug Bianchi, Judy Price, Carroll Kuczora, Bob Branstrom, Hilary Hodge, Camille Hald, Pau Spencer, Janice Bedayn, Fran Freedle, Mary Ann Townsend, Carl Sigmond, Chris Casey, Dora Rose, Bill Wasil, Jo Ann Rebane

Copies of SB 450/VCA flyers and agendas were provided to attendees.

Due to the circumstances of the meeting we were not able to identify all of the attendees who spoke at the meeting; therefore, all speakers will be identified as "attendee" hereinafter.

B. VOTER'S CHOICE ACT OVERVIEW

Presented by Kristin Kopec

Kristin explains what Nevada County Elections (hereinafter referred to as "we") has done in the past and what we will be doing going forward

1. The VCA will make it so every registered voter will be receiving a vote by mail ballot.
2. We will have a much smaller amount of vote centers than we did poll centers. We will have two open ten days before the election. Any voter from any county can vote their ballot or receive a paper ballot. Starting three days before the election we will have five additional locations open during normal business hours and those will be strategically placed in the county. We are trying to figure locations out right now, strategically placed based on elections code.

There will be drop off boxes starting 28 days before the election in our county we are required 5 drop off boxes, and have to be open 8 hours a day, one of them will be 24 hours. We have criteria to strategically place them.

3. Wanted to touch on Conditional Voter Registration. Previously, to be eligible you have to be registered or receive the registration 15 days before the election. Now people will be able to registered and be able to receive a conditional voter registration envelope. People will be able to submit their registration and a ballot that will be processed later on.
4. We are required to do an Election Administration Plan to submit to the Secretary of State (“SOS”). It explains how we are going to do this, where our drop off locations are going to be, where our vote centers are going to be, and what we are going to do for education and outreach.
5. We will be having meetings to get input from our committees and community in the future.

C. GOALS FOR VOTER EDUCATION AND OUTREACH

Presented by Kristian Hamilton

Kristian explains goals for voter education and outreach

1. It’s important that we are able to distill this bill into a few easily digestible points. So we’ve come up with list of goals for education and outreach.
2. It’s important to frame these points so people can have an easier time understanding the VCA. Thinking of the VCA as a modernization of the voting process is a good starting point.
3. We wanted to establish that every registered voter will be receiving a vote by mail ballot regardless of having signed up for one.
4. Some people are going to get hung up because they want to vote in person but think because they get a VBM ballot they can’t.
5. Another point is to establish that at any vote center you can: vote in person, drop off your ballot, or receive a replacement ballot. A concern might be that some people are afraid of receiving a VBM ballot too early and then losing it, and thinking that they won’t be able to vote anymore.
6. We want to establish that you can vote at any vote center you want 10 days before the election through Election Day.
7. Our next point is to establish that ballots can be returned by mail, at a vote center, or at any official drop-off location.

D. REQUIREMENTS FOR EDUCATION AND OUTREACH BY THE VCA

Presented by Kristian Hamilton

Kristian explains the requirements in the VCA for education and outreach for the purposes of the committee

1. We need to use media to reach the community. These include social media, radio, and periodicals.
2. We are required to have a community presence, that part of what we are doing at this meeting.

3. We are required to provide accessible ballots and reach the disability community. We are required to give at least one workshop to increase accessibility and participation of eligible voters with disabilities. The media outreach we need to do has to be accessible.
4. We are required to have two additional direct contacts to voters via mailings.

E. PUBLIC COMMENT / QUESTIONS AND ANSWERS

An attendee had a concern that vote center hours of operations would not be convenient for people who work. Kristin Kopec responded that it is required in code to have those normal business hours of operation, but again they will be open Saturday and Sunday to cover people who work during the work week. There is also early voting in the Nevada County Election's office.

The same attendee was concerned about vote integrity and that the changes increase the margin for error. Kristin explains that we've been using the same processes in our office, and that we know how to ensure that one person votes one ballot.

The same attendee's last question was about the connectivity of counties within California. Greg Diaz explained that in 2016 California instituted VoteCal. VoteCal is a statewide registration database. With the advent of VoteCal, instead of only being able to look at a single county's registered voter we can look at them all. Each vote center will have connectivity to VoteCal. We will know what you did in other counties in near real time.

An attendee asked if the data that is going to the state is transferred immediately and how are we doing that. Greg Diaz explained that it is in near-real-time, it's very quick from VoteCal.

An attendee asked if the vote centers will be accessible from public transportation. Kristin explained that that is one of our criteria and we are taking it into consideration. We are looking at 14 different factors required by code.

An attendee had a concern that when laws are made in Sacramento they do not translate well to our county. Many parts of Nevada County do not have access to public transportation, and was concerned Elections will center everything on public transportation and disenfranchise our most rural community members. They stated how we really need to be concerned about rural community members. Greg Diaz responded we have a pretty good idea of the lay of the land here, we understand the demographics. The EAP is going to take into account Nevada County's unique challenges; everything is going to be presented to the public for feedback.

GREGORY J. DIAZ

**You are invited to the second
Voter Education and Outreach Committee Meeting
Thursday, October 12, 2017
5:30 pm – 7:00 pm
Gene Albaugh Community Room
980 Helling Way
Nevada City, CA 95959**

Good Morning,

The Nevada County Elections Department would like you to join us for our second Education and Outreach Committee meeting!

The meeting is taking place Thursday, October 12, 2017 in the Madelyn Helling Library's Gene Albaugh Community Room. The library is located on 980 Helling Way in Nevada City. We will begin at 5:30 pm and expect to go until 7:00 pm.

At the meeting we will be consulting the public about Voter's Choice Act education and outreach. We will also be looking at demographic maps and taking feedback on vote center and drop-off locations. We'll have a very rough draft of our Election Administration Plan that we put together with your input for review.

