County Clerk/Registrar of Voters (CC/ROV) Memorandum #19131

TO: All County Clerks/Registrars of Voters

FROM: /s/ Reina Miller
Voter Accessibility Coordinator

RE: Primary Election: California Late Vote-by-Mail Ballot Application Form

The Secretary of State's office has created the attached **California Late Vote-by-Mail Ballot Application** for counties and for voters to use. (Elec. Code, § 3021.) A link to the application can be found here: <https://elections.cdn.sos.ca.gov/vote-by-mail/pdf/late-vote-by-mail-application.pdf>.

This application can be used by a voter who is unable to go to the polls because of conditions resulting from his or her absence from the precinct for an election. This form has been called "Late" because it is to be used after the time for requesting a vote-by-mail ballot has closed. This application shall not be required if the vote-by-mail ballot is voted in the office of the elections official at the time of the request.

The Secretary of State requests that counties accept this application and any other form being used by any county for the purpose of complying with Elections Code section 3021. Please note that it is not the intention for this application to replace any form that is currently being used by counties; however, if a county does not currently have such an application, please feel free to link to this application on your website.

The Secretary of State's office is currently working on having this application translated in all nine Voting Rights Act (VRA) languages. The translated application will be available on the Secretary of State's website December 4, 2019.

If you have any questions, please feel free to contact me at (916) 695-1557 or rmiller@sos.ca.gov.
