TABLE 1.2 TEXT FOR COUNTY BALLOT MEASURES BY COUNTY, 1995

EL DORADO	11-7-95	Measure B	Pass
ADVISORY VOTE ONLY. Major traffic improvements are clearly needed along Missouri Flat Road and at Missouri Flat Road and Highway 50. In order to bring about the construction of these improvements without raising or imposing new residential taxes, it has been suggested that new commercial development be allowed along the Missouri Flat corridor. That development would be solely responsible for generating the funds needed to construct the necessary improvements. Would you favor this approach?			
EL DORADO	11-7-95	Measure I	Pass
Shall the El Dorado County Charter be amended to provide for review and appraisal of performance of all appointed department heads, except County Counsel, on at least an annual basis by the Chief Administrative Officer, with the appraisal to be submitted to the Board of Supervisors?			
EL DORADO	11-7-95	Measure J	Pass
Shall the El Dorado County Charter be amended to provide that the Board of Supervisors shall review the County Counsel's performance at least once a year?			
EL DORADO	11-7-95	Measure L	Pass
Shall a subdivision (d) of Section 210 be added to the El Dorado County Charter to read as follows? (d) The Board, commencing with the fiscal year 1996-1997, shall annually budget and allocate from the County General Fund for the operation of the County library system, an amount equal to 80% of annually collected assessments for those zones receiving a majority voter approval on November 7, 1995. Such amounts shall be in addition to the debt service incurred for the Cameron Park Branch Library. This provision shall be effective only for a period of ten (10) years and shall thereafter be repealed without further amendment of this Charter.			
EL DORADO	11-7-95	Measure N	Pass
Shall the El Dorado County Charter be amended to repeal Measure A, the Sheriff's Salary Initiative (approved by a majority vote on November 7, 1972); and in lieu thereof adopt this measure which provides the Board of Supervisors shall determine at least annually the existing average salaries for the South Lake Tahoe Police Department, Amador County Sheriff's Department and the California Highway Patrol using comparable class of positions to do so; and on the first day of January of each year thereafter adjust and determine the average salary for El Dorado County Sheriff's Department personnel using certain specified positions as guidelines?