At the start we'll be reviewing some of the feedback we've received since our last meeting. You can look at that feedback here:

<https://tinyurl.com/VCAoutreach>

If you haven't yet emailed any feedback, or have anything else to add, you can still do so by sending it to Kristian at Kristian.Hamilton@co.nevada.ca.us or by replying to this email.

We hope to see you there!

Sincerely,

Kristian Hamilton
Nevada County Elections
(530) 265-1354

Voter Education and Outreach Advisory Committee Meeting

**Committee Co-Chairs: Sandy Sjoberg and
Kristian Hamilton | kristian.hamilton@co.nevada.ca.us | (530) 265-1354**

*Nevada County Elections
October 12, 2017, 5:30-7:00 pm*

Agenda

- I. Staff Introductions
- II. Attendee Introductions
- III. Feedback Review
- IV. Voter Education and Outreach
 - a. Media Outlet Advertising Plan
 - b. Community Presence
- V. Election Administration Plan
 - a. EAP Progress
 - b. Map Overview
 - c. Determining Vote Centers and Dropoff Locations
- VI. Closing

Feedback

Your feedback is much appreciated! Please answer the following questions and send your response to **Kristian Hamilton** (see email below). These responses will be published in a public Google Doc located at <https://tinyurl.com/VCAoutreach>. Please let us know if you would prefer your responses to be anonymous.

1. What events would be an effective venue for voter education and outreach, not necessarily for Nevada County itself to attend, but for community partners as well?
2. What are some organizations that the Elections Department can reach out to that have audiences we can reach?
3. Are there media outlets you think we should work more with over others? Do you feel there is a media source people in Nevada County pay more attention to over everything else?
4. Please state any other ideas, comments, or concerns about voter education and outreach regarding the Voter's Choice Act.

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT Voter Education and Outreach Committee Meeting

5:30 P.M. Thursday, October 12th, 2017
Gene Albaugh Community Room
Madelyn Helling Library
980 Helling Way, Nevada City, California

Voter Education and Outreach

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Gregory Diaz, Sandy Sjoberg, Abby Kelly, Teal Caddy, Janice Gosalvez, Kristin Kopec, Kristian Hamilton

Chris Casey, Ben Avansino, Bob Branstrom, James Schwab, Paul Spencer

Copies of the agenda, list of local media outlets, media plan survey, and a list of local organizations were given to attendees.

B. FEEDBACK REVIEW

Presented by Sandy Sjoberg

Sandy reviews every point of feedback the Elections Department received since the last Voter Education and Outreach Committee meeting.

Sandy addresses someone's emailed concern about the reliability of the electronic registration database. An attendee then asks if this is a common concern, and then if information about the strength of the voting system should be wrapped into the education and outreach for the Voter's Choice Act. Another attendee pointed out that these kinds of concerns kept coming up in the last meeting. They think there should be way to refer people to information about VoteCal through our education and outreach. A third attendee then says that including this information with VCA education and outreach would be valuable; it could potentially stop unnecessary phone calls and people coming into the office.

It is brought up that the Secretary of State should be coordinating information about vote security and integrity and be working to educate the public about it. James said that they have put out a lot of statements in the past that they could potentially pull those together into a succinct message.

With regards to the VCA, Mr. Diaz says that he doesn't want to emphasize change, he wants to emphasize convenience.

C. MEDIA OUTLET ADVERTISING PLAN

Kristian reviews Nevada County's local media outlets:

1. The Union
2. Sierra Sun
3. Nevada City Advocate
4. KNCO
5. KVMR
6. YubaNet

An attendee points out that it may be helpful to have The Union's readership numbers in the Truckee area.

Kristian asks the attendees to fill out a survey to help in formulating an advertising plan for the VCA. Some questions asked are: what should the total budget be, who should the Elections Department advertise more with in Nevada county, and what size should Elections' advertising in print media be? Mr. Diaz points out that Elections will also need to determine how often to publish an ad.

James thinks that the most important thing to make people aware of in the ads is locations. Teal thinks the most important thing is that everyone is going to receive a ballot. An attendee says that the people who haven't been vote-by-mail in the past are going to be very confused when they get a ballot in the mail.

An attendee suggests that Elections could start with thirty second ads and then ramp up to sixty second ones as the election gets closer. An attendee says they don't think advertising should start until two weeks before ballots get sent out, before that Elections can just use free Public Service Announcements.

An attendee says that Elections should try using Facebook's advertising platform. James said last year Facebook put together voter guides that show up on your timeline for the county you are in. Teal suggests making Nevada County's Facebook page friendlier by changing the name to Nevada County Elections. James says that people generally don't know what registrar is.

Kristian asks how the attendees feel about click-bait advertising. "10 things you need to know" is suggested as a good way to get people's attention.

An attendee brings up NevadaCountyTV; they've set up a new green screen studio and have a new director. The attendee thinks they'd be welcome to working with us and possibly for free.

An attendee says that a lot of people don't know what a vote center is and that Elections needs to be sure to tell people what it is; the advertising really needs to hit those basics.

D. COMMUNITY PRESENCE

Kristian briefly goes over a list of community organizations that the Nevada County Elections Department put together and asks for more suggestions for the list.

Kristin says that one of the Starbucks in Grass Valley is the most attended in Northern California. James said Elections could work something out by putting posters up and that they can do ads on the heat-stoppers that go around the cup of coffee. The Secretary of State may be able to set up a regional thing with chains of Starbucks in counties that are going forward with the VCA.

An attendee suggests adding some more information to the organization list like a tag for organizations to give a little more information about them. They give the example that Elections may have a church on the list where half of the members speak another language and that information would be helpful at a glance.

An attendee suggests that to draw people into an event it helps to have someone there going over the contests on the ballot in a nonpartisan way.

An attendee suggests adding Wolf Creek Lodge Cohousing, The Gazebos, and Carriage House to the community organization list.

E. ELECTION ADMINISTRATION PLAN

Kristin starts by passing around drafts of the Election Administration Plan. She says the Elections Department is looking to publish a draft by the end of the month and then having a public hearing on it two weeks after that.

