FROM: /s/ Paige Kent

RE: Voter Education and Outreach: National Voter Registration Day

National Voter Registration Day is a formally recognized voter outreach initiative which aims at registering eligible citizens so they can be empowered to cast a ballot on Election Day.

This year, National Voter Registration Day occurs on September 20, 2022. The Secretary of State's Office encourages California's grassroots organizations, businesses, schools, and other civically minded groups to promote the vote within their communities. Secretary Weber has issued a resolution (attached) detailing the importance of participating in this national event.

The National Voter Registration Day organization has resources available for participating groups and allows local events to be posted in a searchable calendar on their website at <https://nationalvoterregistrationday.org/events/>. The Secretary of State has added a webpage dedicated to this day and includes links to these resources. This page can be found at <https://www.sos.ca.gov/elections/voting-resources/voting-california/help-strengthen-our-democracy/national-voter-registration-day>.

If you have questions about this or any other outreach related matter, please feel free to contact our office at [myvote@sos.ca.gov](mailto:myvote@sos.ca.gov) or (916) 695-1564. Thank you.
