Acknowledgements

The researchers would like to sincerely thank the county elections officials and staff throughout the State of California who took time to provide data to the project. Additionally, we are grateful to the Secretary of State's Office for its continuing support and interest in this project. Without their assistance, the completion of these yearly reviews and the California Elections Data Archive would not be possible.

CALIFORNIA ELECTIONS DATA ARCHIVE

INTRODUCTION

The California Elections Data Archive (CEDA) is a joint project of the Center for California Studies, and the Institute for Social Research (ISR), at the California State University, Sacramento, and the office of the California Secretary of State. The purpose of CEDA is to provide researchers, citizens, public agencies, and other interested parties with a single repository of local election data. With over 6,000 local jurisdictions in California, the task of monitoring local elections is nearly impossible for individuals. CEDA addresses this problem through the creation of a single, cost-effective, and easily accessible source of local election data. CEDA includes candidates, and ballot measure results for county, city, community college, and school district elections throughout the State. CEDA thus represents the only comprehensive repository of local election results in California and one of a very few such databases on local elections in the U.S.

How the CEDA Data is Collected and Reported

ISR staff collects election data periodically throughout each calendar year. This enables CEDA to incorporate results from special elections as well as all regularly scheduled elections. ISR staff enters election results from counties, cities, community colleges, and school districts into the CEDA database and then uses this database to generate three standard CEDA reports. These reports include:

- County Elections: Candidates, ballot designations, and vote totals for all elected county offices; vote totals and text for county ballot measures.
- City Elections: Candidates, ballot designations, and vote totals for all elected city offices; vote totals, and text for all city ballot measures.
- Community College and School District Elections: Candidates, ballot designations, and vote totals for all elective community college and school district offices; vote totals and text for all district ballot measures.

ISR staff codes ballot measures for all jurisdictions according to type (e.g., charter amendment, taxes, bond measure, initiative, etc.) and to topic (e.g., education, public safety, governance, etc.).

THE CEDA PARTNERSHIP

THE CENTER FOR CALIFORNIA STUDIES

Located at California State University, Sacramento, the Center for California Studies is a public policy, public service, and curricular support unit of the California State University. The Center's location in the state Capital and its ability to draw upon the resources of the entire State University system give it a unique capacity for making contributions to public policy development, and the public life of California. Center programs cover four broad areas: administration of the nationally known Assembly, Senate, Executive, and Judicial Administration Fellowship Programs; university-state government liaison and applied policy research; civic education and community service through forums, conferences, and issue dialogues; and curricular support activity in the interdisciplinary field of California Studies.

INSTITUTE FOR SOCIAL RESEARCH

Established in 1989, the Institute for Social Research (ISR) at California State University, Sacramento (CSUS) is a multidisciplinary institute that is committed to advancing the understanding of the social world through applied research. The Institute offers research expertise and technical assistance serving as a resource to agencies, organizations, the University, and the broader community. Utilizing quantitative and qualitative methods, ISR produces various types of assessments, program and policy evaluations, survey research, workload studies, and specialized analyses. Services include research design, sampling design, data collection and coding, computer-assisted telephone and field interviewing, mailed and online surveys, focus groups, database management, and statistical analysis. ISR has completed hundreds of projects with more than 50 federal, state and community agencies, private firms, and many academic units. Faculty affiliates of the Institute offer specific content expertise in a wide variety of disciplines, including the social sciences, health and human services, and education.

CALIFORNIA SECRETARY OF STATE

Among their other duties, the Secretary of State acts as California's chief elections officer with the responsibility of administering the provisions of the Elections Code. The Secretary must compile state election returns, and issue certificates of election to winning candidates; compile the returns and certify the results of initiative and referendum elections; certify acts delayed by referendum, and prepare and file a statement of vote. Recent legislation permits but does not mandate that the Secretary of State compile local election results.