Kristin pulls up the maps for everyone to see on the projector screen. She starts by looking at a population density map of Nevada County. The Elections Department has an idea based on the maps of where the best areas are for vote centers but they are still determining specific locations.

The Elections Department is looking at doing a mobile vote center in addition to the ones required in code. The mobile vote center would potentially serve the geographically isolated population of North San Juan. It could also be set up to service assisted living facilities for a few hours at a time throughout the day.

APPENDIX C

The Nevada County Elections Office seeks to educate and reach out to as many potential voters as possible about the California Voter's Choice Act and to promote the toll-free voter assistance hotline. To accomplish this goal, the elections office, in consultation with the public, has created a list of many types of media that have a variety of audiences. However, Nevada County's local media choices are limited by its population. As of 2016, the United States Census Bureau estimated Nevada County's total population to be 99,107.

Below are descriptions of the local media that explain why these specific media were chosen.

- *The Union*: *The Union* is the only daily newspaper in Nevada County. It is a paid paper that is published every Monday through Saturday. It has an average daily print readership of 23,000.
- *Sierra Sun*: *Sierra Sun* is a prominent publication in the Truckee area (eastern Nevada County). It is a free newspaper that is published twice weekly and has over 250 distribution points. It reaches about 10,500 readers on Wednesdays and 30,000 on Fridays.
- *Nevada City Advocate*: *Nevada City Advocate* is a free, local monthly print publication that has distribution points throughout western Nevada County.
- *YubaNet*: *YubaNet* is a popular news website serving the Nevada County area that reaches a substantial percentage of the local population.
- KNCO: KNCO is a local AM radio station that primarily reaches adults ages 23 and older in the Nevada County area.
- KVMR: KVMR is a local FM radio station that reaches 40,000 unique individuals each week.

APPENDIX D

The Nevada County Voter Accessibility Advisory Committee was established on August 29, 2017, and had its second meeting on October 13, 2017. The following pages include documents related to this committee.

Invitation

Voter Accessibility Committee Introductory Meeting

August 29th, 2017, Eric Rood Administration Center

950 Maidu Ave, Nevada City, California

Providence Mine Rooms A, 2:00pm – 3:00pm

On behalf of the County of Nevada Elections Department, we would like to invite you to attend our Voter Accessibility Committee August 29th from 2:00pm to 3:00pm. Our committee will include representatives from the disability community and community organizations and individuals that advocate on behalf of, or provide services to, individuals with disabilities. This initial meeting will introduce the Voter Choice Act, SB450. This new voting model will allow for voters to have more choices, opportunities and flexibility to engage in the election process.

Our agenda will include introductions from staff and attendees, specific information from the bill, how the elections office plans to implement the bill's specific requirements, and a Q&A from attendees regarding personal concerns, suggestions, or additional information.

Please RSVP # 530-470-2783, or by email teal.caddy@co.nevada.ca.us to confirm your space or spaces at the meeting. Additionally, there will be an audio file available after the meeting on the Elections website. If you are unable to attend, but have information that you would like to pass along, please feel free to pass along that information.

Best Regards,

Teal Caddy
Clerk-Recorder Assistant II
Nevada County Elections Department
950 Maidu Ave., Ste 210
Nevada City, CA 95959
Phone: (530) 470-2783

VAC Agenda

August 29, 2017

- Introductions by attendees

- Overview of Voter's Choice Act

- Requirements of Voter's Choice Act
 - Vote Centers & Dropoff Locations
 - Accessible Voting for All Registered Voters
 - Voter participation with the VAC committee Meeting & Workshop

- How the Elections Office is prepared to meet requirements

- Closing
 - Questions and Answer
 - Follow Up Meeting

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT

Voter Accessibility Committee

2:00 P.M. Tuesday, August 29, 2017
Providence Mine Rooms
Rood Center
950 Maidu Avenue, Nevada City, California

Voter Accessibility

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Greg Diaz, Teal Caddy, Janice Gosalvez, Kristin Kopec, Kristian Hamilton

James Schwab, David Briggs, Carl Sigmond, Dora Rose, Mary Ann Townsend, Jana Lean, Jo Ann Rebane, Camille Hald, Bob Branstrom

Copies of SB450/VCA flyer and agendas were provided to attendees.

Due to the circumstances of the meeting we were not able to identify all of the attendees who spoke at the meeting; therefore, all speakers will be identified as "attendee" hereinafter.

B. VOTER'S CHOICE ACT OVERVIEW

Presented by Teal Caddy

Teal goes over what the Voter's Choice Act (VCA) is:

1. The California Voter's Choice Act, SB450, is designed to help people vote more easily and is dependent upon public input.
2. Every voter receives a vote-by-mail ballot
 - a. The ballot can be mailed
 - b. The ballot can be put in drop boxes around Nevada County
 - c. The ballot can be exchanged for a ballot than be voted at a vote center
 - d. Voters can sign up for a facsimile ballot that they can fill out via their computer at home, through Democracy Live and mail or fax to the Elections Office.
3. Two committees are to be developed with participation from the public. The Voter Accessibility Committee (VAC) and the Language Accessibility Committee (LAC). The voices

that will be heard in the committee will help the Elections Department create a plan that allows the VCA to reach all eligible voters with voters who have accessibility issues, need voter information, or voter information in another language.

C. REQUIREMENTS OF THE VCA REGARDING THE VAC

Presented by Teal Caddy

Teal goes over the accessibility requirements of the VCA in Elections Code 4005.

In addition:

1. A Voter Education and Outreach plan submitted to the Secretary of State will include direction from the VAC.
2. The administration plan will be posted on the internet in a format that is accessible to persons with disabilities.

D. HOW THE ELECTIONS DEPARTMENT IT PREPARED TO MEET THE VCA REQUIREMENTS

Presented by Teal Caddy

Vote Centers

1. If a voter is unable to vote the vote by mail ballot that will arrive in the mail, the voter has the ability to vote at a vote center (any voter may vote in person at a vote center) during the vote center's open hours.
2. Each vote center will have 3 voter accessible machines (Hart Intercivic eSlate) that are equipped with audio and can take input from jelly switches or a sip-and-puff device.

