RE: Regulations: Access to Voter Registration Information

The Secretary of State has submitted proposed regulations relating to Access to Voter Registration Information to the Office of Administrative Law. These proposed regulations will replace the current regulations related to access to voter registration information under Title 2, Division 7, Chapter 1, Article 1, sections 19001 to 19009.

The 45-day written public comment period will begin on November 27, 2020 and will continue through January 11, 2021. Any interested person, or their authorized representative, may submit written comments pertaining to the changes in the text of the proposed regulations. The Secretary of State will accept written comments on the changes from November 27, 2020, to January 11, 2021. The written comment period closes at 5:00 p.m. on January 11, 2021. The Secretary of State will only consider comments received at the Secretary of State's office by that time.

No hearing date has been scheduled; however, any interested person, or their authorized representative, can submit a written request for a public hearing no later than Monday, December 28, 2020.

Following the public hearing, if one is requested, or following the close of the written comment period if no public hearing is requested, the Secretary of State, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals provided by the public or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available from our office for 15 days prior to its adoption and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.
