RE: CalVoter: Political Party Codes and Column Order

Please see the below list for the standardized codes used in CalVoter transaction files for qualified political parties and the order they will appear for the report of registration summary.

The parties are arranged alphabetically first by qualified major parties followed by minor political parties.

	CalVoter Code	Column Order	Description
Democratic Party	DEM	1	Registered as Democratic
Republican Party	REP	2	Registered as Republican
American Independent	AI	3	Registered as American Independent
Green Party	GRN	4	Registered as Green
Libertarian Party	LIB	5	Registered as Libertarian
Peace & Freedom	PF	6	Registered as Peace & Freedom
Other	OTH	7	Registered as Other or Miscellaneous
No Party Preference	NPP	8	Registered as Declined to State or No Party Preference

The party code for Americans Elect has been removed and should now be included in "OTH" for report of registration reporting purposes.