Voting Accessibility

1. If a voter has a disability preventing them from filling out a paper ballot, or using an accessible voting machine at a vote center, the voter has the ability to complete a ballot using Democracy Live.
2. The ballot is put into the envelope that was sent with their vote by mail ballot or can even be faxed or emailed into the Elections Office.

Drop Box

1. Vote centers and ballot dropoff locations will be placed using a map (that will be created by the County of Nevada General and Information Services Department).
2. The map will be specifically created to touch on the 14 requirements of the VCA.

Mobile vote center

1. Mobile vote centers allow Election Staff to reach more voters by having a voting location close by.

2. The voting equipment will be brought to various locations to reach voters, who might not have been able to vote.
3. Possible locations: accessibility organizations, senior centers, college campuses, or geographically isolated areas.

E. PUBLIC COMMENT / QUESTIONS AND ANSWERS

An attendee asked if the county will have a truck that goes around as a mobile vote center. Teal said the Nevada County Elections Department (hereinafter referred to as “we”) doesn’t know exactly what it will look like but it will function the same way. It may just be a truck full of voting equipment that we set up briefly in a room at the destination. Teal wanted it to be accessible, and if it’s in a truck it might not be accessible. Greg Diaz said that we have done them in the past, and it was a good thing they did, so he wants to segue on that experience.

An attendee was asked to test it the Democracy Live software. It worked well but his biggest concern was that it was clear that it was designed for the ballot to be printed and mailed. Teal said that it can also be faxed. Their feedback is that it would be good to develop a digital way of submitting it. James Schwab, Secretary of State’s office, said that it is an ongoing debate and that a lot of the people in the cybersecurity world are afraid of the dangers of sending a voted ballot (digitally), even absent of nefarious intent, that something may get lost in transmission. In the case of states where you can send it your ballot by email, like Alaska, you have sign away on it saying you know that your ballot may be lost in transmission. There are people working on the best way to do it though, because email is the most convenient way.

An attendee commented on how great looking and functional Nevada County’s website is. It would be really helpful though if there was a dedicated voters with disabilities page, just to promote general accessibility accommodations we make that other people may not know about.

The same attendee said that the people in the room are really going to come into play for siting voting locations and drop off locations because we don’t necessarily have great data on where voters with disabilities are.

The same attendee said in relation to public transportation, that yes we can find out where public transportation routes are, but we should ask people what their experience is using it. For example, someone can get a ride to a vote center but there is a two hour lag time before they can get picked up again. So in that case it would be very inconvenient but not immediately obvious.

GREGORY J. DIAZ

Dear Voter Accessibility Committee Member,

The Nevada county Elections Department would like you to join us for our second Voter Accessibility Meeting!

The meeting is taking place Friday, October 13, 2017 1:30pm-2:30pm at FREED, located at 2059 Nevada City Highway #102, Grass Valley, CA.

At the meeting we will be consulting with the public regarding Voter's Choice Act-Voter Accessibility. We will also be looking at demographic maps and taking feedback on vote center and drop-off locations. We'll have a very rough draft of our Election Administration Plan that we put together with your input for review.

Please fill out the questionnaire that is attached, this will help us get important information that will be imperative in implementing the Voter's Choice Act.

If you have anything else to add, you can still do so by sending it to Teal at Teal.caddy@co.nevada.ca.us.

We hope to see you there!

Sincerely,

Teal Caddy
Clerk-Recorder Assistant II
Nevada County Elections Department
950 Maidu Ave, Ste 210
Nevada City, CA 95959
PH: (530) 470-2783

VAC Agenda

October 13, 2017

- Introductions

- Voter Choice Act Brief Review

- Consultation with the public regarding the Elections Administration Plan (EAP)

- Review the data from the maps and discuss possible Vote Center locations

- Discuss questions that have been presented in the first VAC meeting (See questions on next page)

- Questions and Answers

Questions to Consider

- What media outlets would reach the senior and accessibility population?
- Do you feel there will be confusion with the VCA?
 - How would it be best to combat that confusion?
- How could the Elections Department reach the most voters?
- Do you see areas where the Elections Office could improve in regards to accessibility issues?
- Do you know of a great location for a Vote Center?
- Please feel free to contact me regarding any questions, comments or concerns you may have.

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT

Voter Accessibility Advisory Committee Meeting

1:30 P.M. Friday, October 13th, 2017
Freed Center for Independent Living
2059 Nevada City Hwy #102, Grass Valley, California

Voter Accessibility

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Sandy Sjoberg, Teal Caddy, Janice Gosalvez, Kristin Kopec, Kristian Hamilton

Carl Sigmond, Janice Bedayn, Sandy Jacobson, Niki Davis, Joe Glick, Paul Spencer, Mindy Romero

Copies of the agenda, Voter's Choice California's flyer, and Election Administration Plan calendar were given to all of the attendees.

B. VOTER'S CHOICE ACT OVERVIEW

Teal starts the meeting with an overview of the VCA for the new attendees. Everyone will be receiving a vote-by-mail ballot, and Nevada County will be moving to the vote center model. Instead of having over 50 polling locations on one day, Nevada County will have 7 vote center locations. 2 of the vote centers will be open for eleven days and 5 of the vote centers will be open for four days.

Teal says that they are looking to set up a partnership with a paratransit to possibly provide free rides on Election Day.

Sandy says that the law requires us to make available an accessible ballot. She says they will send a link directly to the person's email that needs it and from it they can get a digital copy of the ballot which they can then mail back.

Kristin says each voter will be receiving a postage-paid postcard that they can send in, for requesting a remote-accessible, vote-by-mail ballot.