TABLE 1.2 TEXT FOR SCHOOL DISTRICT BALLOT MEASURES BY COUNTY, 2025

CALAVERAS	5/6/2025	Mark Twain Union Elementary	Measure A	Fail (2/3rds required)
To help students attain grade-level standards and address critical needs, shall Mark Twain Union Elementary School District's parcel tax measure to provide specialized programs to improve math and reading; maintain small class sizes; improve school safety; and support essential services at Copperopolis and Mark Twain Elementary Schools be adopted at \$65 per parcel, (raising \$600,000 annually for four years), with senior citizen exemptions, independent oversight, public disclosure, no funds for administrator salaries, and all funds improving the quality of education for Mark Twain Union Elementary School District?				
CONTRA COSTA	5/6/2025	Acalanes Union High	Measure T	Fail (2/3rds required)
Shall the measure supporting high quality education in local high schools by continuing advanced academic programs in math, science, engineering and art; attracting and retaining highly qualified teachers; preparing students for college and in-demand careers; and maintaining manageable class sizes, with Acalanes Union High School District levying a \$130 parcel tax for eight years, with senior exemptions, annual inflation adjustments, independent oversight, providing \$4,500,000 annually in local school funding that cannot be taken by the State, be adopted?				
LOS ANGELES	6/3/2025	San Marino Unified	Measure R	Pass (2/3rds required)
In order to continue funding quality educational programs and classroom instruction, prevent class size increases and teaching position reductions, attract and retain high quality teachers and employees, and support educational programs that enhance student achievement, shall San Marino Unified School District extend its expiring school parcel tax for six years at \$415 per parcel, collecting approximately \$1.6 million annually with an exemption for seniors, adjustment for inflation and all money staying in our community to benefit our local schools?				
MARIN	5/6/2025	Ross Valley Elementary	Measure E	Fail (2/3rds required)
To continue local funding that preserves excellent education for Ross Valley School District students by attracting and retaining highly qualified teachers; maintaining manageable class sizes; and protecting core academic programs in science, technology, engineering, math, reading and writing; shall Ross Valley School District's measure be adopted, renewing parcel tax authority at 52¢/ building square foot, \$95/ unimproved parcel, providing \$7,800,000 annually for 9 years, with 3% annual adjustments, independent oversight, senior exemptions, no funds for administrators and all funds staying local?				
MARIN	11/4/2025	Petaluma Joint Union High	Measure I	Fail (2/3rds required)
To provide locally controlled funding for local junior high/ high schools that cannot be taken away by the state to attract/retain excellent teachers; enhance math, science, engineering, technology, writing programs; maintain smaller class sizes; and prepare students for college/careers, shall Petaluma Joint Union High School District's measure be adopted levying an \$129 educational parcel tax, raising \$3,020,000 annually, for 8 years, with exemptions for seniors, no funds for administrators' salaries and independent citizen oversight?				
SANTA CLARA	5/6/2025	San Jose Unified	Measure A	Fail (2/3rds required)
To renew expiring local school funding without increasing current tax rates; attract and retain highly-qualified teachers and educational staff; support strong core academic programs in reading, writing, math, the arts and science, prepare students for college and careers; shall San José Unified School District's measure be adopted, renewing its expiring \$72 annual parcel tax, providing \$5,000,000 annually, for 8 years, with senior exemptions, citizen oversight, no funds for district administrators' salaries, all funds benefiting local schools?				
SONOMA	11/4/2025	Petaluma Joint Union High	Measure I	Fail (2/3rds required)
To provide locally controlled funding for local junior high/ high schools that cannot be taken away by the state to attract/retain excellent teachers; enhance math, science, engineering, technology, writing programs; maintain smaller class sizes; and prepare students for college/careers, shall Petaluma Joint Union High School District's measure be adopted levying an \$129 educational parcel tax, raising \$3,020,000 annually, for 8 years, with exemptions for seniors, no funds for administrators' salaries and independent citizen oversight?
