Re: November 3, 2020 Presidential General Election Manual Tally pursuant to California Election Code §15360

The 1% Manual Tally was advertised on www.amador.vote and in the local newspaper, the Ledger Dispatch, for 8 days and commenced at 9am on November 10, 2020. Precincts were also drawn randomly at 9:00 am on November 10, 2020.

Of all contests and ballots tallied, the only discrepancies found were identified as resulting from human error. No discrepancies were found to be machine related.

Respectfully,

A handwritten signature in black ink, appearing to read "MHA", with a long horizontal stroke extending to the right.

Mark Hammergren
Amador County
Chief Deputy Registrar of Voters
