RE: Voter Education and Outreach: High School Voter Education Weeks
April 18 – 29, 2022

The California Education Code designates the last two weeks in April and September as High School Voter Education Weeks. This provides an opportunity for high schools and their students to partner with county elections officials to promote civic education and participation. As elections officials prepare for the June 7, 2022, Primary Election, it is a great time to encourage students to pre-register to vote and become engaged and active in their communities.

Secretary Weber, in partnership with California Superintendent of Public Instruction Tony Thurmond, issued a [letter](#) encouraging schools to invite students to participate in our democracy. You can also view Secretary Weber's [resolution](#) online, encouraging all California high schools to participate in High School Voter Education Weeks, April 18 – 29, 2022. Please feel free to use this Resolution as a tool to gain support and recognition from your Board of Supervisors or County Board of Education.

Additionally, we encourage you to use the online resources available on our website. See our High School and Youth Initiatives webpage, which includes information on how to pre-register 16- and 17-year-olds at <https://www.sos.ca.gov/elections/high-school-programs/>.

If you have questions about this or any other outreach related matter, please contact Jannell Jackson at SosOutreach@sos.ca.gov or (916) 584-3538. Thank you.
