### *Acknowledgements*

*The researchers would like to sincerely thank the county elections officials and staff throughout the State of California who took time to provide data to the project. Additionally, we are grateful to the Secretary of State's Office for its continuing support and interest in this project. Without their assistance, the completion of these yearly reviews and the California Elections Data Archive would not be possible.*

# CALIFORNIA ELECTIONS DATA ARCHIVE

## INTRODUCTION

The California Elections Data Archive (CEDA) is a joint project of the Center for California Studies, and the Institute for Social Research (ISR), at the California State University, Sacramento, and the office of the California Secretary of State. The purpose of CEDA is to provide researchers, citizens, public agencies, and other interested parties with a single repository of local election data. With over 6,000 local jurisdictions in California, the task of monitoring local elections is nearly impossible for individuals. CEDA addresses this problem through the creation of a single, cost-effective, and easily accessible source of local election data. CEDA includes candidate, and ballot measure results for county, city, community college, and school district elections throughout the State. CEDA thus represents the only comprehensive repository of local election results in California and one of a very few such databases on local elections in the U.S.

### How the CEDA Data is Collected and Reported

ISR staff collects election data periodically throughout each calendar year. This enables CEDA to incorporate results from special elections as well as all regularly scheduled elections. ISR staff enters election results from counties, cities, community colleges, and school districts into the CEDA database and then uses this database to generate three standard CEDA reports. These reports include:

- County Elections: Candidates, ballot designations, and vote totals for all elected county offices; vote totals and text for county ballot measures.
- City Elections: Candidates, ballot designations, and vote totals for all elected city offices; vote totals, and text for all city ballot measures.
- Community College and School District Elections: Candidates, ballot designations, and vote totals for all elective community college and school district offices; vote totals and text for all district ballot measures.

ISR staff codes ballot measures for all jurisdictions according to type (e.g., charter amendment, taxes, bond measure, initiative, etc.) and to topic (e.g., education, public safety, governance, etc.).

## **THE CEDA PARTNERSHIP**

### **THE CENTER FOR CALIFORNIA STUDIES**

Located at California State University, Sacramento, the Center for California Studies is a public policy, public service, and curricular support unit of the California State University. The Center's location in the state Capital and its ability to draw upon the resources of the entire State University system give it a unique capacity for making contributions to public policy development, and the public life of California. Center programs cover four broad areas: administration of the nationally known Assembly, Senate, Executive, and Judicial Administration Fellowship Programs; university-state government liaison and applied policy research; civic education and community service through forums, conferences, and issue dialogues; and curricular support activity in the interdisciplinary field of California Studies.

### **INSTITUTE FOR SOCIAL RESEARCH**

Established in 1989, the Institute for Social Research (ISR) is a multidisciplinary institute that is committed to advancing the understanding of the social world through applied research. The Institute offers research expertise and technical assistance serving as a resource to agencies, organizations, the University, and the broader community. Services provided by the Institute include research and sampling design, measurement, coding and data entry, computer assisted telephone and field interviewing, mailed and Internet surveys, focus groups, data base management, statistical analysis, and report production. ISR has completed numerous projects with more than 50 federal, state and community agencies, several private firms, and many administrative units of the university. Faculty affiliates of the Institute offer specific content expertise in a wide variety of disciplines, including the social sciences, health and human services, engineering, and education.

### **CALIFORNIA SECRETARY OF STATE**

Among their other duties, the Secretary of State acts as California's chief elections officer with the responsibility of administering the provisions of the Elections Code. The Secretary must compile state election returns, and issue certificates of election to winning candidates; compile the returns and certify the results of initiative and referendum elections; certify acts delayed by referendum, and prepare and file a statement of vote. Recent legislation permits but does not mandate that the Secretary of State compile local election results.

