**Completion of One Percent Manual Count**

**11/30/2020**

---

Pursuant to Elections Code 15360, Contra Costa County Elections Division conducted a one percent manual tally of results for the November 3, 2020 Presidential General Election.

The random selection of precincts and vote by mail batches was conducted at the Elections Division on Wednesday, November 4<sup>th</sup> at 10:00 AM. Thirty-seven vote by mail batches and ten election-day batches were drawn. These vote by mail batches and election-day batches represent all contests.

Nearly every discrepancy found between the manual tally and the machine count was a result of an E Card that was cut too short (see **County Voting System Incident Report – Incident Item #2**) causing the scanner to stop and requiring operator intervention.
