

An aerial photograph of San Francisco, showing the dense urban landscape of the city. In the foreground, there are numerous small, multi-story residential buildings with flat roofs. In the background, the city skyline is visible, featuring several prominent skyscrapers, including the Transamerica Pyramid and the Salesforce Tower. The sky is clear and blue.

Acknowledgements

The researchers would like to sincerely thank the county elections officials and staff throughout the State of California who took time to provide data to the project. Additionally, we are grateful to the Secretary of State's Office for its continuing support and interest in this project. Without their assistance, the completion of these yearly reviews and the California Elections Data Archive would not be possible.

CALIFORNIA ELECTIONS DATA ARCHIVE

INTRODUCTION

The California Elections Data Archive (CEDA) is a joint project of the Center for California Studies, and the Institute for Social Research (ISR), at the California State University, Sacramento, and the office of the California Secretary of State. The purpose of CEDA is to provide researchers, citizens, public agencies, and other interested parties with a single repository of local election data. With over 6,000 local jurisdictions in California, the task of monitoring local elections is nearly impossible for individuals. CEDA addresses this problem through the creation of a single, cost-effective, and easily accessible source of local election data. CEDA includes candidate, and ballot measure results for county, city, community college, and school district elections throughout the State. CEDA thus represents the only comprehensive repository of local election results in California and one of a very few such databases on local elections in the U.S.

How the CEDA Data is Collected and Reported

ISR staff collects election data periodically throughout each calendar year. This enables CEDA to incorporate results from special elections as well as all regularly scheduled elections. ISR staff enters election results from counties, cities, community colleges, and school districts into the CEDA database and then uses this database to generate three standard CEDA reports. These reports include:

- County Elections: Candidates, ballot designations, and vote totals for all elected county offices; vote totals and text for county ballot measures.
- City Elections: Candidates, ballot designations, and vote totals for all elected city offices; vote totals, and text for all city ballot measures.
- Community College and School District Elections: Candidates, ballot designations, and vote totals for all elective community college and school district offices; vote totals and text for all district ballot measures.

ISR staff codes ballot measures for all jurisdictions according to type (e.g., charter amendment, taxes, bond measure, initiative, etc.) and to topic (e.g., education, public safety, governance, etc.).

THE CEDA PARTNERSHIP

THE CENTER FOR CALIFORNIA STUDIES

Located at California State University, Sacramento, the Center for California Studies is a public policy, public service, and curricular support unit of the California State University. The Center's location in the state Capital and its ability to draw upon the resources of the entire State University system give it a unique capacity for making contributions to public policy development, and the public life of California. Center programs cover four broad areas: administration of the nationally known Assembly, Senate, Executive, and Judicial Administration Fellowship Programs; university-state government liaison and applied policy research; civic education and community service through forums, conferences, and issue dialogues; and curricular support activity in the interdisciplinary field of California Studies.

INSTITUTE FOR SOCIAL RESEARCH

Established in 1989, the Institute for Social Research (ISR) at California State University, Sacramento (CSUS) is a multidisciplinary institute that is committed to advancing the understanding of the social world through applied research. The Institute offers research expertise and technical assistance serving as a resource to agencies, organizations, the University, and the broader community. Utilizing quantitative and qualitative methods, ISR produces various types of assessments, program and policy evaluations, survey research, workload studies, and specialized analyses. Services include research design, sampling design, data collection and coding, computer-assisted telephone and field interviewing, mailed and online surveys, focus groups, database management, and statistical analysis. ISR has completed hundreds of projects with more than 50 federal, state and community agencies, private firms, and many academic units. Faculty affiliates of the Institute offer specific content expertise in a wide variety of disciplines, including the social sciences, health and human services, and education.

CALIFORNIA SECRETARY OF STATE

Among their other duties, the Secretary of State acts as California's chief elections officer with the responsibility of administering the provisions of the Elections Code. The Secretary must compile state election returns, and issue certificates of election to winning candidates; compile the returns and certify the results of initiative and referendum elections; certify acts delayed by referendum, and prepare and file a statement of vote. Recent legislation permits but does not mandate that the Secretary of State compile local election results.