C. ELECTION ADMINISTRATION PLAN AND MAPS

Kristin says that they are going to have 7 vote centers. Vote centers will not be limited to precincts like polling places are. You can update registration and register the same day as you vote at vote centers.

Kristin refers everyone to the EAP calendar. The Elections Department is looking to have the draft EAP published by October 31st and holding a public meeting for it on November 14th. As of right now Elections is looking to submit the plan to the Secretary of State on December 4th.

Kristin displays maps on the projector. The first one is a population density map of Nevada County. Kristin says that they are planning on having the eleven day vote centers in Nevada City and Truckee. They are looking at having 2 of the four day vote centers in Grass Valley, 1 in Penn Valley, 1 in South County, and 1 in Truckee. They've determined these based on criteria like, population density and transit routes. Their goal is to place these vote centers within half a mile of a transit stop. They are also looking at criteria like areas with high population of people with disabilities. They are looking at serving the geographically isolated population of North San Juan with a mobile vote center.

An attendee suggests that Old Tunnel Road would be a good location for a mobile vote center because it has three senior apartment complexes: Nevada Commons, Nevada Roads, and Grass Valley Senior Apartments.

Kristin says that Colorado received around 80% of their ballots in dropoff boxes.

An attendee suggests that the Elections office looks at sites near assisted living homes. An attendee suggests that it is important to get in touch with the receptionists at these homes because the people who live at them are familiar with the receptionists and could be useful in disseminating information.

Sandy says it's great to get out into the community and get feedback because there are lots of things that are hard to account for without community feedback. An attendee says there are a lot of people in our community who just have an iPad and no printing device.

Teal asks the attendees for any media sources that they can use to reach people in the community.

Sandy says that meals on wheels might be a good way to get people their ballots. An attendee says that they did a survey recently with their clients and it showed they trusted their meals on wheels drivers the most. Kristin suggests passing out a flyer with the meal.

An attendee thinks that the VCA is a courageous undertaking and they think it will fly, but Elections really needs to get the word out about it to do so.

Teal asks how they can combat confusion at vote centers and attendee responds with lots of display boards and signs. An attendee suggests that Elections needs to make sure that vote centers have a polling place feel.

An attendee points out that it will be a challenge training everyone because voting procedures are strict. Sandy says that training over 300 poll workers will be a challenge. The attendee points out that a

systemic problem with the training is that they don't focus enough time on helping voters with disabilities and accessible equipment.

An attendee asks if there is a way Nevada County can make Sacramento County aware that Nevada County is doing the VCA as well. Sandy explains that they have been working with the counties, including Sacramento, that are going forward with the VCA.

Sandy says the county is getting ready to do website accessibility training. She asks if the attendees are able to test out the website and give feedback on how to make it more accessible.

An attendee suggests creating a voter with disabilities webpage, something that says how the Elections Department is going to make things accessible and what tools will be available. Inyo and Madera have really good ones.

An attendee from the California Civic Engagement Project from UC Davis wanted to make people aware of a vote center and dropoff siting tool they are working on. The tool can show geographic information based on required considerations in code. This is a way of aiding counties that don't have access to a lot of resources. They also go a step further by modeling and doing analysis on the data.

APPENDIX E

The Nevada County Language Accessibility Advisory Committee was established on August 29, 2017, and had its second meeting on October 11, 2017. The following pages include documents related to this committee.

Voter Language Accessibility Committee Meeting

Committee Chair: Janice Gosalvez

Janice.gosalvez@co.nevada.ca.us

Nevada County Elections

August 29, 2017 10:30-11:30 am

Agenda

1. Staff Introductions
2. Attendee introductions
3. Voter's Choice Act:
Voter's Choice Act Prezi
4. Objective of the Voter Language Accessibility Committee
To ensure that the new voting process can be utilized effectively by voters for whom English is a second language.
5. Language accessibility requirements under the Voter's Choice Act
 - a. Identify language minority communities
 - b. Media plans for language minority communities
 - c. Assist in planning voter education for language minority communities
 - d. Assist in planning the required public meeting for language minority communities
 - e. Establish a community presence in language minority communities
6. Are there any other groups or people that would be valuable assets to the Voter Language Accessibility Advisory Committee?
7. Feedback and Q&A
8. Follow up meeting to be scheduled in 1-2 months

Feedback

Your feedback is much appreciated! Please answer the following questions and send your response to Janice Gosalvez at Janice.gosalvez@co.nevada.ca.us. These responses will be published in a public Google Doc located at <https://tinyurl.com/languageoutreach>. Please let us know if you would prefer your responses to be anonymous.

1. What media outlets would be best to reach and educate voters in language minority communities?
2. How do we best implement the new voting process for voters for whom English is a second language?
3. Where are the minority language communities located in Nevada County that would benefit from a public voter language accessibility workshop regarding the Voter's Choice Act?
4. What are some ideas for recruiting potential bilingual staff members for vote centers?
5. Where would be the best locations for vote centers in regards to language minority community access?
6. Please state any other ideas, comments, or concerns about voter language accessibility regarding the Voter's Choice Act.

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT

Language Accessibility Advisory Committee Meeting

10:30 A.M. Tuesday, August 29, 2017
Providence Mine Rooms
Rood Center
950 Maidu Avenue, Nevada City, California

Language Accessibility

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Greg Diaz, Janice Gosalvez, Teal Caddy, Kristin Kopec, Kristian Hamilton

Teresa Crimmens, Yami Gutierrez, Caroline Fragoso, Alex Keeble-Toll, Kelsey Westfall, David Briggs, Christie Gillison, Judy Price, Bob Branstrom, James Schwab, Jo Ann Rebane, Joey Jordan, Dora Rose, Camille Hald, Mary Ann Townsend, Janice Bedayn

Copies of SB450/VCA flyer and agendas were provided to attendees.

Due to the circumstances of the meeting we were not able to identify all of the attendees who spoke at the meeting; therefore, all speakers will be identified as "attendee" herein after.

