RE: Poll Worker Recruitment: Contact Information for Secretary of State Portal

We are launching a statewide poll worker recruitment effort on August 11, 2020. A webform is being created where Californians can sign up to be a poll worker on our website and will be a resource for all counties. In order for each individual county to receive the contact information of those who sign up in their county, please complete the information below.

Each county can submit up to two persons of contact. A login with a temporary password will be provided. This will provide access to contact information for your county to contact regarding becoming a poll worker.

Please complete and return the information below **as soon as possible, but before close of business Monday, August 10, 2020.**

If you have any questions, please contact [Rabelon@sos.ca.gov](mailto:Rabelon@sos.ca.gov) or (916) 205-0568.
