RE: California Gubernatorial Recall Election: Ballot Tint and Watermark  
Assignment

Pursuant to Elections Code section 13002 and the California Code of Regulations, Title 2, sections 20215, 20218, and 20280, the Secretary of State's office has selected a design and color combination for use in the September 14, 2021, California Gubernatorial Recall Election.

The watermark for the September 14, 2021, California Gubernatorial Recall Election, is the **CA State Seal**. The tint for the background and watermark is **Lavender PMS Purple**.

The watermark and tint must appear on the ballot itself, not only on the stub.

Please note that for "color-on-color" combinations, the tint value for the background should produce a light tint. The watermark should be clearly visible and distinct from the background. The screen percentages for the watermark should be such that the outline is darker than the background and the interior area of the watermark is lighter than the background.

If you have any questions or need additional tint and watermarks for local elections, please feel free to contact the Office of Voting Systems Technology Assessment (OVSTA) staff at [votingsystems@sos.ca.gov](mailto:votingsystems@sos.ca.gov) or (916) 695-1680.