B. VOTER'S CHOICE ACT (VCA) OVERVIEW

Presented by Janice Gosalvez

Janice introduced the VCA with a slideshow presentation

1. The VCA is all about modernizing the voting experience. It's going to be all VBM ballots. You are no longer limited to your specific polling place, now you can go to any vote center that is open in the county. SB 450 was sponsored by Alex Padilla and was modeled after Colorado's 2013 Voter Access and Modernized Elections Act.
2. Nevada County will be a pilot county to implement this bill. Every voter is mailed a ballot. There will be drop off locations, vote centers, increased accessibility and public involvement. There will be expedited results on election night. There will be a staggered opening of vote centers starting 10 days before the election. Vote centers will be a problem solving hub for

voters. Voters can vote in person at any of those locations. The VCs will be staffed by employees not by volunteers.

3. There will be a minimum of 5 drop off locations for ballots determined by demographics and community feedback. The drop off boxes will be secure and the ballots will be collected from them daily. One location will be accessible 24 hours a day 7 days a week here at the Rood Center.
4. Every voter is mailed a ballot. They can return a ballot by mail, vote center, or drop off location. It won't be a huge change for Nevada County because 77-78% of its voters are already signed up to receive VBM ballots as of the last General Election in 2016.

C. REQUIREMENTS FOR THE LANGUAGE ACCESSIBILITY ADVISORY COMMITTEE

Presented by Janice Gosalvez

1. The objective for the LAC is to ensure that the new voting process can be used effectively by voters for whom English is a second language.
2. One requirement is to identify language minority communities. The Nevada County Election's Office (herein referenced as "we") needs the community to help us with this. We need to find good drop off locations.
3. We will be asking for the committee to get together to brainstorm and think of the answers to our questions.
4. In Nevada County, 3% or more of the voting age residents are members of the Spanish language minority and lack sufficient skills in English to vote without assistance. Nevada County is required to translate and post a facsimile ballot and related instructions in Spanish in a conspicuous location at the polling place. We do not yet fall into that category with any other language communities. We need to make a good faith effort to recruit bilingual poll workers for any precinct in which we meet that 3%. In the past that has been difficult to find bilingual poll workers, with the committees help, Janice thinks we will have a better time doing it. An attendee asked for clarification on how the location is defined for which the language accommodations must be made. Kristin Kopec explained that the county is split up into different precincts.
5. We also need to identify our media plans for the VCA in relation to language minority communities.

D. PUBLIC COMMENT / QUESTIONS AND ANSWERS

An attendee asked if the voter information packet will be available in Spanish. Greg Diaz said we are looking at expanding our VIP packets so that some segments are in Spanish. Candidates are able to provide their statements in another language as an option. State propositions are always done in different languages; you can access those via the Secretary of State's website.

And attendee would like to advocate for the burden of translations to not fall on the candidates because they often do not have the money to pay for them. She said that in non-primary English speaking communities there may be less computer access to be able to access websites to do research and that it behooves us to make that easier by providing some sort of print for this. She says there's not a large number of Spanish speakers here so it wouldn't take a lot of effort to do this, it's only one other language.

An attendee had advice on how to translate complex information in a way that speaks to people who may not have a grasp of the English language. At first, she was operating under the assumption that it was enough to just translate something and provide it online in the same format and mediums that one would offer it to English speakers. However, it was pointed out to her that you can't necessarily assume that all speakers of a language have the same grasp of their own language that maybe a college-educated English speaking person would. It's not enough to translate directly into Spanish; you really have to think about the capacity of the person speaking that language, and what level of information you're providing. Sometimes the appropriate thing to do is to simplify the message so that it is actually useable.

An attendee suggested providing a simplified translation and one with the original, more complex message. Another attendee said that they would provide the simplified message and provide links so that people who were savvy enough to navigate a webpage could have access to the more complex information. They also said that there is a balancing act between oversimplifying information and providing a useful message. You don't want to simplify to the point that you are doing a disservice.

GREGORY J. DIAZ

You are invited to the
Voter Language Accessibility Committee Meeting
Wednesday, October 11, 2017
1:30pm – 2:30pm
Family Resource Center of Truckee
11695 Donner Pass Rd, Truckee, CA

The Language Accessibility Committee, in consultation with the public, has been formed to ensure that the new voting process, through the Voter's Choice Act, can be utilized effectively by voters for whom English is a second language. The Committee includes representatives from the language access community and community organizations and individuals that advocate on behalf of, or provide services to individuals with language barriers.

Our agenda will include introductions from staff and attendees, specific information from the bill, and a roundtable discussion on how to best meet the language accessibility requirements of the Voter's Choice Act most effectively. We appreciate all of the feedback that we've received so far and look forward to hearing more!

We have posted all of the meeting materials on our website, www.mynevadacounty.com, which includes audio of the last meeting. The following information is attached for your review:

1. Published articles by Gregory J. Diaz, Nevada County Clerk-Recorder/Registrar of Voters
2. Voter's Choice Act Presentation and Flier
3. Agenda, minutes, and feedback pages from the language committee meeting held on August 29, 2017
4. Language Accessibility feedback questions

Click [here](#) for the link to the Voter's Choice Act legislation (aka SB 450). If you're interested in researching Elections Code you can do so [here](#). The bulk the Voter's Choice Act requirements are in Elections Code §4005.

Please RSVP by phone 530-265-1771, or by email janice.gosalvez@co.nevada.ca.us to confirm your space at the meeting. If you are unable to attend, but have information that you would like to pass along, please feel free to email that information. The meeting agenda will be emailed in the near future.