Without raising current tax rates, and to maintain City services including Police and Fire, 9-1-1 emergency services, park maintenance and repair, youth and senior recreation, and for unrestricted general revenue purposes, shall an ordinance be adopted to continue the existing Utility Users Tax at the current rate of 3.75%, by removing the sunset date until voters otherwise decide, providing approximately \$700,000 annually that cannot be taken by the State?				
STANISLAUS	11/8/2022	Modesto	Measure G	Pass
To promote efficiency, transparency, and modernization of City government, shall the Charter of the City of Modesto be amended to increase and clarify the powers and duties of the City Auditor, create a permanent audit committee, change the timing of the mayoral election to coincide with the statewide primary and general election, adjust the timeline for preparation and adoption of the annual budget, and make several other minor changes?				
STANISLAUS	11/8/2022	Modesto	Measure H	Pass
To fund general city services in the City of Modesto, such as police patrols, gang, drug, and crime prevention; fire protection, paramedic/911 emergency response; addressing homelessness; cleaning-up trash and illegal dumping; keeping streets, parks, sidewalks, landscapes and infrastructure safe, clean, and well-maintained, shall an ordinance establishing a one-cent sales tax be adopted, providing \$39,000,000 annually for general government use in Modesto until ended by voters, with citizen oversight and all money locally controlled?				
STANISLAUS	11/8/2022	Waterford	Measure B	Pass
Shall the elective mayor for the City of Waterford serve a four-year term?				
SUTTER	11/8/2022	Yuba	Measure Z1	Fail
Shall the office of the city treasurer be appointive?				
SUTTER	11/8/2022	Yuba	Measure Z2	Fail
Shall the office of the City Clerk be appointive?				
TEHAMA	11/8/2022	Red Bluff	Measure E	Fail
Shall the Ordinance be adopted? This proponent driven Ordinance would replace the City's existing Ordinance No. 1063 which was passed on February 15, 2022, and which currently allows Commercial Cannabis activity within City Limits including dispensaries, delivery, cultivation, manufacturing, testing, and microbusiness. The proposed Ordinance replaces the existing City Ordinance and in general, allows for a sliding scale of commercial activities based on population, consumption lounges, places a local preference on all applications, and regulates personal cultivation.				
TULARE	11/8/2022	Exeter	Measure B	Pass
Voters in California voted to impose state taxes on licenses cannabis businesses. Shall Ordinance No. 706 be enacted, imposing a local general tax on cannabis businesses at a rate not exceeding \$25 per square foot (annually adjusted by CPI) or 10% of gross receipts, to maintain public safety and general City services for Exeter residents; generating undetermined revenue until repealed?				
TULARE	11/8/2022	Farmersville	Measure A	Fail
Shall the measure enacting a ten percent (10%) Transient Occupancy Tax to be paid by hotel guests in the City of Farmersville providing funding for general purposes such as city services, programs, economic development, and capital improvements, which is expected to generate an estimated \$185,000 annually per hotel and is effective until repealed by the voters, be adopted?				
TULARE	11/8/2022	Tulare	Measure Y	Pass
To fund general municipal expenses such as police, fire, address homelessness, roads, and recreation, shall the City tax cannabis businesses at annual rates not to exceed \$10.00 per canopy square foot for cultivation (adjustable for inflation), 10% of gross receipts for retail cannabis businesses, and 10% for all other cannabis businesses will be levied until repealed by the voters or the City Council?				

TABLE 1.2 TEXT FOR CITY BALLOT MEASURES BY COUNTY, 2022

TUOLUMNE	11/8/2022	Sonora	Measure Y	Pass
Shall the measure to maintain the City of Sonora essential services such as Police, Fire, Street Repair, and other core services by establishing a 1 % sales and use tax ("Sales Tax"), providing the City of Sonora approximately \$3.9 million dollars annually for a period of twenty (20) years until March 31, 2043, be adopted?				
VENTURA	11/8/2022	Ojai	Measure L	Fail
Shall the voters amend the Ojai Municipal Code to repeal Measure A and return to five elected city council members and a mayor selected by rotation from among the five elected city council members?				
VENTURA	11/8/2022	Ojai	Measure M	Pass
Shall the voters authorize, at the discretion of the City Council, the use of ranked choice voting, also known as instant runoff voting and allowing voters to rank candidates for elected office in order of preference, to elect City offices at-large, thereby amending the Ojai Municipal Code to no longer elect City Council members by district, if the City Council implements it starting with the November 2024 general election?				
VENTURA	11/8/2022	Oxnard	Measure C	Pass
Shall an ordinance be adopted that would modify existing term limits on members of the City Council and the Mayor so that those elected officials would be limited to serving two consecutive terms as Mayor and/or Councilmember until at least two years have lapsed from the time that official last served as a member of the City Council or as Mayor?				
VENTURA	11/8/2022	Port Hueneme	Measure D	Fail
Shall the City of Port Hueneme change its name to the City of Hueneme Beach and amend its Charter to reflect the change of name?				
YOLO	6/7/2022	Davis	Measure H	Fail
Shall Resolution 22-010 be adopted to approve a mixed-use innovation center with lab and research facilities, offices, market-rate and affordable housing, hotel/conference center, parks, and community sports fields, by amending the City of Davis General Plan to change land use designations for the Davis Innovation and Sustainability Campus 2022 (DiSC 2022) and Mace Triangle properties from Agriculture and Public/Quasi-Public to Innovation Center, Urban Agriculture Transition Area, General Commercial and Public/Semi-Public, and establishing Baseline Project Features?				
YOLO	11/8/2022	Woodland	Measure J	Fail
Shall the salary for City Council members of the City of Woodland be increased from \$250 to \$500 per month, and in the future be adjusted by City ordinance in accordance with State law?				
YOLO	11/8/2022	Woodland	Measure K	Pass
To improve City services, such as law enforcement, parks, youth/senior services, and street repair, and for general government use, shall a measure be adopted enacting a tax on cannabis businesses up to 10% of gross receipts, until ended by voters?
