RE: REVISED - Presidential Primary: Reporting of Cross-Over Voter Requests

Pursuant to Elections Code section 13102(d) county elections officials must maintain a record of which political party's ballot was requested by No Party Preference voters. For the June 7, 2016, Presidential Primary Election, we are asking that each county report these cross-over ballot requests with your official canvass for the Statement of Vote (SOV).

It is our understanding that both DFM and DIMS have the capability to track these cross-over ballot requests in your Election Management System (EMS) so that you will be able to report them with your canvass. Should you have any questions regarding the tracking of these ballot requests in your EMS for reporting purposes, please contact your vendor.

SOV reporting forms will be provided shortly after the election. Should you have any questions regarding the SOV, you may contact the Candidate Filing and Election Night Reporting team at (916) 653-9154 or at candidate-filings@sos.ca.gov.
