II. Precinct Boards and Elections Officers

Summary

This chapter outlines the composition of precinct boards and the appointment of members to these boards (sometimes referred to as 'election officers') for the various elections held.

Precinct boards appointed for each precinct are made up of voters of the state. A member of the precinct board may serve only in the precinct for which their appointment was received. (§ 12302(a).) High school students 16 years of age and over and legal permanent residents who meet specified requirements may also serve. (§ 12302(b), (c).) The composition of the precinct board shall be determined by the elections official based on election precinct size. The precinct board shall consist of a minimum of one inspector and two clerks. Additional clerks may be allocated in proportion to the number of registered voters within the precinct. (§ 12304(a).)

The members of the precinct boards are to be appointed by the elections official in charge of the election at least than 29 days prior to the election. (§ 12286(a).) (This provision does not apply to elections conducted using vote centers (§ 12286(d).) In constituting precinct boards, the elections official may excuse persons appointed whom the elections official is satisfied ought to be excused. Substitutions may be made when any person appointed is excused or found disqualified or incompetent, until a final or amended list of election officers is sent to the inspector for that precinct. (§ 12316.) If the precinct board members for any precinct have not been appointed or cannot serve, or the polling place has not been designated prior to an election, the county elections official shall, by written order, immediately appoint the precinct board members or designate the polling place for the precinct, as the case may require, and shall notify each precinct board member of the appointment. (§ 12327(a).) If, at this time, the elections official cannot make suitable arrangements for a polling place in any precinct in which none has been designated, the elections official may designate a polling place in any contiguous precinct. Any precinct board member serving in this polling place shall be regarded as serving in the proper precinct. (§ 12327(b).)

Each member of a precinct board shall receive compensation from the governing body of the jurisdiction. This sum shall be paid out of the treasury of the jurisdiction in which the election is held. The inspector may receive more compensation than the other members of the precinct board. The additional compensation to the inspector is for services rendered in securing precinct board members and other duties, which may be directed by the elections official. (§ 12310.)