Best Regards,
Janice Gosalvez
Nevada County Elections Department

Voter Language Accessibility Committee Meeting Agenda

Committee Chair: Janice Gosalvez

Family Resource Center of Truckee

October 11, 2017 1:30-2:30 pm

Agenda

1. Staff Introductions
2. Attendee introductions
3. Voter's Choice Act Overview
4. Object of the Voter Language Accessibility Committee
The Language Accessibility committee, in consultation with the public, has been formed to ensure that the new voting process, under the requirements of the Voter's Choice Act, can be utilized effectively by voters for whom English is a second language.
5. Overview of Language Accessibility requirements under the Voter's Choice Act
 - a. Identify language minority communities
 - b. Media plans for language minority communities
 - c. Assist in planning voter education for language minority communities
 - d. Assist in planning the required public meeting for language minority communities
 - e. Establish a community presence in language minority communities
6. Review Feedback from LAAC questions:
7. Roundtable Discussion:
The goal of the roundtable discussion is to generate *specific* ideas on vote center locations, drop box locations, bilingual workshop plan, best ways to recruit bilingual Spanish/English speaking poll workers for the vote center and workshop, *specific* Spanish radio & TV stations that are popular in the community as well as other media that we could use to reach the most people.
8. Q&A
9. Voter's Choice Act Bilingual Workshop to be scheduled Spring of 2018

Janice Gosalvez

MINUTES OF THE NEVADA COUNTY ELECTIONS DEPARTMENT

Language Accessibility Advisory Committee Meeting

1:30 P.M. Wednesday, October 11th, 2017
Family Resource Center of Truckee
11695 Donner Pass Road, Truckee, California

Language Accessibility

AGENDA

A. INTRODUCTIONS / OTHER VOICES

Staff: Gregory Diaz, Abby Kelly, Janice Gosalvez, Kristian Hamilton

Alex Keeble-Toll, Kelsey Westfall, Barbara Kane, Yami Gutierrez, Sarah Schrichte, Joanna Oseman, Kim Bateman, Teresa Crimmens, Dora Rose, Mike Somers, James Schwab, Milena Paez

Copies of the meeting agenda, a print out of feedback received since the last meeting, maps of the Truckee area, and Voter's Choice California's informational flyer were given to attendees.

B. VOTER'S CHOICE ACT (VCA) OVERVIEW

Presented by Janice Gosalvez

Janice explains that everyone will be getting a vote by mail ballot and voters will have three ways of voting:

1. You can vote by mail.
2. You can drop off your ballot at a dropoff location in the county.
3. You can vote in person at a vote center.

There will be seven vote centers. Two will be open starting 10 days before the election and five will be open starting 3 days before the election. The vote centers will be accessible and near public transit routes.

An attendee says that they live in a rural area and that its residents don't have a lot of confidence in their mail system. Mr. Diaz says that's why we will have dropoff locations, and that he wants more of them than the law requires, and that we will put them where people go. Abby says that getting potential locations from locals is very helpful.

C. ROUND TABLE DISCUSSION

Janice first asks the room to give suggestions of Spanish media outlets. An attendee suggests Radio Lazer, Tricolor, Univision and that there is another one that is in Reno that reaches Truckee as well.

It is brought up that flyers can get a lot of traction at schools. Outreach at schools can be done through “robocalls.”

It is important to have VCA materials translated into Spanish to be distributed by Promatora de Salud program at the Family Resource Center of Truckee. Tahoe Truckee Unified School District has a new adult school with English Second Language classes constantly happening in Truckee with high attendance so that’s another avenue where information can be disseminated.

Janice says that we are looking to hire bilingual workers to work in vote centers so it would be great if these organizations could also help us get the word out about that.

Mr. Diaz asks if all of these different counties coming up with their own translated materials might make things confusing. An attendee says that a glossary can be adopted to keep translations more consistent. James says that a lot of counties are just lifting language from the Voter’s Choice California flyer. James said that they are working on a VCA video based on the flyer.

An attendee asks what metrics are used to determine how successful the pilot counties are. It is brought up that the Secretary of State has a taskforce for reviewing VCA implementation. Things like voter turnout will be looked at.

It is brought up that the material should be marked very clearly “Nevada County” especially in Truckee so that people in Placer County are not confused.

Janice wants to move the discussion towards the voter education workshops. An attendee suggests that having the presenter at the workshop actually speaking Spanish will have the most impact instead of having an interpreter. The person thinks it would also be good to hold this workshop at the Truckee Family Resource Center because most Spanish speaking people in Truckee probably know the location. As far as the outreach goes it is important to make personal contact, make some phone calls. A suggestion was made to provide food and babysitting during the workshop.

Because high school students are required to do community service hours now, the Elections Department could potentially go to counselors and tell them we have an event we need help with. These students could potentially help with babysitting.

It is recommended that we do a workshop in Grass Valley in addition to the one in Truckee. In Truckee we should consider the timing of the events we do in order to avoid ice and snow.

James said that Alex Padilla, the California Secretary of State, would be willing to come up to Truckee for an event and present in Spanish.

Truckee’s average wages are more competitive than what the county would be able to pay poll workers.

Janice asks for feedback on locations for dropoffs and vote centers. An attendee suggests that the firehouse would be a good place for a dropoff.

Some attendees said that they would be willing to include education and outreach materials for the VCA with other materials they pass out or in an email.

An attendee states that they think Sacramento County has ruled out using schools as vote centers just because it is hard to get them for multiple days.

The bilingual hotline was discussed. Sacramento County has a phone service they use for interpreting. Three way interpreter services are available; for example when a Spanish speaker calls, you can dial up and add the interpreter to the call. The Elections Department should talk to the Nevada County Social Services Department to see how they do it.

APPENDIX F

Map of vote center locations with their days and hours of operation will be available when vote center locations are established.

APPENDIX G

Vote centers and ballot dropoff locations were determined based on criteria listed in Elections Code §4005(a)(10)(B). The data used to consider the criteria for siting vote centers and ballot dropoff locations was gathered from the Nevada County Elections Office's election management system and the United States Census Bureau. The most relevant criteria for placement of vote centers and ballot dropoff locations in Nevada County are the following: proximity to public transportation, proximity to communities with historically low vote by mail usage, proximity to population centers, proximity to language minority communities, proximity to voters with disabilities, proximity to communities with low rates of household vehicle ownership, and proximity to low-income communities. All vote centers and ballot dropoff locations will have accessible and free parking available.

