County Clerk/Registrar of Voters (CC/ROV) Memorandum #24160

TO: All County Clerks/Registrars of Voters

FROM: /s/ William Endicott

Associate Governmental Program Analyst

RE: General Election: Vote-By-Mail Preparedness

The VoteCal staff and the CACEO Business Process Committee, representing counties, have created a county preparation checklist to outline recommended steps a county should take through their Election Management System (EMS) prior to mailing all registered voters a Vote-by-Mail (VBM) ballot. Please complete the attached checklist, share with appropriate staff, and review the checklist on a regular basis to ensure all voters receive the appropriate ballot.

As part of the checklist and review, we are recommending that EMS ballot issuance settings and procedures be reviewed by each county. Please review the actions your EMS will take when the following changes are made to a voter record:

- Name Change
- Residence or Precinct Change
- Mailing Address Change
- Change of VBM Status
- Receive Ballot Preference Change (switch to mail/e-mail/fax)
- Language Change
- Voter changes from non-active to active status
- Voter changes from active to non-active status

CCROV #24160 August 9, 2024 Page 2

The Secretary of State recommends that manual validation or a tested and approved county process be in place for any VBM ballot reissuance for the election.

If you have any questions or need clarification regarding this CC/ROV or other VoteCal matters, please contact the VoteCal Help Desk at (888) 868-3225 or via email at VoteCalHelp@sos.ca.gov.

If you need assistance completing actions within your EMS please contact DFM support at support@dfmassociates.com or Runbeck support at emshelpdesk@runbeck.net.
