County Clerk/Registrar of Voters (CC/ROV) Memorandum #23079

To: All County Clerks/Registrar of Voters

From: /s/ Kirsten Larsen
Election Services Manager

RE: Presidential Primary: American Independent Party County Central
Committee Members

The Secretary of State's office is required to compute the number of members of central committees to be elected in each county for the American Independent Party at the March 5, 2024, Presidential Primary Election. However, the American Independent Party has notified our office that the party will conduct caucus meetings to select members of central committees. (See, Elec. Code, §§ 7671, 7675.)

The American Independent Party will not be using the public ballot for the 2024 election to elect their central committee members. Accordingly, county elections officials do not need to conduct central committee elections for this party.