It has been determined that isolated communities, senior living communities, disability facilities, and mobile home parks would greatly benefit from having a mobile vote center. Mobile vote center locations and hours of operation will be available closer to the election on the Nevada County Elections website and in the voter information pamphlet sent out to all voters.

The following pages include maps of some of the criteria for which vote centers and ballot dropoff locations were determined.

Gold Country Stage Route Map Public Transportation in Western Nevada County

APPENDIX H

VOTE CENTER LAYOUT

APPENDIX I

POTENTIAL DISRUPTIONS AT VOTE CENTERS

Potential Disruption	Response
Election Management System goes down	Vote center manager will notify elections office. If disruption is only at a specific vote center and lasts longer than 30 minutes, or any significant amount of time depending on amount of voters present, voters will be directed to another vote center or given the option to vote provisionally. If disruption is county-wide, vote center staff can issue provisional ballots via electronic voting equipment OR sample ballots OR paper ballots (if possible) in provisional envelopes if staff is able to determine correct ballot type or precinct for voter. Keep paper record of all voters and information to enter into DIMS once system is back up and running. Elections central will contact vendor right away and resolve the issue as soon as possible.
Power outage	Vote center manager will notify elections office. If power outage lasts longer than 15 minutes, direct voters to another vote center. Public will be notified via website, phone message, news, radio, social media, etc.
Weather	Vote center manager will notify elections office. If a vote center is unreachable or unsafe due to weather, a back-up vote center will be contacted and will be set up immediately for use. Public will be notified via website, phone message, news, radio, social media, etc.
Fire or Other Disaster	All staff and voters must first be evacuated safely. Vote center manager will notify elections office. If time allows, vote center staff will do the following in order: (1) securely remove all voted ballots from the facility (VBM, memory cards from equipment, paper ballots from black ballot box, CVR ballots), (2) secure/shut down all computers accessing election management system (3) secure/shut down all voting equipment, and (4) remove any computers/equipment if possible. Elections office will notify public via website, phone recording, news, radio, social media, etc., and inform public of alternate vote centers. A replacement vote center will be set up as soon as possible.

Potential Disruption	Response
Voting equipment stops working	While vote center manager resolves the issue, paper ballots can be issued to voters. Vote center manager will follow troubleshooting instructions provided in vote center manual for staff. If unable to resolve, vote center manager will contact elections office. If still unable to resolve, vote center manager will contact warehouse staff for replacement equipment.
Ballot on demand stops working	While vote center manager resolves the issue, electronic ballots can be issued to voters. Vote center manager will follow troubleshooting instructions provided in vote center manual for staff. If unable to resolve, vote center manager will contact elections office. If still unable to resolve, elections office or vote center manager will contact vendor for customer support.
Internet connection goes down	Vote center manager will follow troubleshooting instructions provided in vote center manual for staff. If unable to resolve, vote center manager will contact elections office. If still unable to resolve, elections office or vote center manager will contact county information services or internet provider for customer support. If internet outage lasts longer than 15 minutes, vote center staff can issue provisional ballots via electronic voting equipment or sample ballots or paper ballots (if possible) in provisional envelopes. Vote center staff will keep paper record of all voters and information for elections staff to enter into DIMS at elections office. If internet outage lasts longer than one hour, or any significant amount of time depending on amount of voters present, voters will be directed to another vote center. Public will be notified via website, phone message, news, radio, social media, etc.
Suspicious person or object	Vote center manager will contact security authorities depending on the situation.
Vote center employees don't show up	Vote center manager will contact elections office to find a replacement staff for the vote center. A list of trained backup staff will be maintained by the elections office.
Vote center is unusable	If the vote center is unusable for any reason, vote center manager will notify the elections office. A list of backup vote centers will be maintained by the elections office. Warehouse staff will assist vote center staff in moving and setting up the new vote center. Public will be notified of a change of location via website, phone message, news, radio, social media, etc.

APPENDIX J

Map of ballot dropoff locations with their days and hours of operation will be available when ballot dropoff locations are established.

APPENDIX K

Budget Comparison of 2014 State Primary Election and 2018 State Primary Election

Category	2014 State Primary Budget	2018 State Primary Budget	Difference
Labor & Salary	\$9,575.00	\$21,302.00	(\$11,727.00)
Vote by Mail Ballot Printing	\$57,000.00	\$141,440.00	(\$84,440.00)
Precinct Ballot Printing	\$40,000.00	-	\$40,000.00
Vote by Mail Ballot Postage	\$10,000.00	\$13,000.00	(\$3,000.00)
Sample Ballot Printing	\$60,000.00	\$105,000.00	(\$45,000.00)
Sample Ballot Postage	\$13,000.00	\$15,500.00	(\$2,500.00)
Outreach	\$7,205.84	\$89,085.00	(\$81,879.16)
Equipment & Supplies	\$119,543.00	\$284,546.00	(\$165,003.00)
Temps/Election Workers	\$102,658.00	\$144,987.04	(\$42,329.04)
Training	-	\$50,496.80	(\$50,496.80)
Vote Center Rental	-	\$5,000.00	(\$5,000.00)
Total Cost	\$418,981.84	\$870,356.84	(\$451,375.00)

Outreach Budget Comparison of 2014 State Primary Election and 2018 State Primary Election

Outreach Cost	2014 State Primary Budget	2018 State Primary Budget	Difference
Advertisements	\$1,272.84	\$20,000.00	(\$18,727.16)
Social Media	-	\$1,000.00	(\$1,000.00)
Equipment & Supplies for Events	-	\$3,000.00	(\$3,000.00)
Event Rentals	\$2,095.00	-	\$2,095.00
Mailings	\$3,838.00	\$64,000.00	(\$60,162.00)
Translation Services	-	\$1,085.00	(\$1,085.00)
Total Cost	\$7,205.84	\$89,085.00	(\$81,879.16)
