RFO #10-019
ADDENDUM #02

February 15, 2011

*The following changes are hereby made to Secretary of State RFO #10-019. All changes are indicated in **bold** and strikethrough:*

1. RFO Section – ATTACHMENT A: SCOPE OF WORK, 5.0 CONTRACTORS RESPONSIBILITIES, Deliverable 3: Validation and Verification Activities, 3B. First Paragraph (Page 5 of 18):

- 3B. Attend ~~two~~ **eight (8)** weeks of half-day confidential discussions (**one (1) round before draft proposals and one (1) to review draft proposals**) = **(1) week for each of four (4) proposals x two (2) = eight (8) weeks** with bidders to provide IV&V subject matter expertise. **Separately**, ~~Attend~~ draft and final proposal evaluations for ~~two~~ **four (4)** bids proposals at ~~two~~ **one (1)** weeks **for each proposal to review the proposals twice (once as drafts and once as finals) = eight (8) weeks** to determine whether reuse software (if proposed) is suitable for the proposed use in accordance with IEEE 1517-1999 (or alternate approved standard), assess the architecture of each proposal for feasibility, evaluate the degree to which each proposal meets or exceeds each business and technical requirement, and evaluate whether the proposed development schedule is practical for the development and implementation effort proposed.

Provide findings verbally during confidential vendor discussions and proposal evaluation meetings.

Except as stated herein this Addendum, all other terms and conditions of this RFO shall remain the same.
