## *Acknowledgements*

*The researchers would like to sincerely thank the county elections officials and staff throughout the State of California who took time to provide data to the project. Additionally, we are grateful to the Secretary of State's Office for its continuing support and interest in this project. Without their assistance, the completion of these yearly reviews and the California Elections Data Archive would not be possible.*

# CALIFORNIA ELECTIONS DATA ARCHIVE

## INTRODUCTION

The California Elections Data Archive (CEDA) is a joint project of the Center for California Studies, and the Institute for Social Research (ISR), at the California State University, Sacramento, and the office of the California Secretary of State. The purpose of CEDA is to provide researchers, citizens, public agencies, and other interested parties with a single repository of local election data. With over 6,000 local jurisdictions in California, the task of monitoring local elections is nearly impossible for individuals. CEDA addresses this problem through the creation of a single, cost-effective, and easily accessible source of local election data. CEDA includes candidate, and ballot measure results for county, city, community college, and school district elections throughout the State. CEDA thus represents the only comprehensive repository of local election results in California and one of a very few such databases on local elections in the U.S.

### How the CEDA Data is Collected and Reported

ISR staff collects election data periodically throughout each calendar year. This enables CEDA to incorporate results from special elections as well as all regularly scheduled elections. ISR staff enters election results from counties, cities, community colleges, and school districts into the CEDA database and then uses this database to generate three standard CEDA reports. These reports include:

- County Elections: Candidates, ballot designations, and vote totals for all elected county offices; vote totals and text for county ballot measures.
- City Elections: Candidates, ballot designations, and vote totals for all elected city offices; vote totals, and text for all city ballot measures.
- Community College and School District Elections: Candidates, ballot designations, and vote totals for all elective community college and school district offices; vote totals and text for all district ballot measures.

ISR staff codes ballot measures for all jurisdictions according to type (e.g., charter amendment, taxes, bond measure, initiative, etc.) and to topic (e.g., education, public safety, governance, etc.).

## THE CEDA PARTNERSHIP

### THE CENTER FOR CALIFORNIA STUDIES

Located at California State University, Sacramento, the Center for California Studies is a public policy, public service, and curricular support unit of the California State University. The Center's location in the state Capital and its ability to draw upon the resources of the entire State University system give it a unique capacity for making contributions to public policy development, and the public life of California. Center programs cover four broad areas: administration of the nationally known Assembly, Senate, Executive, and Judicial Administration Fellowship Programs; university-state government liaison and applied policy research; civic education and community service through forums, conferences, and issue dialogues; and curricular support activity in the interdisciplinary field of California Studies.

### INSTITUTE FOR SOCIAL RESEARCH

Established in 1989, the Institute for Social Research (ISR) at California State University, Sacramento (CSUS) is a multidisciplinary institute that is committed to advancing the understanding of the social world through applied research. The Institute offers research expertise and technical assistance serving as a resource to agencies, organizations, the University, and the broader community. Utilizing quantitative and qualitative methods, ISR produces various types of assessments, program and policy evaluations, survey research, workload studies, and specialized analyses. Services include research design, sampling design, data collection and coding, computer-assisted telephone and field interviewing, mailed and online surveys, focus groups, database management, and statistical analysis. ISR has completed hundreds of projects with more than 50 federal, state and community agencies, private firms, and many academic units. Faculty affiliates of the Institute offer specific content expertise in a wide variety of disciplines, including the social sciences, health and human services, and education.

### CALIFORNIA SECRETARY OF STATE

Among their other duties, the Secretary of State acts as California's chief elections officer with the responsibility of administering the provisions of the Elections Code. The Secretary must compile state election returns, and issue certificates of election to winning candidates; compile the returns and certify the results of initiative and referendum elections; certify acts delayed by referendum, and prepare and file a statement of vote. Recent legislation permits but does not mandate that the Secretary of State compile local election results.

