County Clerk/Registrar of Voters (CC/ROV) Memorandum #16337

TO: All County Clerks/Registrars of Voters
FROM: /s/ Jonathan Ivy
Language & Accessibility Coordinator, Elections Division
RE: Administration: 2016 Election Administration & Voting Survey

The Election Assistance Commission (EAC) has issued the Election Administration & Voting Survey (EAVS) for 2016, a federally mandated survey that states and counties are required to complete every two years following a federal election.

Great News!

VoteCal will be able to answer a great majority of the survey questions. Results will be sent back to the counties for validation.

Please answer just the non-yellowed-out questions in the attached fillable PDF, and return to our office.

After receiving answers from your county, and after queries are completed against VoteCal data by our team, we will be providing a final survey form with answers for validation by each county.

January 16, 2017: **Due:** County responses to remaining questions due
January 19, 2017: Counties are given full answers for verification
January 30, 2017: **Due:** County validation of VoteCal answers

Please provide a point of contact for this project by **Wednesday, January 4, 2017**. If you have any questions, please contact Jon Ivy at (916) 695-1581 or jivy@sos.ca.gov.

2016 Election Administration and Voting Survey – Short Form

This document is a fillable PDF. To use the save and email features, please download/save the PDF file, and then use Adobe Acrobat to open it.

This document is a short form version of the 2016 Election Administration and Voting Survey (EAVS). In this version, questions that will be answered by the VoteCal system are blocked-off in Yellow and can be left blank. The remaining questions should be answered following the EAVS Instruction Manual:

https://eavsportal.com/Downloads/2016/2016_EAVS_Supplemental_Instruction_Manual.pdf?v=1.1

When completed, please save and email the PDF to jivy@sos.ca.gov.

If you have any questions, please contact Jon Ivy, Language & Accessibility Coordinator, at jivy@sos.ca.gov or 916-695-1581.

U.S. ELECTION ASSISTANCE COMMISSION 2016 Election Administration & Voting Survey

The ongoing process of improving America's election systems relies in part on having accurate data about the way Americans cast their ballots. In 2002, Congress chartered the U.S. Election Assistance Commission (EAC) to collect information on the state of American elections and make it widely available to policy makers, advocates, scholars, journalists and the general public. Since 2004, the Commission has sponsored a biennial survey as its primary tool for fulfilling that mission. We are pleased to present the 2016 Election Administration and Voting Survey, and we ask for your help in making it the most complete and accurate survey in its history.

The questions below ask for information about ballots cast, voter registration, overseas and military voting, Election Day activities, voting technology, and other important issues. The section concerning the Uniformed and Overseas Citizens Voting Act (UOCAVA) serves as the EAC's standardized format for State reporting of UOCAVA voting information as required by 42 U.S.C. §1973ff-1. States that complete and timely submit this section to the EAC will fulfill their UOCAVA reporting requirement under 42 U.S.C. §1973ff-1(c). Additionally, EAC is mandated by the National Voter Registration Act (NVRA) to collection information from states concerning the impact of that statute on the administration of Federal elections. With this information, EAC is required to make a report to Congress and provide recommendations for the improvement of Federal and State procedures, forms, and other NVRA matters. States that timely respond to all questions in this survey concerning voter registration related matters will meet their NVRA reporting requirements under 42 U.S.C. § 1973gg-7 and EAC regulations.

The EAC recognizes the burden that asking for these data places on State and local election officials, and we have worked to minimize that burden as much as possible.

In advance, we thank you for your cooperation and look forward to answering any questions you might have.

Instructions for Completing the 2016 Election Administration & Voting Survey

1. This survey collects information on election administration issues in local election offices (typically counties or townships) that are responsible for the administration of the November 2016 general election. As such, all data should be reported at the level of the local jurisdiction. However, the State or Territorial level election office may fill out any or all of the information on behalf of the local election offices under its jurisdiction.
2. Do not leave items blank - always provide an answer to the question asked using the “Data not available” or “Other” categories discussed below, if needed.
3. Use the “Data not available” box if the question asks for details that are not required by your State law or the question asks for information that is not currently collected.
4. You may find it helpful to read an entire section before answering any of the questions in that section.
5. Please attempt to record data according to the categories as they are defined in the question. If your jurisdiction uses a different data classification scheme (for instance, collects data in such a way that combines two or more categories listed in a question), you can use the space provided for “Other” to provide numbers and details on these categories. Use as many “Other” categories as you need to adequately report the relevant statistics for your jurisdiction. If you enter information into the “Other” field, please use the comments field to provide an explanation for the answer.

