RE: California Gubernatorial Recall Election: Computer Vote Count Program
and Election Observer Panel Plan (EOPP) - **Action Required**

For the upcoming September 14, 2021, California Gubernatorial Recall Election, please submit to the Secretary of State by 5 P.M., September 7, 2021, the following:

1. Your Computer Vote Count Program for the September 14, 2021, California Gubernatorial Recall Election. Your Computer Vote Count Program is to be submitted to the Secretary of State through our new Axway Secure File Transfer Protocol (SFTP) site. The Axway SFTP is a different secure file transfer method from the VoteCal Portal used in previous years.

Due to the proprietary, file size, and sensitive nature of the Computer Vote Count Program, which is a backup of the voting systems tabulation database, it cannot be emailed, and must be uploaded to the Secretary of State through the Axway SFTP site. Use the following directions to submit your Computer Vote Count Program to our office:

- Compress all data into a single zip file, preserving file and directory names within the zip file and name this single file to include your county name and the date of the election. (Ex: County_CCP_9.14.2021)
- The VoteCal Help Desk Staff (VoteCalHelp@sos.ca.gov) will be reaching out to assign log in credentials required to access the Axway SFTP site.
- Log on to the Axway SFTP site, using your credentials provided by the VoteCal Help Desk and then:
 - Select "OVSTA" folder on left hand menu
 - Select "Upload"
 - Select the vote count program to upload to send to OVSTA

- OVSTA will receive an email notification that your file has been successfully transmitted and will send you an email confirmation.
2. Your Election Observer Panel Plan (EOPP). Attached is a suggested template for an EOPP. Feel free to use it in preparing your plan for the September 14, 2021, California Gubernatorial Recall Election. Please email this directly to OVSTA at: VotingSystems@sos.ca.gov.

Please contact OVSTA at (916) 695-1680 or VotingSystems@sos.ca.gov if you have any issues or questions regarding these documents.

Election Observer Panel Plan Template

I. County and System Information

1. Name of County
2. Name of Contact
3. Contact's Phone
4. Vendor and Voting Systems Used by County
5. Date

II. Purpose

The purpose of an Election Observer Panel is to:

1. Provide the public with the opportunity to observe and make suggestions on ways to improve the election process.
2. Help ensure the integrity of the election process.
3. Remove some of the mystery associated with the election process in an effort to build voter confidence and encourage more voter and public participation.

III. Invite

Between E-60 and E-30, prepare letters of invitation (see sample attached) to the following:

1. County Grand Jury
2. Political Party Central Committee Members
3. Advocacy Groups
4. League of Women Voters

Other groups or individuals expressing an interest in observing Election Day activities may also be included in the observer panel.

Note: You might want to consider offering to meet with groups, in-person or virtually, to provide an opportunity for the group members to ask questions about the process.

IV. Appointment Letters (for introduction to precinct workers)

After the groups have provided the names of interested panelists, prepare letters of introduction (see sample attached) for the panelist to use when visiting polling places on Election Day. Materials to be prepared for each panelist will include a listing of all polling places within the county for that specific election as well as the central counting site location and hours of operation.

V. Rules for Observers

Provided rules that observers must be aware of and follow:

Observers are responsible for:

- Checking in at each site, whether polling place or central counting site.
- Wearing an identification badge.
- Maintaining a professional manner while observing the election process.
- Ensuring they do not interfere with the election process.
- Following established county observation rules/policies.
- Being courteous to poll workers and election officials. Speak to them only when it is convenient and does not interfere with the conduct of the election.

Observers may:

- Observe the proceedings at the polls, including the opening and closing procedures.
- Obtain information from the precinct index that is posted near the entrance.
- Make notes and watch election procedures.
- View election-related activities at the central counting site on Election Day.
- View the canvass of the vote activities following the election.
- View vote-by-mail and provisional ballot processing.
- Ask questions of poll workers or voters at the polls as long as they do not interfere with the conduct of any part of the voting process.
- Ask questions of supervisors at the central counting site as long as they do not interfere with the conduct of the election procedures.

Observers may not:

- Interfere, in the judgment of the elections official, with the conduct of the election.
- Physically handle any voting materials or equipment without the express permission of the elections official.
- Move or rearrange tables, chairs, or voting booths at the polling place or central counting facility
- Sit at the official worktables or view confidential voter information on any computer terminal or document.
- Communicate with voters within 100 feet of the entrance to, or inside of, a polling place, a vote center, an elections official's office, or a satellite location, regarding the casting of a vote, or speak to a voter regarding his or her qualifications to vote.

- Display any election material or wear campaign badges, buttons or apparel.
- Wear the uniform of a peace officer, a private guard, or security personnel.
- Use cellular phones, pagers, or two-way radios inside the polling place and/or within 100 feet of the entrance to the polling place.
- Use the telephones, computers or other polling place facilities at polling places or the central counting site.
- Talk to or attempt to stop the central counting site workers while they are processing ballots.
- Make physical contact with election personnel.
- Eat or drink in the polls or the central counting site.
- Assist in operations at any polling place or the central counting site.
- Prevent other observers from observing materials or a process.
- Enter secure areas without the express permission of the elections official.

Observers at Tabulation Locations:

- Well-designed video programs may provide a sufficient alternative, or way to supplement in-person observation by a small number of observers.
- If a video is not feasible, make allowances for the space and personal disinfection needs of the observers as you build out these work areas.
- Given that vote-by-mail ballots will make up a greater percentage of the results than in past years, anticipate and plan for a greater number of requests to observe the mail process, whether by video or in-person.

Observers at Voting Locations:

- Provide poll workers detailed guidance ahead of time on how they should manage observations at their site.
- Assess how many observers can be safely accommodated at each site.
- Prepare and provide simple messages for poll workers to use if more observers seek entry than permitted or refuse to comply with health guidelines.

VI. Mechanism for Feedback

Consider providing observers with a checklist and/or questionnaires to be completed and returned to you.