## TABLE 1.2 TEXT FOR CITY BALLOT MEASURES BY COUNTY, 2014

ALAMEDA	2/4/2014	Piedmont	Measure A	Pass
Shall the City of Piedmont, at City Council discretion, issue bonds or otherwise incur debt in a principal amount not to exceed \$8,000,000 to refinance a portion of the City's existing obligation to the California Public Employees Retirement System for the purpose of achieving debt service savings, as more specifically set forth in Ord. 711 N.S. which is on file with the Piedmont City Clerk?				
ALAMEDA	6/3/2014	Hayward	Measure C	Pass
To restore and maintain Hayward city services and facilities, including firefighting/emergency medical services; improving police protection for neighborhoods; replacing the aging library with a 21st century facility including safe space for after-school homework and tutoring; repairing potholes and streets; updating aging neighborhood fire stations; and other city services; shall the City of Hayward increase the sales tax by ½ percent, for twenty years only, providing locally controlled funding that cannot be taken by the State?				
ALAMEDA	11/4/2014	Berkeley	Measure D	Pass
Shall an ordinance imposing a 1¢ per ounce general tax on the distribution of sugar-sweetened beverages (e.g., sodas, energy drinks, presweetened teas) and sweeteners used to sweeten such drinks, but exempting: (1) sweeteners (e.g., sugar, honey, syrups) typically used by consumers and distributed to grocery stores; (2) drinks and sweeteners distributed to very small retailers; (3) diet drinks, milk products, 100% juice, baby formula, alcohol, or drinks taken for medical reasons, be adopted?				
ALAMEDA	11/4/2014	Berkeley	Measure F	Pass (2/3 required)
Shall the parks special tax be amended to sustain community parks like the Rose Garden, children's playgrounds, tennis, basketball courts, and ball fields, by increasing the per square foot tax rate from \$0.1256 to \$0.1466 and adding an inflation factor? Financial Implications: The annual cost increase in fiscal year 2016 would be \$39.90, from \$238.64 to \$278.54, for a 1,900 square foot home and \$210, from \$1256.00 to \$1466.00, for a 10,000 square foot building.				
ALAMEDA	11/4/2014	Berkeley	Measure O	Pass
Shall the Charter of the City of Berkeley be amended to conform to the provisions for the recall of elective officers to recent judicial rulings and the state Elections Code with respect to counting of votes, signature threshold, petition circulators, and signature verification, and adjust the deadlines for calling recall elections to allow for consolidation with statewide elections? Financial Implications: Potential cost savings from increased likelihood of election consolidation.				
ALAMEDA	11/4/2014	Berkeley	Measure P	Pass
Should the United States Constitution be amended to abolish the legal concept that corporations are persons that are entitled to constitutional rights, and the doctrine that the expenditure of money may be treated as speech?				
ALAMEDA	11/4/2014	Berkeley	Measure Q	Pass
Shall the People of the City of Berkeley advise the City Council to adopt an ordinance based on proposed federal legislation and the San Francisco Family Friendly Workplace Ordinance giving employees in Berkeley the right to request to work part-time, and send letters to the state and federal elected officials, requesting the state and federal governments to give government employees the right to have shorter work hours, if doing so would not cause operational problems?				
ALAMEDA	11/4/2014	Berkeley	Measure R	Fail
Shall an ordinance amending Zoning Ordinance provisions for downtown Berkeley be adopted to: establish new requirements for new buildings over 60 feet; eliminate current historic resource determination for Green Pathway projects; establish a Civic Center Historic District overlay; amend LEED requirements; change parking requirements; restrict some permitted uses; change prevailing-wage requirements for workers in specified categories; and reduce hours of operation for businesses selling or serving alcohol?				
ALAMEDA	11/4/2014	Berkeley	Measure S	Pass
Shall Ordinance No. 7,320-N.S. authorizing the adjustment of Berkeley City Council district boundaries pursuant to Section 9, Article V of the Berkeley City Charter, to equalize population in the districts as a result of population changes reflected in the 2010 decennial federal census be adopted?				
ALAMEDA	11/4/2014	Dublin	Measure T	Fail
Shall an ordinance be adopted that directs the City to pursue annexation of an area, called Doolan Canyon, beyond the City's adopted urban limit line and immediately east of the current city limits and consisting of approximately 1,650 acres of primarily agricultural and open space lands; and would allow the City Council to approve future development in that area without further voter approval, but only after it approves a comprehensive plan incorporating specified development restrictions?				
ALAMEDA	11/4/2014	Emeryville	Measure U	Pass
To enhance local control over funding essential city services, shall the City of Emeryville Charter be adopted to establish Emeryville as a charter city with the ability to adopt a local real property transfer tax, subject to voter approval? The city Council's powers otherwise remain unchanged and are limited by State general law, and any other powers as a charter city would have to be approved by the voters.				

## TABLE 1.2 TEXT FOR CITY BALLOT MEASURES BY COUNTY, 2014

ALAMEDA	11/4/2014	Emeryville	Measure V	Pass
To ensure funding to maintain essential city services such as: police, fire and emergency services protection; street, sewer and storm drain maintenance; park and open space development and maintenance; bike and pedestrian safety; child care and programs for youth and seniors, shall the City of Emeryville adopt a Real Property Transfer Tax paid only by buyers and sellers of property at the time of sale with all funds benefiting Emeryville?
