California Secretary of State

Re: Results of 1% Post Election Manual Tally

Dear Secretary Padilla:

In accordance with California Elections Code § 15360, the Riverside County Registrar of Voters conducted a public manual tally of 1% of the precincts in the March 3, 2020 Consolidated Primary Election. Nine precincts were selected by the random method of using three ten-sided dice. Precincts selected were:

11511	11948	31214	31406	33413	33513	50213
50807	50824					

Additional precincts were selected to ensure all contests in the election were represented.

20419	37836	45009	46902
-------	-------	-------	-------

The public was notified on February 28, 2020 and selection of the manual tally precincts was completed on March 5, 2020 at 9:00am. The manual tally commenced on March 5, 2020 and was completed on April 16, 2020. Any discrepancy found was resolved during the 1% Post Election Manual Tally.

Sincerely,

Rebecca Spencer
Registrar of Voters