## TABLE 1.2 TEXT FOR CITY BALLOT MEASURES BY COUNTY, 2020

ALAMEDA	3/3/2020	Emeryville	Measure F	Pass (2/3rds required)
To maintain health communities and improve quality of life in Emeryville, shall a measure to protect the safety of local residents, reduce property crimes/auto burglaries, improve fire protection services, and provide a nurturing environment for pre-K/early childhood education for working families by levying a quarter-cent sales tax, raising approximately \$2 million annually, until ended by voter, with independent oversight and audits, exclusively for public safety and child development in Emeryville, be adopted?				
ALAMEDA	3/3/2020	Livermore	Measure P	Pass
Shall Ordinance No. 2089, approving a development agreement for the Wine Country Hotel at the Bankhead project (Development Agreement 19-001), be adopted?				
ALAMEDA	3/3/2020	Oakland	Measure Q	Pass (2/3rds required)
Shall a measure to provide: homelessness support services and programs to help homeless individuals move into shelters and housing; trash removal from parks and creeks; safe, well-maintained parks and trails; clean, accessible park restrooms; improved water quality; and park facilities repairs, by enacting an annual \$148 parcel tax for single-family parcels, and other parcels as specified, for 20 years, raising approximately \$21,000,000 annually with exemptions for low-income seniors, be adopted?				
ALAMEDA	3/3/2020	Oakland	Measure R	Pass
Shall a measure amending Oakland's City Charter to eliminate obsolete requirements for designation of the City of Oakland's Official Newspaper, and authorizing the City Council to establish procedures by ordinance to designate the City of Oakland's official newspaper or newspapers be adopted?				
ALAMEDA	3/3/2020	Oakland	Measure S	Pass
Shall the measure increasing the appropriations limit under Article XIII B of the California Constitution (which limits city expenditures of tax proceeds) to allow the City of Oakland to continue to expend revenues from taxes previously approved by Oakland voters for emergency medical services, paramedic services, library services, public safety and violence prevention services, homeless services and other lawful governmental purposes, without increasing or imposing new taxes, be adopted?				
ALAMEDA	3/3/2020	Piedmont	Measure T	Pass (2/3rds required)
Shall Ordinance 746 N.S, which maintains essential police, fire, and paramedic services, prevents the reduction in maintenance of City parks, greenspaces and other public areas, and prevents the loss of recreational and other public services, by renewing the City of Piedmont's expiring parcel tax for four years, with annual rates depending on use between \$551 and \$1,395 per parcel, or \$383 per dwelling unit, subject to CPI adjustment, raising approximately \$2,424,620 annually, be adopted?				
ALAMEDA	3/3/2020	Union City	Measure U	Fail (2/3rds required)
To maintain 9-1-1 emergency response times, paramedic services, fire prevention/protection, disaster preparedness, neighborhood police patrols, youth violence/gang prevention and safety at public schools shall Union City's measure extending expiring public safety funding be adopted at \$168 per parcel for the most common residential parcel (rates for other property types as described in the ballot pamphlet), providing approximately \$5,000,000 annually for eight years, with annual inflation adjustments, independent citizen oversight and all funds staying local?				
ALAMEDA	11/3/2020	Alameda	Measure AA	Pass
Shall the measure amending the City Charter to clarify the prohibition against members of the City Council interfering with City Manager's duties, authorize the City Attorney to prosecute State law misdemeanors, and amend outdated provisions, including utilizing gender neutral language, be adopted? Such amendments will be accomplished by amending Charter Sections 2-9, 2-16, 7-3, 8-2, 10-2, 10-3, 10-4, 10-4.1, and deleting Sections 2-15, 22-7, 22-8, as set forth in City Council Resolution No. 15673.				
ALAMEDA	11/3/2020	Alameda	Measure Z	Fail
Shall the measure amending the City Charter to repeal the prohibition against the building of multi-family housing in Alameda and amending the City Charter and the General Plan to repeal the citywide density limitation of one housing unit per 2,000 square feet of land be adopted?				

## TABLE 1.2 TEXT FOR CITY BALLOT MEASURES BY COUNTY, 2020

ALAMEDA	11/3/2020	Albany	Measure BB	Pass
Shall a measure be adopted to change the current method of electing City Council and Board of Education Members from obtaining a plurality of votes to Ranked Choice Voting, in order to make Albany's elections more representative of the votes and preferences of its voters?				
ALAMEDA	11/3/2020	Albany	Measure CC	Pass
To support City of Albany general services, with funding that cannot be taken by Sacramento, including: emergency response services, environmental programs, community services and local business programs, shall a measure increasing the City's real property transfer tax rate from \$11.50 to \$15.00 per \$1,000 purchased, providing an additional \$392,000 annually, until ended by voters, with all funds remaining local be adopted?