In the example below, the jurisdiction does not collect separate statistics on the number of duplicate and rejected registration forms, but instead has only one number that represents the total number of registration forms that are either duplicated or rejected.

EXAMPLE:

A5. In order to evaluate the workflow of your office over the last election cycle, enter the total number of registration forms your jurisdiction received from all sources during the period from the close of registration for the November 2014 general election until the close of registration for the November 2016 general election. Include here any Election Day or Same Day registrations, if applicable. Also include any special categories of voters who may have extended deadlines, such as returning military personnel, if applicable.

Next, divide the total number of registration application forms received (as entered in A5a) into the following categories. The amounts should sum to the total provided in A4a.

SECTION A

VOTER REGISTRATION

EAC is mandated by the National Voter Registration Act (NVRA) to collect information from States concerning the impact of that statute on the administration of Federal elections. With this information EAC is required to make a report to Congress and provide recommendations for the improvement of Federal and State procedures, forms, and other NVRA matters. States that timely respond to all questions in this survey concerning voter registration related matters will meet their NVRA reporting requirements under 42 U.S.C. § 1973gg-7 and EAC regulations.

Roadmap to Section A:

- **A1, A2 and A3** ask for information about the number of registered voters in your jurisdiction and how you calculate those statistics.
- **A4** asks for information about registration activity on days in which it was possible for a person to both register and vote on the same day.
- **A5** asks for information on all registration forms for all types of registration transactions (successful and unsuccessful) received by your office.
- **A6** asks for the sources of all registration forms (both successful and unsuccessful).
- **A7** asks for the sources of new registrations.
- **A8** asks for the sources of duplicate registrations.
- **A9** asks for the sources of invalid or rejected registrations.
- **A10** asks for information on confirmation notices sent under NVRA Section 8(d) 2.
- **A11** asks for the number of voters removed from the voter registration rolls and the reason for their removal.

SECTION B

UNIFORMED & OVERSEAS CITIZENS ABSENTEE VOTING ACT (UOCAVA)

For 2016, Section B includes the FVAP Post-Election Voting Survey of Local Election Officials. EAC incorporated these questions for the States' reporting of UOCAVA voting information as required by 42 U.S.C. §1973ff-1. States that complete and timely submit this section to the EAC will fulfill their UOCAVA reporting requirement under 42 U.S.C §1973ff-1(c).

Pursuant to UOCAVA, this section collects various data elements needed to determine: (1) the combined number of absentee ballots transmitted to UOCAVA voters; (2) the combined number of ballots returned by UOCAVA voters; and (3) the combined number of returned ballots cast by UOCAVA voters (the number of cast ballots is practically determined by collecting data concerning the total votes counted and rejected).

Roadmap to Section B:

- **B1 and B2** ask for information about the number and type of UOCAVA absentee ballots transmitted.
- **B3** asks for the number and type of all UOCAVA ballots returned and submitted for counting.
- **B4, B5, B6, and B7** ask for information on the type of UOCAVA ballot returned by type of UOCAVA voter.
- **B8** asks for the number and type of all UOCAVA ballots counted.

- **B14** asks for information on reasons why UOCAVA ballots were rejected.
- **B15, B16, B17, and B18** ask for information on the type of UOCAVA ballot rejected by type of UOCAVA voter.
- **B19** asks for information about the number and type of registered and eligible UOCAVA voters.
- **B20, B21, and B22** ask for information concerning the Federal Post Card Applications (FPCAs).
- **B23** asks about the date when transmission of absentee ballots to UOCAVA voters began for the November election cycle.
- **B24** asks about UOCAVA ballots transmitted by mode of transmission.
- **B25** asks about transmitted UOCAVA ballots that were returned as undeliverable by transmission mode.
- **B26 and B27** ask about UOCAVA ballots returned by voters, **excluding Federal Write-In Absentee Ballots (FWABs)**.
- **B28 and B29** ask about UOCAVA ballots returned by voters and rejected, **excluding FWABs**.
- **B30** asks about UOCAVA ballots counted by mode of transmission, **excluding FWABs**.

Please feel free to attach additional pages as necessary.

* An anomaly is defined as an irregular or inconsistent action or response from the voting system or system component resulting in some disruption to the election process. Incidents resulting from administrator error or procedural deficiencies are not considered anomalies for purposes of this survey question (*EAC Voting Systems Testing and Certification Program Manual*).
